R.G.No. 1085-E1/48 dated 10th September, 1948.

SIR,

EXAMINATION--S.S.L.C. Public Examination--
Conduct of a supplementary examination in
October 1948.

-Reference:-G.O.No. Ms. 1715-Education dated
7.7.1948.

The S.S.L.C. Public Examination to be conducted in October 1948 is intended only for failed candidates and other private candidates who are allowed to appear for the Examination and not open to pupils studying in schools. The holding of a supplementary examination in October 1948 was announced on 7.7.1948 in the G.O. referred to above. By this time all schools had reopened and failed pupils had joined schools. After it was announced that a supplementary Examination will be held in October 1948 some pupils who had already joined the schools left them with a view to appearing for the October Examination as private candidates.

2. Under rules 38 and 85 of the Madras Educational Rules, managements of schools are entitled to claim full fee for one term i.e. the term in which the attendance of pupil was marked. Now a pupil who had joined a school in June 1948 and left it early in August 1948 with a view to appearing for the October Examination as a private candidate has reported to the Director that the management of the school insisted on his paying the full long term fees before his Transfer Certificate and S.S.L.C. were given to him and requests that the management may be ordered to refund the excess fees collected from him.

3. In view of the fact that the October 1948 Examination was announced after the schools had reopened and pupils had joined the schools, I recommend that managements of schools may be permitted to refund to pupils who left schools in August 1948 with a view to appearing for the October 1948 Examination, the tuition fees paid by them for the months September to December 1948. I may point out that this situation is not going to recur next year as by now ~~early~~ every body knows about the holding of the October Examinations.

YOURS FAITHFULLY,

Whitham
