R.C. NO. 863-J/48 dated 14th September 1948.

Sir,

SUB:TEACHERS PROVIDENT FUND - late Alfred Jesudasan  
payment of Government contribution - Loss of  
original application for admission for eligibi-  
lity certificate to the Teachers' Provident -  
Fund - Admitting the claim for Government con-  
tribution - requested.

\*\*\*\*\*

One Alfred Jesudasan was working as L.T. Assistant  
in the D.M. High School, Tiruvannamalai. He died on 10-3-46  
The original file relating to his Provident Fund could not  
be traced in the Office of the District Educational Officer  
North Arcot. The District Educational Officer, therefore,  
called for copies of particulars from the Correspondent and  
closed the account of the subscriber. The amount standing  
to the credit of the subscriber in his Teachers' Provident  
Fund account was drawn and paid to his wife. Now, the --  
Government contribution remains to be claimed. The Account-  
tant General has ruled that when the original records viz.  
the application for admission to the Fund and the eligibi-  
lity certificate are not forthcoming the orders of Govern-  
ment will have to be obtained (Vide Accountant-General's  
letter T.9.Sc.111-462 dated 19-12-1945 enclosed) for allow-  
ing Government contribution. With reference to his ruling,  
I request that the Government may be pleased to instruct -  
the Accountant-General to admit the claim for Government  
contribution on behalf of the teacher in question.

2. I invite your attention in this connection to G.O. No.  
73 Education dated 17th January 1947 wherein a similar case  
was disposed of.

Yours faithfully,

2. As suggested by the Accountant-General, Madras in para 2 of his letter the Inspecting Officers during their inspection of schools should see that the records are maintained properly and for this purpose they should verify, say once in two or three years, the supporting documents and issue instructions for supplying omissions of the kind referred to in the Accountant-General's Communication.

Ref: Para 3 of your letter dated 7-7-45 regarding records that will be accepted in place of the original application and the eligibility certificate - Teachers' Provident Fund.

With reference to your letter quoted above I have the honour to state that if the subscriber is alive and one of the two documents referred to above is missing, a certified copy of the card catalogue required to be maintained by the Inspecting Officers under Rule 2(c) of the Teachers' Provident Fund Rules may be accepted. If, however the subscriber is not alive, the question of payment will have to be considered in accordance with the spirit embodied in Rule 12 b of the Rules relating to the Provident Fund for Teachers in non-pensionable service, and such cases may be referred to this office for opinion as and when they come up. If both the documents in a particular case are lost orders of Government will have to be obtained for admitting the claim.

2. I would, however, add that the necessity for the proper records being maintained may be pointed to the District Educational Officers, who may, during their inspection verify, say, once in two or three years, the supporting documents and issue instructions for supplying omissions of this kind so as to avoid such cases as far as possible.
