Sir,
Sub: Grants - Teaching - Secondary Schools under Local bodies
Provisional grant for 1946-47 - Payment of second instal-
ment.

Ref: Govt. Memo.No.3170-B.1/46-1 Edn dated 16-1-1948

I invite your attention to the last sentence in para 3 of G.O.No.2190 Edn dated 10-10-47 wherein the Director was required to obtain from Local Bodies the necessary statements for the grant payable under items (iv) and (v) in para 4(a) of G.O.No.975 Edn dated 10-5-47 and to submit proposals to Government for distribution of the amount due along with the second instalment of the special grant in the current year. These statements could not be called for from the Local bodies immediately after the receipt of the G.O. referred to above since Government had to be addressed for clarification regarding the payment of compensation for fee income foregone on account of the grant of military concessions. Final orders were received in the matter from Govt. only during Christmas vacation (vide their memo.No.95776-B.1/47-2 Edn dated 23-12-1947). Instructions for the preparation of the statements were drawn up immediately after the holidays and local bodies were requested to forward the statements under reference to the Director with great expedition and in any case not later than 25-1-1948. So far, statements have been received only from 3 Local bodies and the Special Officers, District Boards, Tanjore and Mellore have requested for extension of time till the end of the month. At this rate it is expected that all the statements can be received only by about 5th February 1948. Since a thorough scrutiny of these statements will involve considerable time, it is to be anticipated that proposals for distribution of the amount towards these concessions can be submitted to Govt. only by about 5th March 1948. I, therefore, request that Govt. may be pleased to state whether the proposals for the distribution of the second instalment of special grant (exclusive of grant for compensation for fee income foregone by local bodies in the short term of 1946-47) may be submitted to Government now itself and whether proposals for the payment of compensation may be submitted separately.

I would in this connection suggest for the consideration of Government that they may be pleased to delegate this year powers to the Director to distribute to Local bodies compensation amount for short-term for 1946-47 referred to in para 1 above, so that the amount may be sanctioned to Local bodies as and when the scrutiny of statements of each local body is finished.

Sir,

1947 = Payment of:REF:- G.Os. Nos. 2190, Education, dated the
10th October 1947 and 2650, Education, dated 12th December 1947. (K)

In accordance with the directions in the above Government Orders, a circular was issued to all Local Bodies to forward to the Director before 25th January 1948 statements in respect of fee income foregone by them in the short term of 1946--47 in recognised secondary schools under their managements under the several heads referred to therein. Statements have since been received from all the local bodies except the three major District Boards, viz. Vizagapatam District Board, Guntur District Board and the Coimbatore District Board and the Corporation of Madras. These three District Boards have not yet sent their statements in spite of telegraphic reminders. Tentative figures have therefore been adopted in respect of these three District Boards and the Corporation of Madras and the approximate amount of compensation due to the local bodies works out to Rs.2,74,794/-.

In the current year's appropriation of Rs.8,78,500/- under "37.h.Education = Secondary = Grants to Local Bodies for Secondary Education = (h) A. Teaching = Voted" the provision made for payment of subsidy on account of employment of Hindustani Teachers will not be utilised as Government have in paragraph 7 of G.O.No.2190, Edn., dated 10th October 1947 ordered that the expenditure under

this item will be treated as an approved item of expenditure for purpose of assessment of teaching grant to the institutions concerned from 1947--48 and that the payment of special subsidies towards the cost of employment of such teachers will be discontinued.

Again the provisions made in the estimates of the current year for the opening of new middle schools and the raising of existing middle schools into high schools under the special subsidy scheme is not likely to be utilised in full = vide in this connection Director's letter to Government RC.No. 2294/G.2/47 dated 29th January 1948.

Taking into account the probable savings under the above two items, the additional net amount that will be required for payment of compensation to local bodies is estimated at Rs.2,28,000/-. I am applying for necessary reappropriation of funds in the Final Revised Estimate for 1947--48.
