I acknowledge receipt of your letter quoted above.

I request, however, that Government might be pleased to reconsider the order passed in the letter cited, in view of the fact that it is desirable that the University should be encouraged by the sanctioning of grants on a full grant basis as pointed out in the Vice-Chancellor's letter d.24-4-1946.

May I take leave to submit that the University should not be placed on a par with grant-in-aid institutions under the Grants-in-Aid Code? This is the only residential University in this part of the country, and therefore deserves encouragement and help at the hands of the Government. Full facilities for residence in the University area cannot be afforded to the students unless the Government are pleased to come forward to sanction lump sum grants to this University for this purpose.

I pray, therefore, that Government might be pleased to reconsider their decision and sanction ^{an} additional grant of 4.5 lakhs which will make the grant for the purpose Rs. 9 lakhs ultimately, including the Rs.4.5 lakhs already sanctioned.

UNIVERSITY - Annamalai - Construction of hostels for students - Full grant - Request for payment - Part II Scheme for 1949-50.

From the Registrar, Annamalai University, Nos.4562 dated 7.8.48 and 5763 dated 30-8-1948.

In G.O.No.779 Edn., dated 10-4-1946, the Govt. as a special case, passed an order undertaking to pay sanctioned as a special case, a half grant of Rs. 4.50 lakhs to the Annamalai University for the construction of hostels for the students of the University. In his letter dated 11.5.1948, the Registrar, Annamalai University, represented to Govt. that the University was faced with the difficulty of finding more funds for its several schemes and requested Govt. for a non-recurring capital grant of Rs. 17 lakhs (including Rs. 4.5 lakhs for the construction of hostels) towards those schemes or in the alternative for a loan from Govt. in addition to such ~~sum~~ grant as may be made by Govt. The Govt. after due consideration informed the University that no ^{loan could} ~~loan can~~ be sanctioned and that its request for a grant for the construction of hostels would be considered as a Part II Scheme for 1949-50.

2. The University has now renewed its request application for the grant, this time for the construction of hostels only. The grant required is Rs. 4.5 ~~lk~~ lakhs, being the other half of the expenditure towards the ~~construction of~~ hostel scheme. If the request is considered, it would mean that the Govt. would be entertaining a request for a total grant of Rs. 9 lakhs for the scheme, which is the ^{total} ~~estimated~~ cost of the scheme, after ~~taking into account~~ deducting the grant of Rs. 1 lakh made by ^{H.H.} the Maharajah of Travancor.

It is

It is for consideration whether the request of the University for an additional grant of Rs. 4.5 lakhs may be considered and whether the proposal may go forward as a Part II Scheme for 1949-50.

University - Annamalai - Construction of hostels -
Grant -

--

From the Registrar, Annamalai University, dated 19.10.48.

In G.O.No.779 Edn., dated 10-4-46, the Govt. sanctioned a half grant of Rs. 4.5 lakhs for the construction of new hostels ~~for~~ the Annamalai University. In August, 1948, the Registrar, Annamalai University, applied for payment of ~~a full grant for the purpose of~~ additional grant of Rs. 4.5 lakhs for the purpose on a full grant basis. The question was considered and the University was informed that the policy of Govt. is not to make a full grant for such building schemes, but only half-grants and the request of the University was turned down. Please see the orders in circulation on p.3 n.f. (Now the University has applied for a reconsideration of the above orders by the Govt. No fresh grounds have been adduced by the University for reconsidering the orders already issued. The ~~request~~ request of the University may be negatived. A draft letter is submitted for approval. Finance may see prior to circulation.

Please see the letter from the Registrar, Annamalai University, on p.3 c.f., and the remarks of the Secretary thereon, which are extracted below:--

"If this is not possible, they request that the 4.50 lakhs promised by Govt. may be an outright grant (e.g. something similar to the request of the Vice-

fixtme of the
Chancellor, Andhra University has been making on some grants
to the Andhra University) without the condition that the
entire scheme for 10 lakhs should be executed to earn this
4½ lakhs."

(The file relating to the request of the V.C., Andhra
University, for ~~xxxxxx~~ the payment of a ~~xxxxxx~~ grant to the
Andhra University for the M.Sc. courses in Geophysics, ~~xxxxxx~~ without
insisting on the condition that the University should find an equal
amount for expenditure on the scheme, has been circulated to
H.M.(Edn), H.M.(Fin) and H.Pr.). As regards the question of payment
of a lump sum grant of Rs. 4.5 lakhs to the ^{Andhra} ~~Andhra~~ University
for the construction of hostels, without the condition ^{that} ~~of~~ the
University ^{being able to} ~~meet~~ ^{spend} an equal amount, the question was
considered in 1946 and the ~~xxx~~ request of the University for
payment of this grant without any condition attached to it, was
negatived. Please see in this connection, the orders in cir-
culation ~~xxx~~ of A.1 (Sir Norman Strathie) with whom A.2 and A.3
agreed, on p.p.16/17 n.f. of G.O.No.779 Edn., dated 10.4.46.

In the circumstances, there seems to be no case for the payment of
~~an unconditional grant. The implications of such a~~
~~grant on an unconditional basis. The request of the University may be~~
~~negatived. The file may now be circulated to H.M.(Edn) for orders.~~

grant will be that only the amount

by the University on the project -
This doubtful whether the purposes
for which the project is undertaken
will be fulfilled by expenditure
on a limited scale in this ^{manner} ~~manner~~,
or whether this will be in the
larger interests of the University -

It would seem desirable to await the
decision on the Andhra University file referred to
