Office of the
Director of Public Instruction,
Madras, Dated 24-8-1948.

From The Director of Public Instruction, Madras.
To The Secretary to Government,
Education and Public Health Department.
Sir, Sub: Adult Education - Deputation of Secondary Grade
teachers for 6 weeks in Govt. Trg. Schools for Adult
School teachers
Ref: G.O.No.Ms.1948 Edn dated 6-8-1948.

The Government have in their order referred to above approved of my proposal that three batches of staff for Adult literacy work may be trained in each of the 6 centres sanctioned in G.O.No.846 Edn dated 9-4-48 during 1948-49. The latter G.O. allows a Secondary Grade Assistant to every headmaster of a trg. school for Adult School Teachers. Accordingly 6 Secondary Grade Teachers were chosen, given special training and posted to trg. centres. One of them was posted as Junior Deputy Inspector after the first batch of training course was over and it is not unlikely that other trained secondary grade men will also be likewise taken away. Further I find that the special training of one week given to them was quite inadequate.

Hence I suggest that two secondary grade teachers from Government service may be deputed to each of the 6 centres where the 2nd batch of the classes will be started soon. The services of these teachers may be utilised for the 3rd and possible subsequent batches wherever necessary and the training will be useful in giving instruction to students of training schools. During the period of training the secondary grade teachers deputed may be paid a stipend of Rs.22½ p.m. in addition to their pay and the usual allowance. The period of training may be treated as duty. The total cost will be Rs.1611 or Rs.1600/- as shown hereunder.

I request the Government to approve of the proposal and to pass early order so that I may arrange to depute the Secondary Grade teachers for training in the Govt. Trg. Schools for Adult School teachers that will be opened soon.

Cost:

K	Stipends for 12 teachers for 1½ months at Rs.22-8-0 p.m.	Rs. 405/-
	Pay of substitutes to be appointed in the place of 12 teachers to be deputed at Rs.45/- p.m.	Rs. 810/-
	Dearness allowance for the substitutes at Rs.22/- p.m.	Rs. 396/-
		Rs. 1611/- or 1600

The Govt. approve the proposals of the D.P.G. for to depute 12 secondary grade teachers for training in Adult Education in the six centres referred to in G.O. No. 846 Edn, dated 9-4-1948 for a period of six weeks. During the period of training, the teachers will draw ^{the} pay and allowances admissible to them in Govt. service. In addition, they may be granted a stipend of Rs 15/- a month. The period of training will be treated as duty. The Govt. consider that it is not necessary ^{of more} to grant a stipend higher than Rs 15/-.

SUB:- ADULT EDUCATION - Deputation of Secondary Grade teachers in Government Training Schools.

REF:- From the D.P.I., C.No.397-M/48, dated 24-8-48.

In G.O.No.(Ms.) 1948, Edn., dated 6--8--1948, the Govt. approved the proposal of the D.P.I. for training three batches of staff for Adult Literacy Work in each of the six centres sanctioned in G.O. No.(Ms.) 846, Edn., dated 9--4--1948 during 1948-49.

The Director has now proposed that two secondary grade teachers from Govt. service may be deputed to each of the six centres so that their services may be utilised for training further batches of staff for this work. The Director has recommended that the teachers deputed should be allowed a stipend of Rs.22½ per mensem each during the period of training in addition to their pay and the usual allowance, and that period of training should be treated as duty. The extra expenditure has been estimated at Rs.1,600/-.

The stipend granted for secondary grade training is Rs.18/- a month. The Director apparently considers that this amount will not be sufficient to meet the expenditure of the trainees at the training centres. ~~In the case of aided schools the Govt.~~ In the case of aided schools the Govt. stated that no grant need be paid for substitutes. But the Director has made provision for substitutes in the present case. Attention is in this connection invited to paragraph 1 of the letter on p.17 c.f. of 'A'. The Director may be told that no substitutes need be appointed if the period not covered by the holidays is very short. The proposals may otherwise be accepted.

The file may be sent to Finance for remarks before circulation.

2 The proposal to depute, during 1948-49, two secondary grade teachers in part-time service to each of the six Adult Training Centres sanctioned in G.O. No. 846, Edn., dated 9.4.48 for training them in Adult literacy work may be agreed to in this Deptt., subject to the following remarks:-

It is proposed to treat the period of training as duty and to pay them, in addition to their salary and usual allowance, a stipend of Rs 22-8-0 p.m. The period of training is 1 1/2 months. In the Adult Education scheme sanctioned in G.O. No. 846, Edn. 9.4.48, it has been ordered that trainees deputed by local bodies or by aided institutions will be paid a stipend of Rs 15 a month or Rs 22-8-0 for the entire course. On this analogy, it seems sufficient to secondary grade teachers in question are also granted a stipend of Rs 15 p.m. or Rs 22-8-0 for the entire course of 1 1/2 months. It may also be noted that the secondary grade staff employed in the Adult Training Centres are allowed only an allowance of Rs 15 p.m. in addition to their usual pay and allowance. Finance may, therefore, advise that the stipend to the secondary grade teachers to be deputed for training may be restricted to Rs 15 p.m. The total expenditure on account of stipends will then be reduced to Rs 270.

Finance may also agree with E.P.H. that the D.P.G. may be told that no substitutes should be appointed in the place of the deputees, if the period of training not covered by holidays is short.

This is sufficient, especially as they will draw their regular pay and allowance in addition. There is no reason why deputees from Govt service should be given higher stipend than employees of local bodies, etc.
