From,

V. S. SWAMINATHAN,

CORRESPONDENT.

Suryanarayana Sastriar's Elementary School, MANAMADURA.

14, West Tower Street, MADURA.

To,

The Government of Madras,
Education Department,
M A D P S. TO GOVERNMENT

Sir,

Sub-Section of a temporary shed in the Suryanarayana School, Manamadura- regarding Compulsory elementary education- The Director of Public Instruction, Madras - unable to interfere.

380.8

I beg to submit the following facts for kind consideration of Government and the issue of favourable orders for erecting a temporary shed to provide additional accommodation regarding Compulsory elementary education scheme.

2. In December, 1946, Manamadura was included as a Compulsory area under the scheme of Compulsion and was published in the Fort St. George Gazette.

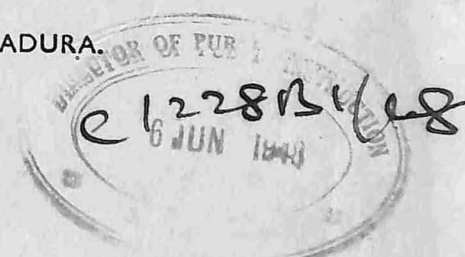

3. I was asked by the Deputy Inspector of Schools, Sivaganga, in his SC No. 150/46 dated 15-1-47 to provide additional accommodation in my above school for about 85 pupils, as the then accommodation was found to be insufficient. I was also asked to propose the provision that I might be making and to send my estimate of cost for the building, equipment, additional teachers etc.

4. Accordingly, on 10-2-47, I sent a proposal for constructing a shed measuring 36' X 16' with a verandah 4' in front to accommodate about 60 children for the present, with a site plan and the building plan for a cost of more than Rs. 2000/-

5. The Deputy Inspector of Schools, Sivaganga in his SC. No. 13/47 dated 7-3-47 re-transmitted my application to resubmit the plan of the existing buildings with dimensions and also a rough estimate of cost of the present proposed temporary shed

Madura,

21st. May 1948

- 2 - (M) 3

shed to be constructed. The presumption of the Deputy Inspector of schools, was that I should construct the shed within 47-48. The application was re-submitted with the required particulars duly furnished.

6. The Deputy Inspector of schools, Sivaganga, in his SC No. 13/47 dated 29-6-47 communicated the Government Memorandum No. 45883-A 1 Edn. dated 6-11-45 with the Director's proceedings RC 3465-B/ 45 dated 14-11-45 authorising the payment of grant of Rs. 1000/- for each school as per G.O. No. 1224-Edn dated 11-8-45. In the above G.O. the Government can sanction a subsidy of Rs. 1000/- over and above the maximum of Rs. 1000/- on cases of merits.

7. Till 13-8-47, I was not informed to go ahead with the constuction work either by the Deputy Inspector of schools, Sivaganga or by the Distret Educational Officer, Ramnad.

8. In the meantime, The Divisional Inspector of Schools, Madura division, visited my school on 24-4-47, when it was closed for summer vacation, to examine the question of sanctioning a temporary shed to my school under the scheme of compulsion. The Deputy Inspector of schools, Sivaganga was instructed by the Divisional Inspector of Schools, Madura to re-examine the question of sanctioning a temporary shed to my school. Accordingly, the Deputy Inspector visited Manamadura to consult the Managers of other schools whether they would be prepared to erect a temporary shed for providing additional accommodation in their schools. The Managers of other schools informed the Deputy Inspector their inability to erect any sheds. By this, my school was preferred as I had agreed to erect a shed. My application was again submitted to the Distret Educational Officer, Ramnad with his recommendation. The Distret Educational Officer, Ramnad paid a surprise visit to the locality and seems to have examined the question of providing additional accommodation for the schools in the centre. I was given to understand that the construction of the shed in my school had been recommended to the Divisional

- 5 - (X) 5

Inspector of Schools, Madura for sanction in view of the other Managements not being inclined to construct sheds immediately. The Divisional Inspector of Schools, Madura did not evince as much interest as is expected of him in the cause of compulsory education in Manamadura centre; as will be evident from the fact that he was ^{not} inclined to sanction temporary shed to any of the schools in the centre.

9. The District Educational Officer, Ramnad, again visited the school on 24-6-47 and has remarked as follows:-

" Visited the school. The children that are to be brought under instruction are to be admitted and additional accommodation provided for them later on"

10. On 13-8-47, I applied to the Divisional Inspector of schools, Madura to issue early favourable orders to permit me to commence the construction work immediately as I had gathered the necessary building materials to the value of Rs. 2000/-.

11. As my letter to the Divisional Inspector of Schools, Madura did not fructify, I appealed to the Director of Public Instruction, Madras, on 28-9-47 for the issue of favourable orders for the construction of a shed for which I am entitled for a grant of Rs. 1000/- as already promised. A reminder to the Director of Public Instruction was also sent on 10-11-47. (Copies enclosed)

12. The Director of Public Instruction, Madras in his L. Dis. 1916-B 1/47 dated 30-11-47, informed me of his inability to interfere in the matter. ^(Copy enclosed) The Director of Public Instruction Madras forwarded my application dated 28-9-47 to the Divisional Inspector of Schools, Madura for remarks. The Divisional Inspector of Schools, re-transmitted my letter dated above with endorsement in his ROC 512-E 2/47 dated 21-10-47 to the Director of Public Instruction, Madras. I have to presume and my presumption may be correct that the Divisional Inspector of Schools, Madura has not recommended favourably about my school to the Director of Public Instruction and the result is that the Director of Public Instruction is not able to interfere in the matter.

6

13. On 12-12-47 I addressed the Divisional Inspector of Schools, Madura stating about my dropping the idea of constructing any shed at present to provide for the new children to be enrolled under the scheme of compulsion, since the highest authority in Education-- the Director of Public Instruction, Madras is not able to interfere in the matter, I have no other alternative than to appeal to the Government of Madras.

14. The Deputy Inspector of Schools, Sivaganga, in his P.C. 115/48 dated 30-4-48 sent a communication about the proposal of the Government to pay grant to private managements also towards the cost of constructing temporary sheds in 48-49, and I was asked to give certain particulars through him to the District Educational Officer, Ramnad. When my application in the year 47-48 for temporary shed was pending sanction, the Deputy Inspector of Schools, Sivaganga has come forward with new proposal for the year 48-49. On 11-5-48 I ~~reply~~ replied to the Deputy Inspector of Schools, Sivaganga that my letter dated 12-12-47 addressed to the Divisional Inspector of Schools, Madura holds good for this reference also.

15. Under the above circumstances, I request the Government to interfere in the matter and sanction the construction of a temporary shed which I am now prepared to undertake for which a grant of Rs. 1000/- has already been promised and to pay a subsidy of another grant of Rs. 1000/- over and above the maximum of Rs. 1000/- as per Government Memorandum No. 45883-A 1. Edn. dated 6-11-45, since I am the only Correspondent, who has come forward to the above proposal in that centre as a special case of merit.

To
The Director of Public Instruction,
M A D R A S.

Sir,
Sub: Compulsory Education - Construction of
Shed to provide additional accommodation.

In connection with the introduction of compulsory Elementary Education in the locality, I have written to the authorities as early as 10-2-1947 for permission for the construction of a shed for providing additional accommodation for the children to be newly enrolled under the scheme of compulsion. The matter has been under correspondence and I have addressed the Divisional Inspector of Schools, Madura Division, on 13-8-47 itself, with a view to expediting the question, vide, copy of my letter enclosed.

I have not so far received any orders in the matter. As I have gathered necessary building materials for the construction of the proposed shed and as the rainy season is fast approaching, I am anxious to put the materials to the best use.

I, therefore, request that you will so good as to arrange to let me have early orders so that my school will be eligible for the usual grant already promised.

Thanking you in anticipation,

Yours faithfully,

(Sd.) V. S. Swaminathan.

To

The Director of Public Instruction,
M A D R A S.

Sir,

SUB: Compulsory Education -- Construction
of shed to provide additional Accommo-
dation -- Reminder.

I wrote to you on 28-9-'47 requesting permis-
sion for the construction of the shed to provide addi-
tional accommodation due to compulsory Education.

Till now, I am not favoured with any orders.
As I have gathered all the necessary materials for
the construction of the shed and the work is not com-
menced yet due to the non-receipt of specific order
from you.

I, therefore request you once again to be
good enough to send early orders so that I may begin
the work immediately.

Thanking you,

Yours faithfully,

(sd) V. S. Swaminathan

Copy of para 2 of letter Rec.No. 512-B2/47 dated 21-10-47.

The Suriyanarayana Sastriar Elementary School, Manamadura is situated in the compulsory area and the management has applied for a grant towards the construction of a shed. The school has standards 1 to 5 and it is intended to cater to the needs of children of schoolage of Wards Nos. 8, 9 and 10. The children of schoolage in these wards are 221 (149 plus 72) and 138 (97 plus 41) are said to be under instruction and 83 are yet to be provided in May 1947. Nearby, there are two others schools;

1. Kannar Street Elementary School and
2. A.M.C.C. Boarding School.

within 6 furlongs and vacant school places (about 60) are available in the A.M.C.C. School. Kannar Street School requires additional accommodation* for the Suriyanarayana Sastriar Elementary School for a small number of children may perhaps be conceded, now, but if the management of Kannar Street School secures suitable rented accommodation, additional accommodation for Suriyanarayana Sastriar School may not be absolutely essential.

and the management has been asked to find a suitable rented building for additional accommodation. The question of additional accommodation

Nanamadura.

5/10/48

5/10/48

RR

3 I may state in this connection that the Correspondent has put up a shed at a cost of about Rs.4000/- without even getting the plans and estimates approved by the Divisional Inspector and has applied for a grant Rs.2000/- quoting the G.O. referred to above as authority for the amount. In this G.O. Government have only authorised permission being granted for constructing a shed and for sanctioning grant in the usual way. Ordinarily a grant of Rs.1000/- only is sanctioned for the construction of a temporary shed for compulsory elementary education.

4. The Divisional Inspector reports that since the Correspondent has put up the shed violating the rules without obtaining the approval of the Department the grant may be refused.

5. I agree with the Divisional Inspector and in the circumstances explained above and in view of the antecedents already brought to the notice of Government in my endorsement Roc.No.1228 B1/48 dated 15-7-1948 I request Government to revise their order sanctioning the grant for the school.

6 If in spite of the above facts Government think that the grant should be sanctioned and the action of the Correspondent in having put up the shed without the approval of the Department should be ratified, I request orders of Government as to the amount of grant that has to be sanctioned for the shed constructed by him.

7 A copy of the Correspondent's letter dated 12-12-1947 to the Divisional Inspector of Schools, Mathurai is enclosed for information.

Yours faithfully,
