Dated 5th Sep. 1949

(Special officer for Education)

Dear Sir,

For about 12 years, I have been representing the Pudukkottai State, which is famous for its archaeological, artistic and historical monuments, in three named all-India academic bodies. I am a member of the Council of the Oriental Conference and of the Indian History Congress. In the Government of India Records Commission I am both in the general commission and in the Research and Publication Committee. I request you kindly to permit me to attend the ensuing session of the Oriental Conference at Darbhanga in October, and the sessions of the History Congress and the Records Commission at New Delhi in December, as an additional representative from Madras, and that my absence at Darbhanga and at New Delhi may be treated as on duty with the benefit

of the usual Travelling and Duty allowances.

As I have to make early arrangements for my trip to Dharbanga

Darbanga in October, I solicit in

favour of very early orders.

This privilege may not be extended one
next year, as I shall relinquish my present office
on 1-1-49.
