I have the honour, by direction, to inform you that the Syndicate considered the G.O.No.Mis.404 Edn., dated the 2nd March 1948 regarding the constitution of Advisory Committees for Aided Colleges and resolved that the Government be informed that it notes that the Government have constituted Advisory Committees for Government Colleges also. With reference to the appointment for of Advisory Committees/other aided Colleges, it reaffirms its previous decision communicated to the Director of Public Instruction, Madras, on a reference made by the University on the same subject in December last and the Director was informed as follows:--

"That the Syndicate is of opinion that the formation of such Advisory Committee is not conducive to the smooth and efficient working of the College. That the University has full cognisance of the working of Colleges and is the proper body that should hold itself for their efficient working and in the opinion of the Syndicate in view of the present trends, such Advisory Committee will lead to difficulties in the management and the maintenance of discipline in the Colleges."

The Syndicate is still of opinion that the position has not changed to warrant a modification of its decision and would request

P.T.O

Copy of resolution adopted unanimously at a meeting of Principals of aided Colleges held on the 30th March 1948 at 5-45 p.m., in the University Buildings, Chepauk, Madras.

Head G.O.No.Ms.404 Edn. dated the 2nd March 1948.

RESOLVED that the constitution of Advisory Committees for aided Colleges in the manner proposed is not likely to serve any useful purpose as the Colleges are all under properly constituted managing bodies satisfying the conditions prescribed by the University to which the Colleges are individually responsible for all the matters mentioned in the G.O. read above, and that such advisory Committees, on the other hand, are apt to create more problems and cause confusion in many ways and are likely to interfere seriously with the smooth working of, and discipline in, the Colleges concerned.

RESOLVED FURTHER that the Chairman be requested to communicate this resolution (adopted unanimously by all the Principals of aided Colleges present at the meeting) to the Vice-Chancellor so that he may act on their behalf.

With reference to the Government endorsements referred to above, I have the honour to submit that the fears entertained by the managements may not be justified, except in the matter of admissions, where private managements may not like the discretion of the principals to be fettered by rules to be framed by the Committee. Sir,

Sub: Aided Colleges - Formation of Advisory Committee - Views of the
Syndicate.

The question regarding the formation of Advisory Committees for Aided
Colleges raised by the Hon'ble the Minister for Education on 10-8-47 was con-
sidered by the Syndicate at its meeting held on 6-2-48 and it resolved -

"that the Syndicate is of the opinion that as all the Affiliated Colleges of
the Andhra University are under the administration of Governing Bodies,
there is no need to have other bodies called "Advisory Committees".

RESOLVED also to inform Government that the Managements of the Affiliated
Colleges will be apprised of the general views of Government and requested
to increase, if necessary, the membership of the Governing Bodies, more
especially in Co-Educational institutions by the addition of one or two
Lady members."

The above resolution was communicated to the Director of Public Instruction,
Madras in this office letter of even No. dated 19-2-48. At the same time the
resolution was also circulated to the Correspondents and Principals of affiliated
colleges and they were requested to inform the University of the action taken or
proposed to be taken in respect of the second part of the above Syndicate
resolution.

Meanwhile the Government issued order M.S.No. 404 Edn. dated 2-3-48 on the
formation of Advisory Committees in Affiliated Colleges.

The Syndicate at its last meeting considered the replies from the affiliated
colleges as also the G.O. and resolved "that the replies of the affiliated colleges
be forwarded to Government".

I am accordingly forwarding herewith a statement containing extracts of
replies of the affiliated colleges.

Sri A.Kalawara Rao, B.A., B.L., M.L.A. and the District Collector, Kistna are also members. In view of the orders of the Government, May I request you to let me know your final instructions as to the necessity of the constitution of such advisory committees.

Sub: Affiliation - Sir C. Ramalinga Reddy College, Ellore - further affiliation in Biology and Hindi of Intermediate courses of study from July 1948.

Ref: Your letter No. C2-6815/47 dated 8th April 1948.

I am sending herewith a copy of the Proceedings of the Governing Body No. 75 dated 16-4-48 resolving to give effect to the recommendations of Mr. H. Enoch, M.A. who was sent on local enquiry Commission, and requesting the University to grant affiliation to the college in Biology under Part III with Combination - Physics, Chemistry & Biology, and Hindi under Part II of the Intermediate course of study, with effect from July 1948.

1. Recommendations in regard to affiliation in Hindi.

Arrangements are being made to put up a new shed 50' x 20' and the Hindi pandit will be appointed in June. The required Library Books costing Rs. 550 will be obtained.

2. Affiliation in Biology:

The College obtained affiliation in Botany in July 1947 and the recommendations made by the Commission appointed at that time have been satisfactorily fulfilled.

Already 8 students' Microscopes have been got and the remaining four as recommended by Mr. H. Enoch for the year 1948-49 are being ordered and will be obtained soon. The necessary accommodation will be made available and the staff recommended will be appointed in June 1948. Orders are being placed for the apparatus, Charts and Models etc. recommended by the Commission.

The present strength of the College in Junior class is 150 in Mathematics, Physics and Chemistry and 81 in Botany. With the addition of Biology there will be an additional strength and also it is expected that the strength in Mathematics, Physics and Chemistry will increase as the number of students who have appeared for S.S.L.C. this year is much larger than last year. Under these circumstances it is earnestly requested that the University may allow this college to admit 128 students in Botany and Biology together and 230 students in all for Physics and Chemistry (including Mathematics, P.C. Botany P.C. and Biology P.C.). The University may be assured that necessary steps will be taken to keep the Laboratories in proper condition. In view of the increasing demand for seats in this college and the recommendations of the commission, I request that the University may be pleased to grant the affiliations requested for.

Recommendations = Submitted:

26676948

In G.O.No.MS. 404, Education, dated 2nd March 1948 Government advised the managements of aided colleges to constitute an Advisory Committee with the Principal of the College as its convenor, one representative from the staff, two representatives from parents, two representatives to be nominated by the management out of its donors and helpers and three people to be nominated by Government. The Principal of the Veerasaiva College, Bellary has requested me to nominate three persons to serve on the Advisory Committee on behalf of the Government.

This is a general question as members have to be nominated by Government for all the aided colleges. I recommend that the following officers may be nominated by Government to serve on the Advisory Committees of aided colleges:

= 2 =

1. The District Educational Officer of the District where the college is situated.
2. The District Judge of the district where the college is situated.
3. The District Collector of the district where the college is situated.

If the last cannot serve on the committees the District Medical Officer may be nominated in his place.

Please see the letter from the Registrar, Madras University, on p.p. 1-2 c.f. He states that the Syndicate is of opinion that the position has not changed since then to warrant a modification of its decision, and therefore requests the Govt. to reconsider the orders issued in G.O.No.404 Edn., dated 2-3-48. He states that the duties of the Advisory Committees now set up by the Govt. may come into conflict with the duties and powers of the Managing Bodies and College Councils which are now working under the Laws of the University. He states that the main purpose of the Advisory Committees now constituted by the Govt. seems to be to avail of the suggestions of the Parents' Association, Old Boys' Association and the like. He ^{points out} states that it is always open to the Principals of colleges to consult these associations and that in the Managing Body of some of the Colleges, the Old Boys' Associations are also represented. It may be mentioned in this connection that the views of the Syndicate in the matter were previously considered and orders issued in G.O.No.404Edn., dated 2-3-1948. Attention is in this connection solicited to the notes on p.10 n.f. and the orders of H.M.(Edn.) thereon at p.10 n.f. of ~~the~~ (J). The D.P.I. however states that the fears entertained
by the managements of aided colleges in the matter may
not be justified except in the ^{regard to} ~~matter of~~ admissions
^{where} ~~to the~~ private managements may not ^{like} ~~hope~~ the discretion
of the Principals to be fettered by rules framed by the
Advisory Committee. He considers that as the orders
issued in G.O.No.404 Edn. dated 2-3-48, are only
advisory, we may wait and see how ~~the~~ many managements
will respond. It is for orders whether the D.P.I.'s
view may be accepted and Govt. may ~~be~~ decline to re-
consider the orders issued in the G.O. (J).

2. Under the orders in the G.O. (J), 3 of the members
of the Advisory Committees have to be nominated by
Govt. The D.P.I. recommends that the 3 members may
be as follows:-

1. The District Educational Officer of the District
where the college is situated.
2. The District Judge of the district where the college
is situated.
3. The District Collector of the district where the
college is situated.

If the last cannot serve on the Committees the
District Medical Officer may be nominated in his place.

It is for orders whether the Director's recommendation
may be ~~acceptation~~ accepted.

The case may be circulated to H.M. (Edn) for orders
on 'A' and 'B' above. Public (Spl) ^{see before this} with reference to
the nomination of the Dt. Judges and Collectors as
members of the Advisory Committees, and H.M.(P.H) ^{with} ~~with~~
reference to the ^{nomination} ~~recommendation~~ of the D.M.Os. to

the Committee will have to see the case.

Please see the Public (Spl.) note of p.4 ante. The
case may now be circulated to H.M. (Edn) for orders on
'R' at p.4 ante. If the orders in G.O.No.404 Edn.,
dated 2-3-1948 are not to be withdrawn, it is for orders
whether the three Govt. nominees on the Advisory Committees

mendation that the D.M.O. may be nominated to the
Committee if the Dt. Collector cannot serve on the
Committee being turned down.

29/5/48

The G.O. need not be withdrawn for the present.
We may wait and see the reaction of the aided institutions
for the present before making any new suggestions. This
file may be put up some time in January, for, by that
time we would have known the reaction of the aided
colleges.

At page 4 ante, Secretary suggested that the
instructions issued in G.O.No.404, Edn., dated 2nd March
1948, relating to the constitution of advisory committees
for aided colleges may be withdrawn. H.M.(Edn.) has recorded
that the G.O. need not be withdrawn for the present and
that the question may be taken up in January 49. The D.P.I.
now asks orders in regard to the nomination of members
to advisory committees. The G.O. referred to above pro-
vides inter alia for the nomination of three members by
Govt. The D.P.I. has suggested that the following
officials may be nominated to these committees:-

- (1.) The District Educational Officer of the District where

- (2.) The District Judge of the district where the college
is situated.
- (3.) The District Collector of the district where the
college is situated, or if he cannot serve on
the committee the D.M.O. may be nominated.

It has been proposed that the D.M.O. need not serve on
this Committee. Public have agreed to allow
Dt. Judges and
Dt. Collectors to serve on these committees.

In the present cases where the colleges proposed to
form committees as suggested by Govt, there obviously
ought to be instructions as to the Govt. nomination.
Orders may be taken in circulation as to whether the Govt.
