SUB:- ELEMENTARY EDUCATION - Maravar children - Opening of schools - Supply of midday meals - Continuance.

REF:- From the D.P.I., No.11679-B2/46, dated 2--8--48.

In G.O.No.626, Edn., dated 24-4-45, the Govt. sanctioned the opening of 16 elementary schools in Tirunelveli District for providing educational facilities to the Maravar children there. Of the 16 schools, 10 were to be opened by the District Board and the other six by private agencies. Provision was made in the budget towards the supply of midday meals for poor Maravar children attending the schools. A subsidy was promised from provincial funds to the Dt. Bd. towards the cost of midday meals. The D.P.I. was also asked to arrange for the supply of midday meals in the private schools and to disburse grants due to them for the purpose. A sum of Rs.2,500 has been provided in the budget towards the supply of midday meals in the schools under private management. A separate provision has also been made for the payment of a subsidy to the Dt. Bd. for supply of meals for Maravar children in Board schools.

2. In 1948-49 also, on the recommendation of the Director, the Govt. sanctioned the opening of 10 more schools in Tirunelveli District for the Maravar children (seven under District Board and three under aided agencies). But no provision was made for the supply of midday meals to the pupils in the schools to be opened this year - vide the minute of H.M.(Fin.) on p.4 n.f. of 'A'.

3. The D.P.I. now enquires whether the supply of midday meals to Maravar Children in the private schools sanctioned in 1945 may be continued in view of the subsequent orders in para 2 above. It appears that the orders in G.O.No.626, Edn., dated 24-4-45, are still in force and the supply of midday meals in all the schools under the G.O. may be continued. But in view of the fact that midday meals are not to be supplied to the new schools opened with reference

to the orders in 'A', it is for consideration whether the supply of midday meals in the old schools also may be discontinued as it may not be desirable to make a distinction between the old schools and <sup>the</sup> new schools. Attention is however invited to the Secy.'s note on page 62 N.F. of 'Q'.
