But how does it happen that Sri Singaravelu's name was put down on the panels of three Municipalities?

E.P.H.(G3).

Submitted that if in the opinion of the D.E.O. or the Inspectress as the case may be, a sufficient number of suitable candidates in the service of a Municipal Council is not available for inclusion in the list of names for appointment as Headmasters, the executive authority of the Municipality shall invite applications from outsiders by advertisement. Apparently in this case the Gudiyatham and Walajapet Municipalities advertised the vacancy in their high schools and Sri Z. Singaravelu, whose permanent lien is under the Coimbatore Municipality applied for and got included in the lists for the two municipalities also.

Sir,

REF: GOVERNMENT MEMORANDUM No.80010-G3-47-2 Edn., dated 21.1.48.
 00000

There is no restriction placed on the selecting authority that a candidate selected for inclusion in the panel of one local body should not be selected for a panel of another local body. This being the case, it is usual to select sometimes one and the same candidate for more than one panel, especially when it is felt that there is a paucity of candidates to satisfy the claims of any particular community or language. It is obvious that if any candidate begins probation at more than one place, it is a hardship, no doubt to the others waiting for promotion as Headmasters out of the panel. The chances of others

may sometimes be blocked. Under such circumstances it may be considered whether it is desirable to ask the candidate, who has ~~be~~ begun his probation in two places to select one and forego the other.

at pp. 1 and 3 cb. and the ~~replies~~ of the D.P.E.
at pp. 5-6 cb. The D.P.E. has explained why
the name of one assistant is included in
more than one panel of candidates for
appointment ^{as} headmasters of high schools
under local bodies. He ^{has} raised in this
connection the question whether a can-
didate who has begun his probation in two
places may be asked to select one
and ~~leave~~ ^{forego} the other so that the hardship
may not be caused to the others waiting
for promotion as headmasters ^{out of} within
the panel. The D.P.E.'s suggestion seems
acceptable. The D.P.E. may be informed
accordingly.

The case may be circulated to

H.M.(Edn) for order.
