OFFICE OF THE
DIRECTOR OF PUBLIC INSTRUCTION,
R.C. No. 790/E.3/48.

MADRAS: 22nd Septr. 1948.

THE DIRECTOR OF PUBLIC INSTRUCTION,
MADRAS.

THE SECRETARY TO GOVERNMENT,
EDUCATION AND PUBLIC HEALTH DEPARTMENT
FORT ST. GEORGE, MADRAS.

Sir,

SUB:- Medium of Instruction - Secondary Schools -
1948--49 - Bellary District:

(1) Municipal High School, Adoni:- During 1947--48 there were 4 sections in Form IV, 3 Sections having the regional language as the medium of instruction and one section which was intended for Muslim pupils having Urdu as the medium of instruction. The management has now reported that there were two untrained muslim graduates on the staff during last year and they have left the school now and the school is left without any Muslim graduate to teach Urdu Medium, in higher forms and hence has requested for permission to adopt English medium in one section in Form IV. In view of the dearth of muslim graduates with Urdu medium, I recommend that exemption may kindly be granted to adopt English medium in one section of Form IV during 1948--49 for the benefit of Muslim students only.

I have already granted permission to adopt English medium in one section each of Forms V and VI.

(2) Municipal Muslim High School, Bellary:- Permission was granted to adopt English medium in Form IV in Government Memorandum No.58253/B.1/46-6 Education, dated 14th June 1947. The Commissioner has now reported that in spite of every effort to secure Muslim teachers by repeated advertisements, they were able to get the services of only one untrained Muslim Graduate and there are no other Muslim member on the staff to introduce Urdu medium in this school. The IV Form has two sections and in the circumstances explained, I recommend that exemption may be granted to adopt English medium in the two sections of IV Form during 1948--49.

I have already granted permission to adopt English medium in two sections each of Forms V and VI.

Yours faithfully,

for DIRECTOR OF PUBLIC INSTRUCTION.
