EDUCATION DEPARTMENT.

THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS

THE SECRETARY TO THE GOVERNMENT OF MADRAS,
EDUCATION AND PUBLIC HEALTH DEPARTMENT,
FORT ST. GEORGE, MADRAS.

R.O.C.No. 2065-E4/48 dated 13th September, 1948.

SIR,

MADRAS EDUCATIONAL RULES -- Appendix 5 to
Madras Educational Rules - Amendment to
Proposing for approval.

An instance has been brought to my notice wherein an ~~un~~unrecognised secondary school is reported to have been issuing printed transfer certificates to pupils who leave the school after their study. The School is called "R Town Middle School" Vellore and is reported to have been in existence for some years. The printed transfer certificate issued by the school is more or less in the form prescribed in Appendix 5 to Madras Educational Rules (Copy of the Transfer certificate of the school enclosed). I fear that the pupils producing the transfer certificates from this school, would have secured admission in other recognised schools, for the heads of institutions would have treated such certificates as issued from a recognised secondary school.

Obviously no case can be made out against the head of that institution either criminally or otherwise, for any body can run an institution and call it a school or a college. Under these circumstances, I have issued orders to my inspecting officers to instruct the heads of all secondary schools under their jurisdiction which are run by private managements (both aided and unaided) to have the words "RECOGNISED UNDER THE MADRAS EDUCATIONAL RULES" written or printed in transfer certificates to be issued by them in future. They have also been requested to instruct the heads of all secondary schools under private managements to consider transfer certificates of schools under private

managements without the words "Recognised under the Madras Educational Rules" as invalid for purposes of admission under rule 37 of Madras Educational Rules. This would be a sufficient safe-guard against the fraudulent use of the form of Transfer Certificates prescribed by the rule by the institutions of the kind referred to above. Any person or a body running an unrecognised secondary school and issuing a transfer certificate with the words "Recognised under the Madras Educational Rules" would stand charged criminally. As it is, no person or a managing body issuing Transfer certificate in printed form exactly similar to the one prescribed can be charged with any cognisable offence.

I therefore suggest that a foot note to Appx.5 to M.E.R. may be added thus:-

1. Schools under private management should have the words "Recognised under the Madras Educational Rules" printed in their transfer certificates to be issued by them.
2. Transfer certificates issued by secondary schools under private managements without the words "Recognised under the Madras Educational Rules" should not be considered valid for purposes of admission under Rule 37 M.E.R.

YOURS FAITHFULLY

Minister
