Dear Sir,

I forward herewith the application form and the related papers in respect of Mr. V. Ganesan, 1946 Madras Government scholar selected for the study of Electrical Engineering for whom it has not been possible to secure admission in U.K.

The Madras Government wanted us to arrange for this candidate one year's postgraduate study at the Imperial College of Science & Technology, London, and one year's practical training after that in a firm.

I assume similar arrangements would be required by the Provincial Government in U.S.A. perhaps the Ministry of Education will send you further instructions if necessary on this point.

Advanced Studies Courses - 1946-7.
Mr. V. Ganesan - Passage Arrangements

From the C.E.D., Ministry of Education
No. F. 7.8/S. 41/46.0.D.11 9.11.5.48

Mr. V. Ganesan was selected in 1946-7 for higher studies in Electrical Engineering. He is intended to be absorbed in Paleyee works and electricity Deptt. Admission could not be obtained for him in the U.K. and his papers were transferred to the U.S.A. The C.E.D. now reports that admission has been obtained for the scholar in the Louisville University, U.S.A. for Sep 48 term. P.W.D. may be requested to state whether the admission now offered may be accepted.

P.W.D(M)

Please see the Government of India letter at p. 17 c.f. and the E & P.H. Deptt. note above. Sri. V. Ganesan is one of the candidates selected in 1946-47 for the award of an overseas scholarship in "Electrical Engineering" and is intended for absorption in the Electricity Department after the completion of his overseas studies. In April '47, the C.E(E) was informed of the proposal to address the Government of India for arranging a post graduate course for a period of one year followed by one year's practical training in respect of Messrs. V. Ganesan and T.L.N. Prasad, another scholar was selected for overseas scholarship in "Electrical Engineering". The C.E(E) was asked to suggest suitable practical training together with the institutions

for such training within the period of one year. The C.E. suggested that both the candidates might undergo one year diploma course at the Imperial College of Science and Technology, London, followed by practical training for a year at the works of Messrs. Metropolitan Vickers, B.T.H. or English Electric Company. The Government of India who were addressed in the matter stated that the Imperial College of Science and Technology had expressed their inability to accept the candidates for the October '47 session owing to lack of accommodation. The C.E(E) thereupon suggested that arrangements might be made for their practical training immediately at the works of Messrs. Metropolitan Vickers, B.T.H. or English Electric Company and that their post-graduate University training might be arranged later. The Government of India did not, however, accept the above suggestion on the ground that the candidates might be left at a loose end if facilities for their theoretical training were not available in the United Kingdom on the completion of their practical training. Their papers were therefore transferred from the U.K. to the U.S.A. The Government of India now report that admission has been obtained for Sri. V. Ganesan in the Louisville University, U.S.A. for September 1948 Session. It is presumed that the training in the above University is only for one year and that this will be followed by practical training ^{for another year} in suitable institutions in the U.S.A. This Deptt. need not object to the admission of the candidate in the Louisville University. It does not appear necessary to consult the C.E(E) in the matter.

The file may be returned to the E & P.H. Deptt.
