For Director of Public Instruction.

S.J.16/8.

16/8.

The Government of India have stated that ^{yet} no decision has not been taken as to when the Army is likely to be reduced to its peace time strength and that the scheme for the further education of ex-service personnel should be continued. The Govt. accordingly direct that the scheme of further education sanctioned in G.O.No.1167, Edn., dated 12--6--46 be continued until further orders.

I am directed to invite attention to the subject quoted above and to state that since no decision has yet been taken as to when the Army is likely to be reduced to its peace-time strength, the scheme for the further education of ex-service personnel should be continued, pending complete demobilization, in accordance with the principles and conditions laid down in the Government of India's instructions. I am also to request that up-to-date information regarding the number of persons requiring education under this scheme during the financial year 1947-48 in your Province and the organizations involved under various heads mentioned in Part I of the draft of the letter may be furnished to this Ministry of Education. Also estimates of total expenses on the scheme in 1947-48 may be supplied urgently.

Yours faithfully,
