From the Govt. of India, No. RL-2(1)/48, d/ 1-5-48.

Please see the letter from the Govt. of India and the Endt. of the Pub (Ref) on p. 1 c.f. It is submitted that so far as educational concessions and loans scheme is concerned, this department have already issued orders in G.O. No. 272. Edn. dated 9-2-1948. With reference to 'A' on p. 1 c.f. no action seems called for in this Department. the case may be sent to Dev. u.o. who is concerned with the subject.

2. The Government of India have drawn up a scheme for grant of loans to non-muslim refugee students and trainees from Western Pakistan, who have arrived in the Indian Dominion. They have forwarded a copy of the scheme to this Govt. and requested that steps should be taken to introduce this scheme in this Province. As the loan scheme originally applied to Technical and Collegiate education the proposal was received in E & P.H. in E & P.H. Deptt. The Govt. accepted the recommendation of the Govt of India and sanctioned the introduction of the Loan Scheme in this Province. They have also appointed the D.P.I. as the authority to sanction loans to students taking up technical and collegiate education in the educational institutions of this Province. The Govt. of India have now proposed to extend the scheme to non-muslim refugee students from Pakistan who are studying in recognised institutions for the first

Registered Accountants Examination or are undergoing training under an approved Registered Accountant for qualifying as Articled Clerks.

The Govt. of India have agreed to meet all bona-fide losses incurred on the working of the scheme, if this Govt. so desire. As in the case of educational concessions it is for consideration whether this Govt., may inform the Govt. of India that the expenditure of the Loans Scheme should be met by India.

The proposal of the Govt. of India may be accepted. The R.J.S.C. may be appointed as the Sanctioning Authority for the loan under the Scheme. A copy of the original scheme together with India's letter on p.1 c.f. may be sent to the R.J.S.C. for remarks. A draft memo is submitted for approval. ~~After issue the file may be sent to Finance for remarks.~~

2/6/48
Signed as memo no. 59638K48-17.22.648
From the R.J.S.C., No. C. 2274/48 dated 28.6.48.

Early this year, The Govt. of India have drawn up a scheme for the grant of loans to refugee non-Muslim students and trainees from Western Pakistan who have arrived in the Indian Union and who are unable to continue their studies or training for want of funds. ~~They have~~ ^{has forwarded} A copy of the scheme to this Govt. and ~~have~~ ^{has forwarded} requested that steps ^{might} be taken to introduce the scheme in this Province. The Govt., in the E.& P.H. Dept., have accepted the recommendation of the Govt. of India and have sanctioned the introduction of the loan scheme in this Province. They have appointed the D.P.I. as the authority competent to sanction loans to students taking up collegiate and technical education in the educational institutions in this Province and to grant the concessions mentioned in

the Govt. of India scheme to school pupils studying in the 9th and 10th classes.

2. Attention is invited to the letter from the Govt. of India on page 1 c.f. The Govt. of India have now extended the ^{loan} scheme to non-Muslim refugee students from Pakistan, who are studying in recognised institutions for the first Registered Accountants' examination or are undergoing training under an approved Registered Accountant for qualifying as Articled Clerks. They have stated that applications from students for these courses should be in the form on page 3 c.f. and should be forwarded by the Head of the institution or the Registered Accountant as the case may be with his recommendations to the officer authorised to sanction such loan. The remarks of the R.J.S.C. on the letter from the Govt. of India are on pp. 7-8 c.f. The R.J.S.C. has recommended the extension of the scheme to the Registered Accountant students and students undergoing training as Articled Clerks in this Province. He has also recommended that the D.P.I. may be appointed as the authority competent to sanction loans in these cases also.

3. Although the D.P.I. is not concerned with medical institutions and other technical colleges relating to Dev. Dept., it was considered simpler from the point of view of the keeping of Accounts and ^{the} sending of returns to ~~entrust~~ entrust the entire work relating to the loan scheme to the D.P.I. Granting of loans to the refugee students studying for the First Registered Accountants' examination and undergoing training for qualifying as Articled Clerks is only an extension of the scheme. It would, therefore, be only ^{proper} ~~fitness of things~~ to entrust this ~~whole~~ part of the scheme also to the D.P.I. perhaps, applications for loans may be forwarded to the D.P.I. by the institutions concerned or the Registered Accountants as the case may be through the R.J.S.C. ^{if it is not considered too cumbersome} The certificate of poverty mentioned in para 3 of the G.O. on page 35 c.f. (M), may also be insisted ^{upon} In G.O. No. 272, Enn. dated 9.2.48, Heads of all institutions have been asked to send to the D.P.I. not later than the 20th of each month a report on the working of the loan scheme.

4
In the case of recognised institutions under the Auditors Certificate Rules and the Registered Accountants employing Articled Clerks, it seems it would be conducive to the efficient working of the loan scheme if these reports are sent by them to the D.P.I. through the R.J.S.C. For orders whether the scheme may be extended to non-Muslim refugee students studying for First Registered Accountants' examination or are undergoing training as Articled Clerks.

D.P.I. submitted with the work.
4. The R.J.S.C. has suggested that the Registered Accountants who employ Articled Clerks may be asked to forego at least a portion of the premium which the students have to pay, in the case of refugees. It is submitted that the Govt. can only appeal to the employers. Govt. have no control in the matter. For orders whether an appeal need be made in this case.

5. According to the original scheme drawn up by the Govt. of India, the loan will be repayable within four years from the date of payment of the last instalment of the loan and the students or their parents or guardians are at liberty to repay the loan either in lumpsum or in instalments on rehabilitation of the ~~bank~~ either of them. Apparently, it is not the intention of the Govt. of India to bring any pressure on the students or their parents in the matter of repayment of the loans. In the circumstances, it does not seem necessary to impose any restrictions on the ~~bonus~~, if any, received by the Articled Clerks, as suggested by the R.J.S.C. in para 3 on page 8 c.f. For orders.

6. The Govt. of India have agreed to meet all bonafide losses incurred on the working of the scheme, if this Govt. so desire. As the Govt. of India have already been requested by this Govt. to reimburse any bonafide losses incurred on the working of the scheme, it does not seem necessary to address the Govt. of India again with reference to the proposed extension of the scheme. The bonafide losses incurred on the working of the ~~loan~~ ^{in this respect may also} be recovered from the Govt. of India. For orders.

7. The Govt. of India desire that the scheme should be given wide publicity amongst refugee population and applications

invited. The R.J.S.C. may be asked to give wide publicity to the scheme. A press note announcing the extension of the scheme may also issue. For orders.

8. The scheme to grant loans to the non-Muslim refugee students studying for First Registered Accountants' Examination and undergoing training as Articled Clerks is only an extension of the original ~~in~~ scheme which has been treated as 'New Service'. It does not therefore appear to be necessary to treat this as 'New Service'. Finance may advise.

9. The expenditure on the grant of the loans may, in this case, be also debited to 'Loans and Advances by the Provincial Government - f. Miscellaneous Loans and Advances - Loans to Pakistan Refugee students'. The recoveries may be credited to the ^{under} new sub-head ~~under the sub-head~~ "Deduct - Charges recoverable from Governments, Departments, etc."

10. The scheme is only an extension of the original scheme. The D.P.I. is the authority competent to sanction the loans. It is proposed here to entrust the D.P.I. with this part of the scheme also. E. & P.H. may therefore be requested to deal with the case and issue necessary orders.

Dev. Sec. no. 59638 K 48-4

12th July 1948

Please see the Dev. note on pages 1-5 above. They agree to the proposal of the Govt. of India to extend the loan scheme to non-Muslim refugee students from Pakistan who are studying in recognised institutions for the first Registered Accountants' Exam or are undergoing training under an approved Registered Accountant for qualifying as Articled clerks. They ~~could~~ consider that

the D.P.I. may be appointed as the authority competent to sanction loans in these cases also. They propose also that applications for these loans may be forwarded to the D.P.I. by the institutions or the Registered Accountants of the case may be through the R.J.S.C. and that the production of poverty certificates as laid down in para 3 of G.O. No. 272 Edn. dated 9-2-48 may be insisted on. These proposals and also the proposals made by Dev. at A on page 4 ante and in paras 4 to 7 of their note at pages 4-5 above may be agreed to in

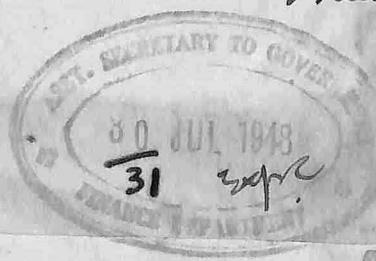

in this Dept.
2. As stated by Dev. in para 8 of their note at page 5 ante, the proposal in the present case need not, it seems, be treated as a 'New Service'. The case may be sent to Finance w.o. for remarks on this point, and also on the proposals in para 9 on page 5 ante regarding the debit and credit of the expenditure involved.

3. The Government of India agreed to meet all bonafide losses incurred on the working of the scheme sanctioned in G.O. No.272,Edn.,dated 9-2-1948. As they have been specifically requested to reimburse all bonafide losses in respect of the original scheme, Development consider that it is not necessary to address them on this point in respect of the present scheme. Finance may agree. Development may, however, be requested to inform the Govt. of India about this Government's intention to recover such losses after the scheme is sanctioned.

4. The Registrar of Jointstock Companies has stated that in some cases employers (Registered Accountants) pay bonus to their employees at the end of the year and that this paid to articled clerks also. He recommends that, in such cases, the amount may be paid to the Govt. towards repayment of the loans granted. Development do not support the proposal for the reasons stated in para 5 of their note on page 4 above. E.& P.H. agree with Development. Finance also may agree.

5. As the present scheme is only an extension of the scheme sanctioned in G.O.No.272,Edn.,dated 9-2-48, Development consider that it need not be treated as a 'New Service'. Fin. may agree. The case may, however, be circulated to H.M.(Fin).

6. It is proposed to debit the expenditure on the grants of loans under the present scheme to 'Loans and Advances by the Provincial Government - f. Miscellaneous Loans and Advances - Loans to Pakistan Refugee Students' as the in the case of the original scheme. This may be agreed to. The recoveries on account of the loan amount may be credited to the same head of accounts instead of crediting to the sub-head 'Deduct - Charges recoverable from Governments, Departments, etc' under "57. Miscellaneous, etc." as proposed by Development - cf. the last sentence in para 6 of G.O.No.272,Edn.,dated 9-2-48.
