It is not clear whether the full month's pay here denotes full average pay when the leave as in the present case and wheth permissible to postpone commencement advance, till April 1949 as the officer full-pay till then. Under the old Code Art.284(b)-Clause (4), as amended by Correction 388, XI List, dated 25-7-36, recovery "will comm the first issue of pay after the advance is drawn". This rule has been modified as at A above and embodie the Code which was revised in 1941. The papers conn ed with this modification are not traceable. Financ may suggest that the case may be sent to A.G. u.o. remarks as to whether there will be any audit objection to the issue of orders directing recovery of the advance in 30 monthly instalments of Rs.250 each, ing from April 1949 when the officer will be drawing full average pay. If this is not admissible, the advance may be recovered in 36 monthly instalments Rs.210 (rupees two hundred and ten only) for first 35 instalments and a final instalment of Rs.150 (rupees one hundred and fifty only) - beginning from the month following the drawal of the advance.

Lt. Col. M.A.Hamid, Divl.Inspr. (on leave)--Motor car advance.

In top file, it is proposed to grant Lt. Col. M.A.Hamid, permanent Divl.Inspr. of Schools (now in England), an extension of leave up to end of Feby ~~Jany~~.1949. This file relates to his appln. for a motor-car advance of Rs.7,500. He proposes to purchase the car in England.

Cf. 4
Cf. 7
Cf. 3-4 of top file.

The DPI, evidently under the impression that the officer will return to duty at the end of this month, says that a motor car is necy. for him in the public interest. The extension of leave is only for four months and the Dir.'s recommendation may be held to be in force.

Col. 7(b) — p. 4 cf.
Cf. 1 – para 1

The officer has not stated in his appln. what the anticipated price of the car is. The A.G. points out this omission. It may perhaps meet the needs of the case if w.r.t. the orders at "Ⓐ/3", Rs.7,500 is sanctioned subject to the condition that the balance, if any, remaining, after purchase of the car, in ~~of~~ the advance plus the sale proceeds of the jeep refd. to on p.5 C.F. Lt. Col. Hamid wants the advance to be sanctd. immediately. Under clause (ii) of Article 230(b)(3), the ~~adxxxxxxxxxxx~~ advance, if sanctd., is payable by the High Commr. six weeks before the officer's departure for India. From the Lt. Col.'s letter at pp.3-4 C.F. of top file, it appears that the car will be delivered to him by about 1-10-48. Under clause (iii) of the Article if ~~that~~ he takes delivery of the car more than six weeks before his departure for India he shd. not be allowed to draw the advance from the H.C., but on his bringing the car into India he may apply for an advance to cover its value as assessed for customs purposes, etc. Perhaps, as a special case, in relaxation of clause (iii), the advance may be sanctd. as drawable immediately.

The orders in circulation on the previous page and the draft order below may be perused.

The draft order provides for the repayment of the advance to be made in 30 monthly instalments commencing from April 1949 as the officer will not be drawing full pay earlier than this date. According to the provisions of Art. 227(4)(a) of M.F.C. Vol I, recovery should commence with the

A | first payment of a full months' pay after drawal of the advance. It is not clear whether the full months' pay referred to here denotes full average pay when the applicant is on leave as in the present case ~~and whether it will be permissible~~ to postpone commencement of recovery of the advance ~~to be drawn immediately~~ proposed to be sanctioned now till April 49 as ~~by reason of~~ the officer will be drawing ~~being on~~ half pay till then. Under the old Code (M.F.&A.C.) Art 284 (b) clause (ii) as amended by Correction Slip No. 388 XI list of 25.7.36, recovery "will commence with the first issue of pay after the advance is drawn." This ~~does not however~~ rule has been modified as at A above and embodied ~~appear~~ in the Code which ~~has since been~~ was revised in 1941. ~~In the revised Code, the intention is not explicit as will be found at 'A' above.~~ The papers connected with this modification are not traceable. In para 3 (1(2)) of G.O. quoted above, sanctioning motor car advance to me last year when I was on leave in England, it was stated that the sale proceeds of the Jeep should be credited to Government when it was sold. I have recently sold the jeep and with regard to the sale proceeds viz., Rs.4500/- I beg to represent the following for Government's sympathetic consideration.

2 I have to represent to Government the fact that prior to taking up my present post I was on leave for 32 months of which 24 months were on half and quarter average pay. This necessitated my supplementing that meagre income which made it necessary to take an overdraft from my Bank on the security of my Life Insurance Policy. In addition I had to incur expenditure in connection with my visit to England undertaken for the purpose of re-establishing educational contacts. On this account my financial resources have been severely strained. It would therefore be of great help to me if the sale proceeds of the Jeep are permitted to be utilised by me in reducing my overdraft with the bank.

not at Govt.'s instance.

3 Since I do not wish to take undue advantage of the Government's kidness I am willing to pay interest on the advance.

From the DPI, No.583-~~2V~~FC6/48, d/- 6-8-49. 46

Motor-car advance for Lt.Col.M.A.Hamid.

There is no proper justification to comply with Lt.Col.M.A.Hamid's request in his letter at p.1 C.F. In the order sanctioning his motor-car advance, the condition was imposed that if the price paid for the motor-car was less than the advance ~~and~~ plus the sale proceeds of his old jeep, the balance shd. be refunded to Govt. The advance was Rs.7,500. The jeep has been sold by the officer for Rs.4,500. The total amount is Rs.12,000. The cost of the car purchased in England and the customs duty freight come to Rs.8638 roundly. The officer should, it seems, be asked to refund to Govt. immediately Rs.3,362. The fact of the officer's having taken an overdraft from his bank, etc., & his offer of interest for the advance are ~~is~~ not relevant in the context. Fin. may see.

He is an impecunious officer and will be helped if the sales proceeds of his car are utilised to pay his debt, which is obviously at high interest

purely personal and do not justify a departure from the rules. Further if the request is granted in the present case, it may create ~~an~~ a very inconvenient precedent and it may be difficult to resist similar requests. In these circumstances, Finance may advise against the proposal of E&PH. Secretary.

Not if interest is charged instead of the advance being interest-free — as the circumstances of this case are not likely to recur.

According to Article 227 (4) (a), M.F.C., Volume I, the recovery of interest should begin with the pay of the next month after the repayment of the principal is completed.
