Instructions for the admission of students from the Pakistan area in recognised educational institutions in this Province have already been issued to the subordinate officers of this department in this office RC. No.2642/E/47 dated 27th October 1947 a copy of which was submitted to Government in this office RC.No.2642 E/47 dated 3rd November 1947. Steps are also being taken to open temporary schools in the Refugee Camps. Cases of hardship regarding admissions have not so far been brought to my notice.

2. The Government of India have a separate scheme for the grant of financial assistance (loans and fee concessions) to these students, expenditure on which is ultimately met by the Government of India = vide Government of India letter No.F/162/48/R&R dated the 8th January 1948 communicated in G.O.No.272, Education dated 9th February 1948. In the Government of India's letter, full fee concessions in secondary schools is given only to those studying in the 9th and 10 classes (Forms V and VI). The Government of India may be requested to extend the concession to all classes. It is not desirable to throw open the general scholarships of this Province to these evacuees also, as the number of scholarships available is already disproportionate to the large number of qualified applicants of the Province.

In para 5 of letter No. F.263/48/ R & R, dated 8.1.48 of the Ministry of Relief and Rehabilitation, New Delhi, it is stated that Financial Assistance is intended to be given to pupils of 9th and 10th classes only. But there are some deserving cases in classes below 9th and 10th. These pupils find it very difficult to continue their studies without financial assistance. Hence I strongly recommend that this assistance may kindly be extended to all refugee pupils in a high school irrespective of the class in which they are studying, or otherwise a proportionate amount of grant may be given to various classes as in the case of Military Educational Concessions.

Honoured Sir,

Sub: GRANT OF FREE-SHIP TO EVACUEE CHILDREN.

32103

We beg to lay down a following few lines for your kind honour's consideration with a sanguine hope that these will meet with your honour's due sympathy and help.

We are Sind Evacuees hailing from a noble family. We with all our families have migrated from Sind, Pakistan, and want to settle here in Vizagapatam permanently.

As we have got some children and with a view that their studies may not be disturbed and the precious years of their lives may not be wasted unnecessarily, we have put them in St. Alysius European High School, Beach Road, Vizagapatam. They are three and are studying in the First form; their names being,

1. LAL S/O Hotchand,.... age. 13 years.
2. DOULAT S/O Hotchand,.... age. 11 years.
3. MOTI S/O Balchand,.... age. 9 years.

As till date, we have not been able to start ~~on~~ any business as the Government have not yet granted the loans, for which we have applied, and are entirely depending on our brother, who with his small income has been looking after our big family for the past three months, we most humbly request your kind honour that our above-mentioned boys be granted a Free-Ship to enable us to continue their studies without any obstacle from the financial angle.

In this connection, we may add that we have already approached the honourable Collector of Vizagapatam (Refugee Officer) but have not heard anything from him till date.

We are extremely hopeful that the Free-Ship will be granted to our children at once in view of the above-mentioned facts and conditions.

An early favourable reply to the effect, for which we shall be very grateful, will be very much appreciated and thanking you,

Vizagapatam.

So far as scholarships in the educational institutions in this province are concerned, the Govt of India have been informed that it is not possible to make them available to refugees as the number of scholarships available is already disproportionately small when compared with the large number of qualified applicants of this Province. It has been suggested that it is desirable to adopt a uniform policy in all Govt. institutions including Polytechnics. This would

Sir,

p77 c.f. of G.O. No. 2468 Edn 29.9.48

I am directed to refer to your letter No. 71138-I5/48 dated the 9th November 1949 on the above subject and to request a reconsideration of the question for the following reasons.

2. The refugees in respect of whom the request has been made would normally have joined institutions located within the boundaries of their native provinces and would have been entitled to the grant of scholarships, fee concessions etc. available in those institutions. Having been displaced, it may be assumed that they would settle down in the provinces in which they are now continuing their studies. It would be a great hardship, if they are not permitted to compete on merit for the grant of scholarships and other concessions which are available to the students having their original domicile in the provinces which the refugees have now adopted.

We have re-examined the matter in the light of the considerations set forth in your D.O. cited and have now decided to throw open the scholarships and fee concessions granted to the students of this Province, to the displaced students from Pakistan also without any discrimination, subject to their fulfilling the relevant conditions.

In regard to the Polytechnics maintained by us, the displaced students are even now being charged, as a special case, tuition fees at the rates applicable to the students of this Province. We also agree to allow displaced students in the Polytechnics to compete with the students of this Province for scholarships which are awarded on the results of competitive examination held in the Institute. As regards the Veterinary College in this Province, the question of granting scholarships and fee concessions to displaced students has not arisen so far as no displaced persons were admitted as

Grant of scholarships and fee concessions to refugee Students from Pakistan.

—

Please see the letter from the Govt of India in the cf. Refugee Students from Pakistan are now granted the following concessions in Eng. colleges:—

Papers not traced (Verified)

(1) Three seats have been reserved for them

(2) Applications for admissions from refugee Students should be consider on their merits (along with applicati from Students of this Province) without reference to the question of domicile. In regard to age these candidates may be allowed a concession of one more year over the general age limit of 22 years.

(3) Refugee Students have been permitted to pay fees only at the same rates as the Students of the Madras Presidency.

In their letter in the cf. the Govt of India request that no discrimination may be made against refugee Students in the matter of the grant of scholarships and fee concessions allowed by this Govt to Students of this Province.

The Govt of India have already been informed that the number of scholarships

(Y) P.17 C.F.

available is already disproportionately small with reference to the large number of qualified applicants of the Province and that therefore it is not possible to accept the suggestion. ~~This~~ The Govt may adhere to this decision. For orders.

As regards fee concessions, the only concessions are those granted under rule 92. M.E.R. These concessions are meant for poor pupils of the backward classes and the Harijan community. Further, these concessions ~~was~~ should ordinarily be restricted to those who ~~has~~ are natives of the Madras Presidency or are domiciled therein. It does not seem that these concessions can be extended to refugees.

E. & P. H. Dept.

Please see the note of the Dev. Dept. on the previous page. The policy referred to in this Dept.'s note on page 4 ante is embodied in the reply sent to the Govt. of India on p.17 of G.O.No.2468.Edn. dated 27-9-48. It is now proposed to adhere to that position and to take up the same position in regard to fee concessions. The same position has been proposed to be taken up regarding medical institutions. A suggestion was made in this department's note on page 4 ante for the sake of uniformity that in the Polytechnics also the same position may be taken. It is open to the Dev. Dept. to accept it or to propose that the existing position in the Polytechnics should be continued. This case will be ~~considered~~ circulated and ~~the~~ the orders in circulation will finally decide what the policy should be in respect of all these institutions. Dev. may see again.

The notes of the E.&P.H. above may be perused. It is not known whether any refugee students ~~[illegible]~~ are undergoing training in any of the Polytechnics now and if so, whether any Scholarships have been granted to them (already with reference to the DTE's report at 'K' p.5 C.F.) The D.T.E may first be consulted on this point and also in regard to the suggestion at 'A' above. Subject to orders a Draft Memo. is submitted for approval.

~~The letter from the DTE. on p21 cf may be perused~~

So far as scholarships in the educational institutions of this Province are concerned, the E.&P.H. Dept. have informed the Govt. of India that it is not possible to ~~make them available~~ throw open the scholarships to refugees as the number of scholarships available is already disproportionately small when compared with the large number of qualified applicants of this Province. E.&P.H. have suggested that it is desirable to adopt a uniform policy in all Govt. institutions including Polytechnics. This would mean that the existing scholarships in the Polytechnics should not be thrown open to refugees but only to students of this Province. The D.T.E who was consulted in the matter is agreeable to the above suggestion to throw open the existing scholarships in the Polytechnics only to students of this Province. This Dept. may also support the suggestion. (There is only one refugee student studying in the Central Polytechnic (Madras) and he is not getting any scholarship or stipend. There are no such students in the other Polytechnics) E.&P.H. may be requested to obtain the orders in circulation of H.M. (L.R.) also in the matter. After orders are passed, the file may be passed on to Public (Refugees).

XXX

The file deals with the question of throwing open scholarships and fee concessions tenable in educational institutions in this Province to refugee students also. The Govt. of India were informed last year that the number of scholarships available ~~is~~ was already disproportionately small with reference to the large number of qualified applicants of this Province; and that therefore it ~~is~~ would not be possible to accept the suggestion. W.r.t. the letter of the Govt. of India on p.1 c.f., it is now proposed to adhere to that position and to take up the same position in regard to fee concessions also. The same position is proposed to be taken up in regard to medical institutions, Polytechnics, Veterinary and Agricultural Colleges. The file may now be circulated to H.M.(E. & L.), H.M.(P.W.), H.M.(P.H.), H.M.(Agri.) and H.M.(Indus.) for orders whether the Govt. of India may be informed accordingly. The Hon'ble Premier also may see.
