The Cochin Govt. propose to start a first grade college at Triprayar (South Malabar) from July 1948 and the college is to be managed by Sochin State Devaswom Department, and called the Sree Rama College.

The Chief Secretary to the Govt. of Cochin has raised the question for as to what kinds of grants ~~will~~ the institution will be eligible/ from the Govt. of Madras. According to the latest policy of Govt. newly opened (private) non-Govt. Arts Colleges for ~~women~~ men will not be ~~eligible~~ eligible for either building or equipment grant, but will be eligible only for teaching grants. The college now proposed to be started is to be a

State College managed by the ^{Govt of} ~~Foreign~~ Cochin, though it is to be located within the Madras Presidency under the jurisdiction of the Madras ^{University} ~~Govt.~~

The College in question ~~cannot~~ ^{should} therefore be considered as a ~~private~~ ^{private} and ~~will not be eligible for any aid from this Govt.~~ ^{and will not be eligible for any aid from this Govt.} Non-Govt. College. It should be considered as a Govt. College, though ~~except the teaching grant, Assn. of~~ ^{except the teaching grant, Assn. of} ~~colleges of the State of not a college started by this Govt. This is~~ ^{colleges of the State of not a college started by this Govt. This is} ~~not a Govt. College. It is not eligible for any aid.~~ ^{not a Govt. College. It is not eligible for any aid.}

This is the first instance of a foreign Govt. opening a college within the jurisdiction of this Govt. ~~This is not known~~ The D.P.I. states/though there is no objection from the departmental point of view to the proposal of the Cochin to open the college, yet there is no precedent of a state or foreign Govt. opening a college within the jurisdiction of the Provincial Govt, and he requests orders of Govt. regarding the policy of Govt. in cases of this kind.

It is for orders whether the case may be circulated to any (and

circulation. Public (part) may also see
