2. The question whether the secondary schools specially intended for Muslims should be continued or not was recently considered by Govt in consultation with the leader of the Opposition and selected M.L.As and it was decided that the existing separate schools for Muslims should be retained for the next five years without any commitment of continuing them after that period. This does not however preclude the Govt from closing down uneconomic schools. The Govt High School for Muslim Girls Mangalore has been converted into a general high school for all girls on account of uneconomic strength from the school year 1948-9.

Colleges

^{15.7.48} ^{hon} ~~The~~ ^{the} ~~govt~~ ^{govt} were maintaining two denominational colleges - the govt college for Muslim women, Madras and the govt Muslim college for men. The former was transferred to Mr. E. Thiruv. As regards the latter, the intermediate classes in the Presidency College were recently transferred to the Muslim College for men and it has been ordered that the rules re admission to other govt art colleges should be applied to admission to the intermediate classes. The existing reservation of 75 p.c of the seats for Muslims for B.A. B.Sc and Honours classes in the college continues.

The question of the change of name of the college was also considered. It was decided that the name need not be changed and that the new system of admission to the intermediate classes, worked in a couple of years, change the college into a general college for all practical purposes.

QUESTIONS AND ANSWERS

[21st August 1948]

SRI R. SURYANARAYANA RAO :—"Sir, in the answer given on that date, to which the Hon. Minister drew attention just now, no inkling of the line that the Government wish to follow to effect a change in the denominational character of the institutions has been given."

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR :—

"No, Sir. That question was discussed rather elaborately and answers were given. From that it will be seen how the Government propose to do it."
