Schools—Government and local bodies—Teachers employed as Branch Postmasters—Grant of dearness allowance—Revised instructions issued.

READ- the following paper :—

G.O. No. 385, Education, dated 22nd February 1946.

Order—No. 2476, Education, dated 28th September 1948.

In G O. No. 385, Education, dated 22nd February 1946, the Government directed that, in the case of teachers in the service of Government and of district boards employed as branch postmasters, the rate of dearness allowance from Provincial funds or District Board funds should be only the difference between the rate of dearness allowance to which they are eligible in Government or board service and that granted by the Postal Department.

2. Representations have been made to the Government that the orders in the Government Order caused hardship to a large number of teachers. The Government have reconsidered the matter and have decided that teachers employed as branch postmasters shall be granted with effect from 1st September 1948 dearness allowance at the maximum rates admissible to them in Government or District Board service without taking into account the dearness allowance granted to them by the Postal Department. The orders in the Government Order referred to above are hereby cancelled as from 1st September 1948.

3. The Director of Public Instruction should, however, ensure that the work as branch postmasters does not adversely affect the work of these teachers in schools. Where post-office work interferes with school work, Inspecting Officers should arrange to adjust school hours and post-office work in consultation with the Postal authorities and where such arrangement is not possible, teachers should not be permitted to take up post-office work.

4. The Director is requested to issue general instructions in the matter.

----

The Post Master - General, Madras says that the "Undersigned is unable to accede to his request as this department cannot interfere with the decision arrived at by the Local Government." on my representation dated 7th July,46. The G.O. in question greatly affects only the teachers employed in the service of the local Boards as Extra Departmental Branch Postmasters or Branch Post Masters as it is being interpreted and applied by the authorities concerned. But the said G.O. is not clear about the Extra Departmental Branch Post Masters but it says only about the Teachers employed as Branch Post Masters for there is no mention specifically about the Extra Departmental Branch Post Masters in the local board's service.

The G.O applies to both

Here I beg to submit that in these days of abnormally high rates of food stuffs and essential articles and when the government is affording relief by ways of additional allowances and increase in salaries it works as a great hardship if such an injustice is done to the poor teachers in the employ of the District Boards by recovering the amounts of allowances already paid with a retrospective effect from 1st March, 1946, and stopping further payments of such allowances.

In the circumstances I pray that the government will be greatly pleased to re-consider the orders already passed and sanction the continuation of the allowance from 1st March, 1946 thus cancelling the previous order instructing the local bodies to recover the amounts in excess.

I beg to remain,

Order:No.385, Education, dated 22nd February 1946.

The question has been raised whether teachers in the service of the Government and of the district boards who are employed as branch postmasters and who are in receipt of dearness allowance from the Postal Department should be paid dearness allowance at the full rates admissible to them as teachers from Provincial funds or from Local board funds. The Government direct that such teachers should be paid only the difference between the rates of dearness allowance admissible to them in Government or board service and those granted by the Postal Department. These orders will take effect from 1st March 1946, i.e., dearness allowance payable in April and any excess payment made prior to 1st April 1946, need not be recovered.

And the Circular Endt. R.O.C.No. 6928/E1./46 dated 28-June -46 of the District Board President, Coimbatore, communicating the above G.O.

In respect of the above G.O. and the Circular of the Distric Board, Coimbatore, I beg to submit that the said G.O. does no apply to me as I am only an Extra Departmental Branch Posta Master appointed on an allowance of Rs.7/- per month. but not a regular Branch Post Master receiving the full benefits of the Department. The G.O. refers only to only BRANCH POST MASTERS, and not to Extra Departmental Branch Post Masters.

Out of the allowance of Rs.7/- paid to me every month, I hav to meet the following expenses: House rent, stationery -twine, ink, pen, copying pencil, sealing wax, oil for light used for sealing bags, match boxes, carbon papers, gum, etc. And this allowance has been recently increased to Rs.12/- by an increment of Rs.5/- p.m. in consideration of the fact that the prices of the stationeries and the house rent have enormously incread. Therefore I do not receive any monthly pay as is being paid to other servants in the employ of the Postal and Telegraph Departments to whom Dearness allowance on a very high rate is being paid.

Page 2.

Therefore the question of recovery of the excess of Dearness allowance paid does not arise in my case as also in similar cases numbering about FIVE HUNDRED in the Postal Department.

The Government may kindly be addressed in the matter and the District Board authorities, including Coimbatore, may also be advised not to apply the said G.O. pending final orders and disposal of this appeal.

No.AP/MS.181, dated Madras the 30th November 1946.

Sub: Dearness allowance to teachers in the service of Govt. & Local Boards employed as extra departmental branch postmasters in the P&T Deptt.

Sir,

In the Government of Madras, Education and Public Health Department, G.O. No.385, Education, dated the 22.2.1946, instructions were issued that teachers employed by the P&T Department as extra departmental branch postmasters should be allowed to draw as dearness allowance only the difference between the rates of such allowance admissible to them in Government or Board Service and those granted by the P&T Department, and those instructions were accordingly implemented by the District authorities concerned. In consequence thereof, several of the extra departmental branch postmasters whose dearness allowance has been cut have represented to this Department the hardship to which they are subjected on this account and have therefore requested that the allowance granted to them by this department may be given to them in some other form to compensate them for the reduction in their emoluments.

2. Originally, when the Government of India sanctioned the dearness allowance during 1943 to the employees in the P&T Department including extra departmental branch postmasters (in whose case only Rs.2/- was granted), it was held that such an allowance should not be made admissible to those who received dearness allowance from other sources, e.g. Provincial Government, Local Boards, etc. This restriction was however subsequently relaxed in January '44 when the allowance was increased to Rs. 2/8/- per mensem. The rates of dearness allowance granted to the P&T employees underwent revision from time to time and in keeping with such revision the dearness allowance to the extra departmental branch postmasters was increased to the present rate of Rs.8/- per mensem.

3. a. The original condition imposed by the Government of India, that extra departmental Branch postmasters, already in receipt of dearness allowance from other sources, should not be eligible to draw the allowance from this department were relaxed for the reason that those officials render service to this Department as well, and that the allowance should not in fairness, be denied to them (extra departmental branch postmasters) especially having regard to the small allowance they drawn for the service rendered to this Department. The allowance paid to the extra departmental branch postmasters ranges from Rs.6/- to Rs.20/- per mensem. Out of this allowance they have got to meet the rent for accommodating the branch post office and other miscellaneous expenses towards cost of stationery such as ink, pen, pencil, twine, sealing wax, oil for light, carbon paper and other such materials for the running of the office. In the circumstances, I request you to be pleased to remove the restriction imposed in the Government of Madras G.O. referred to in para 1 supra and permit the extra departmental branch postmasters who are employees of the Government or Local Boards to draw the allowance sanctioned

by this

by this Department, in addition to the rate of dearness allowance granted to them by the Provincial Government or Local Boards.

4. The Director General, Posts and Telegraphs has also desired that you should be approached with a view to see if the grievance of the affected extra departmental branch postmasters could not be removed and to communicate to him your decision. I, therefore, request the favour of an early reply in the matter.

5. I shall also be obliged if you will kindly communicate to me the rates of Dearness Allowance paid to such employees.

I have the honour to be,

For Post Master General.

D.O. copy of Memo No.15-65/42 dated 10.1.44 for Director General Posts and Telegraphs.

Re.:-Grant of Dearness allowance to E.D.B.P.M.S.

A

The Governor General in council is pleased to decide that with effect from 1.1.44 Extra departmental Branch Post Masters should be permitted to draw dearness allowance also irrespective of any such allowance drawn from any other source.

/True copy/

We beg to state that this decision of the Governor General in Council clearly shows that extra departmental branch post masters should receive their dearness allowance both from the postal department and ~~four~~ from other departments also if they are working under any other department. Generally almost all the extra departmental branch post masters are the servants of other departments al

That is why karnams, Munsiffs, and some others who were working as branch post Masters were receiving their dearness allowance in full from both the departments.

But only the Educational authorities of the Madras Presidency ordered the paying authorities to pay only the difference of the dearness allowance to those who are teachers, either under the local boards or under the aided Managements. This injustice was done only to the poor ~~infant~~ innocent unfortunate teachers. So we beg to state that no weight to the decision of the Governor General in Council, a copy of which was stated above, was given as it in no way benefitted us. Though the generous department of Postal Telegraphs kindly viewed our practical difficulties and heavy work and were paying us dearness allowance, The educational authorities ~~stood in our way as a cut through and~~ were deducting the amount paid to us by the postal department towards dearness allowance and were paying us only the difference. In spite of several petitions to the educational authorities in the matter, we got a negative reply and our case was not properly judged.

So, in this connection, we beg to state that it is not unnecessary to mention, that, what all the postal department gives us is only an allowance which is only Rs 6/- or Rs 7/- per month to meet the contingent charges as kerosene oil, thread, seal, paper, and house rent and it is not at all considered as a pay. That is why we are called extra departmental branch post masters. And now the dearness allowance was being paid as the charges of such contingencies have awfully increased.

So, we pray the generous Government to kindly consider the decission of the Governor General in Council and see that our dearness allowance is paid in full from the Educational authorities with retrospective effect, by directing the Director of Public

Instruction to modify his proceedings which if not done, we feel highly difficult to work as ~~have to resign our posts as~~ Branch Post Masters ~~as we can no longer work~~ with a pertty allowance in these hard days.

We beg to remain,

To the Secretary, E.&.P.H.

Please see herewith a representation from the Branch Postmasters who are also teachers.

Portion marked A in the representation -- I do not think, in view of this order, we should reduce the dearness allowance that we are giving to these poor people simply because they do a little extra work and earn a little more. I think the file in question is under circulation. I will be glad to know at what stage the matter is.

Note for the Standing Finance Committee of the Cabinet:

Sub: Grant of dearness allowances at full rates to teachers working as extra departmental branch postmasters.

-- . --

The system of utilising teachers as extra departmental branch postmasters has been in vogue for a very long time past. There are at present about 500 teachers working in this capacity in th province. The teachers are employed in Ele. Schools under differen managements, Govt., local bodies and private agencies. For doing duty as postmasters ~~teachers~~ they receive the following remuneration from th Postal Dept. (1) An allowance ranging from Rs. 6/- to Rs. 20/- per mensem for meeting rents ~~of~~ for the branch postoffices and costs of st tionery. (2) Dearness allowance at a fixed rate of Rs.8/-per mens

2. In 1945, ~~the~~ the question was raised whether teachers working as extra departmental postmasters, who are in receipt of dearness allowance at Govt. rates should be permitted to draw the allowance in full from the management or whether the allowance should be reduced by the amount of dearness allowance paid by the Postal Dept. After examination of the question, it was ordered that teachers should not get d.a. from two sources and that the d.a. received from the Postal Dept. should be taken into account in determining the allowance paid by the managements and orders were issued accordingly on 22-2-46.

3. On a representation made by a teacher working as a branc postmaster, the subject has been reopened. H.M.(Edn.) has minuted as follows:-

> " I do not think it is necessary ~~to~~ reduce the d.a. to the teacher on this account. It is open to us to permit them to act as postmasters or not. Once having permitted them to extra work, we should not otherwise interfere. Full dearness allowance may be paid to him".

The teachers are receiving dearness allowance from the managements of the schools in which they are employed, namely, local bodies and private agencies. In the case of schools u local bodies, the Govt. have undertaken to sanction a subsidy dearness allowance to the extent necessary to avoid a defici the Ele.Edn.Acct. In the the case of private schools, the cost of dearness allowance is met from Provl. funds. Accordi

26

the orders referred to above the dearness allowance for which the teachers are eligible are reduced by the amount of such allowance received by them from the Postal Dept. If these orders are cancelled, and teachers are allowed to draw dearness allowance in full from the ~~mangmt~~ managements., the addl. expenditure will be Rs.48,000/- by way of grants and subsidies, and direct payment to teachers in Govt. Schools.

p3 NF

4. The Post-Master General, Madras, also has requested that the restriction imposed in the last order referred to in para 2 above may be removed and the extra departmental branch postmasters, who are employees of Govt. or local bodies, permitted to draw the allowance sanctioned by the Postal Dept., in addition to the rate of dearness allowance granted to them by the Provl.Govt., or local bodies. In this connexion he has stated as follows:

p11 CF

" Originally, when the Government of India sanctioned the dearness allowance during 1943 to the employees in the P&T Dept. including extra departmental branch postmasters(in whose case only Rs.2/- was granted), it was held that such an allowance should not be made admissible to those who received dearness allowance from other sources, e.g. Provincial Government, Local Boards, etc. This restriction was, however, subsequently relaxed in January '44 when the allowance was increased to Rs.2/8 per mensem. The rates of dearness allowance granted to the P&T employees underwent revision from time to time and in keeping with such revision the dearness allowance to the extra departmental branch postmasters was increased to the present rate of Rs.8/- per mensem."

x x x x x x

"The original condition imposed by the Government of India ~~isxxy is~~ that extra departmental Branch postmasters, already in receipt of dearness allowance from other sources, should not be eligible to draw the allowance from this department, was ~~were~~ relaxed for the reason that those officials render service to this Department as well, and that the allowance should not in fairness, ~~esx eexiakky kaxing regard ka the smalkakk~~ be denied to them(extra departmental branch postmasters) ~~servicx rendexed ka thix~~ especially having regard to the small allowance they draw for the service rendered to this Department. The allowance paid to the extra departmental branch postmasters ranges from Rs.6/- to Rs.20/- for accommodating the branch post office and other miscellaneous expenses towards cost of stationery such as ink, pen, pencil, wine, sealing wax, oil for light, carbon paper and other such

The Director General, Posts, and Telegraphs has also desired that you should be approached with a view to see if the grievance of the affected extra departmental branch postmasters could not be removed and to communicate to him your decision."

5. The Fin.Dept. have no objection to the orders being cancelled, but they have suggested that 'New Service Procedure' should be followed in view of the cost involved. H.M.(I.L.) on behalf of H.P.M. has minuted that the proposal may be placed before the Standing Fin.Committee.

The proposal to cancel the order~~s~~ referred to in paragraph 2 above and to permit the extra departmental branch postmasters to draw d.a to which they are eligible in full irrespective of the ~~such~~ allowances they are receiving from the Postal Dept. is ~~has~~ accordingly placed before the Standing Finance Committee.

The Hon'ble Minister for Education,
Government of Madras.
MADRAS.

Sir

Sub:- Grant of dearness allowance to teachers serving in Local Board or state aid schools but who are also in the employ of the Posts and Telegraphs department as extra departmental branch postmasters.

I have the honour to forward herewith a memorial addressed to you and submitted by 21 Extra departmental branch postmasters attached to the Cocanada Postal Sub-division (Madras Circle), in regard to the policy adopted by the departments of Education, Government of Madras in the matter of granting dearness allowance to them for favour of kind and sympathetic consideration.

The memorialists who are part time employees of the P & T department are members of the Cocanada branch of my union and are employed as teachers in Local Board and State aided schools.

These branch post masters render extremely useful service to the public and the department. They play a great part in extending postal facilities to the remotest corners and villages in the country . They shoulder heavy responsibilities , monetary and otherwise and perform almost all kinds of duties like departmental employees. The department

33 (21)

permits them to adjust the working hours of the branch offices to suit their primary avocation and generally no extra departmental branch postmaster puts in less than 4 hours of duty a day. With the result that a school master (who is an E.D. Branch Postmaster) for example, has to be on duty from an early hour in the morning till a late hour in the evening.

A

The Branch postmasters are governed by the Government servants' conduct rules and are paid only a nominal allowance of Rs.6/- to Rs.7/- per mensem to maintain the branch office and to meet the expenditure on stationery and contingent charges like kerosene oil, thread, jute, sealing wax etc.

Time was when the village gentry considered the post of a Branch postmaster as a covetous honour. The department exploited this finer feeling and as the Branch Postmaster holds a post of trust and responsibility, the administration appointed only those persons who had some other resources fo livelihood, to these posts.

With the rise in cost of living as a consequence the war, the "other means of livelihood " did not yield enough income to the Branch postmasters to make both ends meet, and my union as also the Federation of posts and Telegraphs unions represented to the P & T administration in to the grant of dearness allowance to the extra departmen staff in general. In January 1944 the Governor-General in council was pleased to decide that E.D. Branch postmasters also should be permitted to draw dearness allowance, irrespective of any such allowance drawn from any other

There are about 4000 Branch Post offices in Mad circle of which nearly 900 are manned by school masters. the rest of the E.D. Branch postmasters who are not scho masters are eligible to draw the full rates of dearness allowance sanctioned by the P & T Department as well as any other institutions in which they are employed, the master-Branch Postmasters are permitted to draw as dearness allowance from the Local Boards or State Aided manag only the difference between the rates sanctioned by the Government of Madras and the Posts and Telegraphs Department

That is to say, whatever the relief the Central Government may grant to the E.D. staff the school master~~s,~~ E.D. Branch postmasters shall be eligible to draw only the rates fixed by the Government of Madras.

The Governor-general-in-council was pleased to permit the E.D. Branch postmasters to draw the departmental rates applicable to them irrespective of any allowance they may draw from any other sources, but the orders issued by the Government of Madras in effect, contradicts the intentions of the Government of India, so far as school masters are concerned.

The E.D. Branch postmasters draw pay and dearness allowance from the Central Government for performance of duties allotted to them by the P & T department. And such duties are performed by the school master-E.D. Branch post masters in particular, outside the normal working hours of the institutions in which they serve. From the stand-point of those institutions, the school master-E.D.Branch ~~postmast~~ pos masters earn additional income by performance of over time duties in the service of the Central Government with the knowledge and permission of those institutions. Emoluments either as substantive pay or compensatory allowances for the school masters must necessarily be fixed in relation to the services rendered by them as school masters to those insti-
tutions. Curtailment of their dearness allowance or relat-
ing it to their other sources of income earned by virtue of the performance of overtime duties in some other services is palpably unfair and it does not accord with the spirit of the orders of the Government of India (on the subject) referred to above.

My union therefore appeals to you to sympatheticall consider the submission of the memorialists in the light of the facts of the case now brought to your notice and cause revision of the existing orders of the Government of Madras in the matter.

The difference in the rates of dearness allowance is Rs.8/- only. As there are only about 900 school master E.D. Branch postmasters serving in this circle, the net additional cost to the Local Government will be Rs.43,200/- only per annum, the balance of Rs.43,200/- being borne by the Local boards and other institutions.

My union trusts that this question will receive your very early consideration.

Thanking you,

I have the honour to be,
Sir,
Your most obedient Servant,

K Ramamurti
General Secretary.

The humble petition of Branch Post Masters, under Cocanada Sub Division, who are also teachers of elementary schools.

Most Honoured sir,

We beg to give herein a true copy of the proceedings of Director General of Post Offices, for your kind perusal.

D.O. copy of Memo No.15-65/42 dated 10.1.44 for Director General Posts and Telegraphs.

Re.:-Grant of Dearness allowance to E.D.B.P.M.S.

The Governor General in council is pleased to decide that with effect from 1.1.44 Extra departmental Branch Post Masters should be permitted to draw dearness allowance also irrespective of any such allowance drawn from any other source.

/True copy/

We beg to state that this decision of the Governor General in Council clearly shows that extra departmental branch post masters should receive their dearness allowance both from the postal department and ~~[illegible]~~ from other departments also if they are working under any other department. Generally almost all the extra departmental branch post masters are the servants of other departments also.

40

~~2.~~

That is why karnams, Munsiffs, and some others who were working as branch post Masters were receiving their dearness allowance in full from both the departments.

But only the Educational authorities of the Madras Presidency ordered the paying authorities to pay only the difference of the dearness allowance to those who are teachers, either under the local boards or under the aided Managements. This injustice was done only to the poor ~~infant~~ innocent unfortunate teachers. So we beg to state that no weight to the decision of the Governor General in Council, a copy of which was stated above, was given as it in no way benefitted us. Though the generous department of Postal Telegraphs kindly viewed our practical difficulties and heavy work and were paying us dearness allowance, the educational authorities ~~[illegible] on any as a cut through [illegible]~~ were deducting the amount paid to us by the postal department towards dearness allowance and were paying us only the differance. In spite of several petitions to the educational authorities in the matter, we got a negative reply and our case was not properly judged.

So, in this connection, we beg to state that it is not unnecessary to mention, that, what all the postal department gives us is only an allowance which is only Rs 6/- or Rs 7/- per month to meet the contingent charges as kerosene oil, thread, seal, paper, and house rent and it is not at all considered as a pay. That is why we are called extra departmental branch post masters. And now the dearness allowance was being paid as the charges of such contingencies have awfully increased.

So, we pray the generous Government to kindly consider the decision of the Governor General in Council and see that our dearness allowance is paid in full from the Educational authorities with retrospective effect, by directing the Director of Public

JOINT SECRETARY TO GOVERNMENT
17 SEP 1947
EDUCATION AND PUBLIC HEALTH DEPARTMENT

ASST. SECRETARY TO GOVERNMENT
A 9 SEP 1947
EDUCATION AND PUBLIC HEALTH

To

The Honourable Minister for Education,
Government of Madras.

Through: The Special Officer,
District Board, Guntur
&
Director of Public Instruction,
Madras.

THE HUMBLE REPRESENTATION OF THE SECRETARY, BAPATLA TALUK BOARD ELEMENTARY SCHOOL TEACHERS' UNION, NIDUBROLE POST, GUNTUR DISTRICT.

Sir,

Sub: Allowance--Dearness allowance--to the Branch Postmasters--also out in dearness allowance--where wife and husband are both teachers.

74623

I beg to bring these few facts for your honour's kind consideration on behalf of the Elementary School Teachers' Union, Bapatla. There are only 900 school teachers working in this province as extra-departmental postal employees connected with Central Government. These offices of the branch-Postmasters do not carry any salary with them, but are honorary post. The holders of these offices are only paid an honorarium of Rs. 6/- per month for contingent charges. As such the allowance paid by the Central Government is not dearness allowance proper. But Sir, the Government of Madras have ordered that the Dearness allowance to these teachers as teachers, may be cut by the allowance granted to them as Branch Post masters, Sir, These orders have greatly discouraged to these teachers ~~and~~ and subjected to greater financial stress. Sir, the duties of the post offices are discharged outside the hours of duty as the teachers. So it is only an additional duty and not in derogation of the responsibilities of the school teacher. Therefore, Sir, the Provincial Government taking a part of their salaries on the ground that the Central Government pays them an allowance a contingent allowance for their due discharge of an honorary post seems to be unjust and places

---2---

these teachers in a worse position than the fellow-teachers in the education Department. Therefore Sir, we request your honour to consider the matter sympathetically and redress - this our grievances.

2. Sir, the following complaint of many poor teachers deserves a favourable consideration. Now the Government have ordered that the D.A. should not be given to the female teachers whose husbands are also teachers. Sir, the Government have recognised that the teachers in this province are poorly paid and the - non-payment of the D.A. to female teachers is greatly distressing to them. The female teachers, as they have to discharge their teaching duties throughout the day they are not in a position to attend to their domestic services and hence the husbands are put to extra expenses in engaging servants etc. The present scales of pay are already distressing enough and this non-payment order of D.A. to female teachers whose - husbands are also teachers is an additional distressing - factor which may ultimately lead to many of the teachers - quitting their jobs thereby causing the Government to appoint new and inexperienced teachers in their posts. These teachers also are to be paid with D.A. The Government in that case have to pay the D.A. to the newly appointed teachers and there is no good reason why these female teachers who work as much as others should be denied their right to this D.A. as others. Sir, we request that this just demand of so many women teachers may be favourably considered, by ordering payment of D.A. to them with retrospective effect from the date of stopping the same.

I beg to remain,
Sir,

With reference to Government Memo. quoted above, I have the honour to submit the following remarks in the matter.

There are as many as 674 Teachers who are employed as Branch post Masters and from the particulars received from the Inspecting Officers, I find that the working hours of the schools in a very large number of cases vary from one school to another, with reference to the local conditions, and there is no uniformity. The period during which postal work is done by the Teachers also varies from school to school. It ranges from one hour to four and a half hours and is general timed as not to interfere with the school work. I enclose herewith a copy of the letter No.AP/MS 181, dated 17-6-47 of the Post Master-General, Madras, who was also consulted in the matter. He reports that the hours of duty as Post Master do not interfere with the Teachers' school work. I am also of the opinion that the Part time work as Branch Post Master does not interfere with the legitimate duties of teachers and I recommend that the present practice may be allowed to continue.

Sub: Grant of dearness allowance at full rates to teachers working as extra departmental branch postmasters.

**

THE system of utilising teachers as extra departmental branch postmasters has been in vogue for a very long time past. There are at present ~~about 500~~ 674 teachers working in this capacity in this Province. The teachers are employed in Elementary Schools under different managements, Government local bodies and private agencies. For doing duty as postmasters ~~XXXX~~ they receive the following remuneration from the ~~XXXX~~ Postal Department.

(1) An allowance ranging from Rs 6/- to Rs 20/- per mensem for meeting rent for the branch postoffices and cost of stationery.

(2) Dearness allowance at a fixed rate of Rs 8/- per mensem.

2. In 1945 the question was raised whether teachers working as extra departmental postmasters, who are in receipt of dearness allowance at Government rates should be permitted to draw the allowance in full from the managements or whether the allowance should be reduced by the amount of dearness allowance paid by the Postal Department. After examination of the question, it was ordered that teachers should not get dearness allowance from two sources and that the dearness allowance received from the Postal Department should be taken into account in determining the allowance paid by the managements and orders were issued accordingly on 22-2-46.

3. On a representation made by a teacher working as a branch Postmaster, the subject has been reopened. Hon'ble the Minister for Education has minuted as follows:-

"I do not think it is necessary to reduce the dearness allowance to the teacher on this account. It is open to us to permit them to act as postmasters or not. Once having permitted them to extra work, we should not otherwise interfere. Full dearness allowance may be paid to him"

The teachers are receiving dearness allowance from the managements of the schools in which they are employed, namely, Government local bodies and private agencies. In the case of schools under local bodies, the Government have undertaken to sanction a subsidy for dearness allowance to the extent necessary to avoid a deficit in the Elementary Education Account. In ~~the,~~ the case of private schools, the entire cost of dearness allowance is met from Provincial funds. According to the orders referred to above, the dearness allowance for which the teachers are eligible are reduced by the amount of such allowance received by them from the Postal Department. If these orders are cancelled, and teachers are allowed to draw dearness allowance in full from the managements, the additional expenditure will be Rs ~~48,000/-~~ 15000 by way of grants and subsidies, and direct payment to teachers in Government schools.

4. The Post-Master General, Madras also has requested that the restriction imposed in the Govt. Order referred to in para graph 2 above and the extra departmental branch postmasters, who are employees of Government or local bodies, permitted to draw the allowance sanctioned by the Postal Department in addition to the rate of dearness allowance granted to them by the Provincial Government or local bodies. In this connection he has stated as follows:

P.T.O.

In this connection he has stated as follows:

"Originally, when the Government of India sanctioned the dearness allowance during 1943 to the employees in the P &T Deptt including extra departmental branch postmasters (in whose case only Rs 2/- was granted) it was held that such an allowance should not be made admissible to those who received dearness allowance from other sources, e.g. Provincial Government, Local Boards, etc. This restriction was, however, subsequently relaxed in January 1944 when the allowance was increased to Rs 2/8 per mensem. The rates of dearness allowance granted to the P&T employees underwent revision from time to time and in keeping with such revision the dearness allowance to the extra departmental branch postmasters was increased to the present rate of Rs 8/ per mensem.

** ** **

"The original condition imposed by the Government of India that extra departmental Branch postmasters, already in receipt of dearness allowance from other sources, should not be eligible to draw the allowance from this department was relaxed for the reason that those officials render service to this Department as well, and the allowance should not in fairness, be denied to them (extra departmental branch postmasters) especially having regard to the small allowance they draw for the service rendered to this Department. The allowance paid to the extra departmental branch postmasters ranges from Rs 6/- to Rs 20/- for accommodating the branch post office and other miscellaneous expenses towards the cost of stationery such as ink, pen, pencil, twine, sealing wax, oil for light, carbon paper and other such materials for the running of the office.

** ** **

The Director-General, Posts, and Telegraphs has also desired that you should be approached with a view to see if the grievance of the affected extra departmental branch post-masters could not be removed and to communicate to him ~~xxx~~ your decision."

** ** **

5. The Finance Department have no objection to the orders being cancelled, but they have suggested that 'New Service' procedure should be followed in view of the cost involved. H.M.(I.L) on behalf of H.P.M. has minuted that the proposal may be placed before the Standing Finance Committee.

The proposal to cancel the orders referred to in paragraph 2 above and to permit the extra departmental branch postmasters to draw dearness allowance to which they are eligible in full irrespective of the allowance they are receiving from the Postal Department ~~is~~ was ~~accordingly~~ placed before the Standing Finance Committee.

p6 NF

The Standing Finance Committee agreed to the proposal, but desired that the Education Department should examine afresh in each case whether the additional work of the teacher as Postmaster encroaches on his teaching hours and whether the additional work is to the detriment of the school children's education. The system of utilizing teachers as branch postmasters has been in vogue for a long time past and ~~that~~ no complaint has so far been received to the effect that the work has been detrimental to the interests of childrens ~~E~~ education. However the Special Officers of District Boards and Inspecting Officers of the department may be advised to ensure that teachers attend to the duties entrusted to them by the P.& T. departments without ~~sacrificing~~ detriment to their regular school work.

The proposal as agreed to by the Standing Finance Committee may be placed

I have the honour to resubmit herewith the lists of Branch Post Offices furnished by the Postal Authorities and received back from the Divisional Inspectors of Schools, Madura, Coimbatore and Godavari Divisions to whom they were sent for reference and return. Similar list in respect of Post Offices in Anantapur Division has not yet been received from the Divisional Inspector of Schools, Anantapur Division and will be submitted on its receipt from him. In addition, I am also submitting separate lists of Post Offices where the hours of work of the post office and the school are the same and where the school work may be affected adversely and when they are not affected adversely. It may be seen from the lists so far received ~~that the number of cases where there is likely to be some interference is not large and in all such cases the nature of work is generally~~ that the number of cases where there is likely to be some interference is not large and in all such cases the nature of work is generally such that it is not detriment to the school work, where the Inspecting Officers will be requested to see that the working hours of the post office and the school are ~~xxxxx~~ slightly adjusted in consultation with the Postal Department. In cases where such a course is also found not possible the Inspecting Officers will be asked to direct the teacher concerned to give up the work as Branch Post Masters, Subject to the above, the existing practice may be allowed to continue in view of the very large number of cases where there is no interference with the school work. The practice has not given rise to any complaint all these years.

Read again:- G.O.No.385, Edn., dated 22--2--1946.

ORDER (PRESS) No. 2476 EDN., DATED 28.9.48

In G.O.No.385, Edn., dated 22--2--1946, the Govt. directed that, in the case of teachers in the service of Govt. and of district boards employed as branch postmasters, the rate of dearness allowance from Provincial funds or district board funds should be only the difference between the rate of dearness allowance to which they are eligible in Govt. or board service and that granted by the Postal Department.

2. Representations have been made to the Govt. that the orders in the G.O. caused hardship to a large number of teachers. The Govt. have reconsidered the matter and have decided that teachers employed as branch postmasters shall be granted with effect from 1.9.48 dearness allowance at the maximum rates admissible to them in Govt. or district board service without taking into account the d.a. granted to them by the Postal Department. The orders in the G.O. referred to above are hereby cancelled as from 1-9-48.

3. The D.P.I. should, however, ensure that the work as branch postmasters does not adversely affect the work of these teachers in schools. Where post-office work interferes with school work, Inspecting Officers should arrange to adjust school hours and Post-Office work in consultation with the Postal authorities and where such an arrangement is not possible, teachers should not be permitted to take up post-office work.

The Director is requested to issue general instructions in the matter.

The original of G.O.No.385 Edn.,d.22.2.46, is put up at (U). The system of~~m~~ utilising teachers in elementary schools for doing the duties of postmasters in rural parts has been in vogue for a long time. These teachers were receive pay ranging from Rs. 6 to Rs. 20 from the Postal department and also a dearness allowance at a uniform rate of Rs. three a month from that department. These teachers ~~were also~~ are also drawing dearness allowance at Govt. rates from the management of the schools in which they are working. In the case of schools under local bodies the Govt. have undertaken to sanction a subsidy for dearness allowance to the extent necessary to avoid the deficit in the ely. edn. fund account. In the case of private schools the entire cost of dearness allowance is met from provincial funds.

2. The question was raised whether account should be taken of the dearness allowance paid by the Postal department in determining the allowance payable by the managements of schools so as to ensure that the total allowance drawn by the teachers from the managements and from the postal department does not exceed the Govt. rate~~s~~. The D.P.I. issued instructions in the case of teachers in aided elementary schools working as postmasters. The G.O. at (U) covers the case of such teachers employed under local bodies.

recommended that the dearness allowance paid by the managements shd be reduced correspondingly

In G.O. no. 385 Edn / 22.2.46. the Govt ordered that the teachers in Govt or Dt. Board service employed as branch post masters ~~in~~ remote localities should be paid only the difference between the rates of Dearness allowance admissible to them in Govt or Dt. Board service & ~~those~~ that granted by the Postal Deptt.

The present proposal of E & P.H. is that dearness allowance at full rates should ~~may~~ be given to these teachers instead of the difference. That is the teacher cum branch post master will be getting D. A. by Rs 3/= more than what is given to his collegue & this will necessarily create an anamolous position; as while the teacher cum branch post master is paid extra remuneration ranging from Rs 6 to 20/= for the work he turns out, this need not entitle him to extra D. A. also. Moreover as the financial implication of the case is not known, it is for consideration whether the proposal may be accepted at this stage. However if E & P.H desire to grant D.A. at full rates, then this may be circulated to H.P.M. also as the case has already been circulated to H.M. for Education - vide portion marked "A" at page 1 ante. There are 500 teachers employed as extra departmental branch post masters by the P & T Dept. The P.M.G has stated that the present rate of dearness allowance payable to these men by the P & T deptt is Rs 8/= p.m. Hence the total amount of addl. dearness allowance payable during a year works out Rs [illegible]

As already stated these teachers receive ~~an~~ ~~allowance~~ pay ranging from Rs 6 to 20/= ~~in addition~~, out of which, they should ~~be~~ meet the expenditure on a/c of rent for housing the post office, stationery & such other articles for running ~~[illegible]~~. ~~These~~ teachers do not therefore ~~get anything substantial~~ [illegible] for their services in the P & T Dept. The system of utilising teachers as branch postmasters has been in vogue for a very long time. It may therefore be presumed that the duties performed by the teachers as postmasters do not clash with the regular school work. Generally teachers are employed as Branch postmasters in rural parts in ~~set~~ remote corners of the districts. In these areas, ~~the~~ children attend ~~the~~ Elementary schools in the mornings and in the evenings ~~sessions~~ and there may be an interval of two hours in the middle. Teachers, presumably attend to the post office work during these intervals. H.P.M desires to have a list of school ~~tea~~ masters acting as post masters. From the Public Instruction report, it will be seen that only less than 500 teachers are working as Branch post masters. and these ~~postmasters~~ teachers will be scattered throughout the Presidency. It does not appear that H P M intends that information as to the names of the villages in which these teachers work, should be collected as also the duration of the school sessions ~~in each school~~ in these areas. It seems ~~necessary~~ sufficient if ~~the~~ information as indicated in the draft memo is called for. For orders

before the morning session of the school or after the evening session.

A draft memo is submitted for approval.

It is also for consideration whether the proposal in the file may be placed before the Cabinet without waiting for a reply to the refce or whether the ~~matter~~ sh. lie over pending the Director's reply.

The orders of H.P.M. are that if the work of the post office runs into school hours, no permission should be granted to the teacher to be also the post master. The information as to whether the work of the post master happens to be during school hours is only asked for. As far as I see, sanction has been given by the Cabinet to give this dearness allowance to teachers who are acting as postmasters outside the school hours. I think that is the intention of H.P.M. H.P.M. may see.

The proposal is to be placed before the Cabinet

With regard to the grant of dearness allowance at full rates to teachers working as extra-departmental branch post-masters, the following decision has been taken by the Cabinet:

"It was decided that dearness allowance may be given if on enquiry from the postal authorities it is found to the satisfaction of H.M. Education that the post office working is done outside school hours. If the work interferes with the school hours, teachers should not be allowed to continue as branch post-masters."

The file showing teachers working as extra-departmental branch post-masters may be put up. A list of these post-mast~~ers~~ offices may be drawn and sent to the Postal Department and they may be asked to specify the time at which the post is being received and distributed in those post offices.

It is now nearly 6 months since the D.P.I was asked to furnish particulars w.r.t the orders of HM on the previous page. The D.P.I has reported that full & complete particulars have not been received from the Dist Inspectors & as such he ~~could~~ cannot ~~not~~ send a consolidated reply. W.r.t the orders at p.14 ante, it appears the case of each ~~postmaster~~ teacher is to be examined individually as to whether or not he should be permitted to draw dearness allowance from both the central & provincial govt. Submitted that there may be a large number of cases to be examined & that in view of the delay that has occurred so far it seems desirable to ask the D.P.I to send those cases for which he has recd particulars already without waiting for a consolidated report. If the proposal is agreed to, the D.P.I will be asked to send ~~his~~ the particulars as & when they are available so that ~~orders~~ (~~may~~ be passed thereon ~~may be~~ then & there. For orders. It does not, however, seem desirable to issue orders piecemeal. A general order covering all cases seems necessary. The Postal deptt has been reminding us.

The D.P.I. has reported that in a large number of cases the Post office work does not affect adversely the work of the teachers in schools and he has suggested that in the few cases where the school work is adversely affected, discretion may be given to the Inspecting officers to adjust the school hours and Post office work in consultation with the postal authorities. Where even this is not possible, permission to teachers to take up the Post-office work may be refused. The P.M.G. has again reminded the Govt. for very early orders in the matter as it has been pending for a long time. In view of the orders of H.M. above, it seems desirable to accept the suggestion of the D.P.I. and to issue orders accordingly.

To
The Superintendent of
Posts & Telegraphs
Nellore (w)

Sir,

I have Sent a T.M.O from Cuddapah to Bezwada at 10.45 Am on 8.x.42. I have paid Rs 1-9d-0 for the Same. The T.Mo was not delivered to the addressee, as it was wrongly addressed (Ramarao for Ramanarao) by the concerned officers of the Telegraph department. The addressee was put to much inconveniance for the non receipt of money. The M.o was returned to me on 17.10.42. The No of the T.Mo is 87 7319. D/ 8.10.42. I have enclosed herewith a copy of the form presented by me at Cuddapah Telegraph office on 8.10.42.

I request you to kindly enquire & do the needful.

about the arrival of the V.P article which was taken delivery of by the G.l manager on the 18-9-42

3. A reply on the above lines has already been given to the complainant and the attention of the S.P.M. Kovur NL has been drawn to note 2 to Rule 133(6) of P&T Man Vol VI and the instructions contained in PMG's circular No 24 of 1-3-1939. No doubt the S.P.M. is in the wrong in demanding a fresh letter of authority, but the motive behind the act cannot be misconstrued since the complainant was sending different messengers at different times. The complainant could very well have given a fresh letter of instruction as promised by his agent on the 7-9-42. Suitable notice of the conduct of the S.P.M has, however, been taken.

Sir,

Sub: Dearness allowance - Teachers employed as Branch Postmasters -

Ref: Your Pros: R.C.193-E2/48 dated 6-4-1948.

@@@@

In continuation of my letter R.C.No.1710-E1/48 dated 29-7-1948, I beg to submit that there is no post office by name 'Kadake'. Presumably the name is a mistake for 'Kadaba', the Postmaster of which is a teacher. The particulars of this and the Kulshekar Post Offices are furnished in the enclosed supplemental lists of Post Offices. The lists include two more Post Offices viz. 'Subramania' and 'Guruvainkere', which are not found in the original list. But as the Postmasters are teachers,, their names are also included in the list.

For DISTRICT EDUCATIONAL OFFICER,
SOUTH KANARA.

Sir,

Rc193E2/48

4 JUN 1948

R.C.No. 243-C/48 dated 30-5-48.

Ref:--Your R.O.C.No. 193-E2/48 dated 6-4-48.

Sub:--Elementary Education - Aided schools - Grant of Dearness allowance to teachers employed as extra departmental Postmasters.

....

In the list furnished in your above reference there is only one aided elementary school, viz., Jambunathapuram wherein the single teacher was working as extra Departmental Postmaster and it is reported that he has since been relieved of his duties as Postmasters.

There are two other aided elementary schools, viz., at Jayankondam and Thondamandurai which are not included in the list given with your above reference and wherein the teachersmanagers are working as extra-departmental postmasters. It is reported that his extra work is detrimental to his normal duties in the case of No. 1 aided elementary school, Jayankondam.

Others are District Board schools. I submit hereunder two separate statements showing cases of non-interference and cases of interference with postal and school work.

I. Names of schools in which postal work clashes with school work.

	Post Office hours.	School hours.
1. Zamin Athur Board.	14.30--15.00	9-11-30 and 2--4.30

C No. 27404. From the Inspector of Municipal Councils and Local Boards Roc No. 50793/47 E4 d/ 14.4.48.

Subj: Panchayat Board teachers employed as Extra departmental Post master - payment of dearness allowance

---

The Inspector has reported that there are twelve panchayat board teachers who work as branch postmasters and that the dearness allowance paid to them by the postal dept has not been taken into account while sanctioning dearness allowance from Provincial funds.

In the case of teachers under Govt and Local bodies, who work as branch postmaster ~~of the~~ the Govt have directed in G.O 385 Edn d/22.2.46 that such teachers should be paid only the difference between the rates of dearness allowance admissible to them in Govt or Board service and those granted by the postal dept.

c.ps. on pp 9 - 10 CF.

B On the analogy of the orders referred to above it appears necessary that the Inspector of Local Boards should be asked to ~~pay~~ sanction only the difference of dearness allowance to teachers under panchayat boards who work as postmasters.

C The question whether teachers who are doing the work of a postmaster should be allowed to draw dearness allowance both from the postal dept and the management is under consideration separately and the D.P.I has been asked to report as to how the postal work is carried out by the teachers without ~~hindrance~~ detriment to their normal duties as teachers. The reply from the D.P.I is awaited. ~~[illegible]~~

Linked file

In the circumstances it is for orders whether the Inspector ~~who~~ should be asked to take action as indicated at B above ~~or the question be examined after orders on~~ pending the decision to be arrived at on C above.

This may be done as suggested by the Secretary above. On the report of the D.P.I. these people also should be placed in a line with the other elementary school teachers who are doing also the postmaster's work. I think the orders on the other file were that if the work does not interfere with the work of the school, they may be allowed to draw the dearness allowance both from us and the Postal Department. In fairness to the Panchayat Board teachers, the same order may apply to them also. A
