From: D. Padmanabhan Esq., I.C.S.,
Superintendent of Stationery,
Madras at Guindy,
Madras 15.

To The Secretary to Government,
Education & Public Health
Department, Madras.

No.A.2.601/48 dated 16-1-48.

Sir,

STATIONERY OFFICE - Conveyance allowance - Sanction of
Government - requested.

The office including stores was shifted to Guindy only
on account of emergency. While other offices that have shifted
elsewhere during emergency have gone back to their original places,
this office continues to function at Guindy as the original place
is under the occupation of Civil Supplies Department.

2. Ever since the removal of this office to Guindy, the
difficulty of securing accommodation for the staff in or near
about Guindy has continued. I enclose herewith a copy of the
Board's reference Z.1.01708/47 CS dated 26-8-47. From this, it
will be seen that the office will have to continue in its present
place.

3. The Assistant Superintendent of Stationery and 43
workers in the stationery stores are drawing conveyance allowance.
The members of the clerical staff residing in the City are
incurring heavy expenditure for conveyance both by train and bus
to attend office at Guindy, which is very difficult for them to
meet especially in these days of abnormal increase in the cost
of living. I enclose herewith a copy of G.O.No.Ms.3901 Development
dated 15-10-46 received from the Director of Agriculture, Chepauk,
sanctioning conveyance allowance of Rs.10/- each per mensem to
such of the staff of the office of the Director of Agriculture
including peons as are required to work in George Town. An
allowance of Rs.10/- was granted for the part of the staff of the
Director of Agriculture, working in George Town for transfer from
Chepauk, a distance of 3 miles. It is therefore necessary and
equitable that this office which was originally located at the
Beach and subsequently shifted to Guindy, a distance of 9 miles
should be granted a conveyance allowance at least to the same
extent.

4. I therefore request that Government will be pleased to
reconsider their orders passed in Government memorandum No.29302-B-43-1
Education dated 18-9-1943 and No.23229-C/47-2 Education dated 26-4-47
and sanction the conveyance allowance of Rs.10/- to the clerical
staff of the Stationery Office including peons with retrospective
effect.

BUILDINGS - Government Stationery Stores and Office - Narasimnagar - Guindy - shifting back to Stamp and Stationery godowns at the I Line Beach - orders passed.

READ: From the Collector of Madras No.B3.6268/47 dated 22-7-47.
From the Wheat Supervisor, Madras No.W.569/47 dated 5-8-47.

The Board considers that it is not desirable to return the stationery godown to the Superintendent of Stationery, until either the rationing in the city is abolished or else the job of wholesaler in the city is handed back to the Trade or to a Cooperative Society. Even if it is handed over to a Cooperative Society, they will probably want to use the Government godowns.

It will not only be very inconvenient if this excellent godown near the harbour is surrendered but will also be more expensive to the consumers. In these circumstances it will not be possible to vacate this stamp and stationery godown for accommodating the stationery stores and office. The Government, Food Department, have already been informed to this effect. The Narasu studios are being informed that it is not possible to vacate now the Stationery Office in the I Line Beach.

Sub: Stationery office - Conveyance allowance for clerical staff.

Ref: From the Superintendent of Stationery, No.A.2.601/48 dated 16-1-48.

The Superintendent of Stationery requests that the clerical staff in his office may be given a conveyance allowance of Rs.10/- a month with retrospective effect. In G.O.No.1464, Education, dated 30-10-43, the proposal of the Superintendent to give the staff an allowance to cover the cost of Railway season tickets was negated. In Memorandum No.23229 C2/47-2, Edn., dated 26-4-47 a proposal to grant a conveyance allowance of Rs.5/- each to the clerical staff was not accepted. The Superintendent now points out that the Govt. have sanctioned a conveyance allowance of Rs.10/- a month to the non-payable staff of the Office of the Director of Agriculture including peons who are required to work in George Town as a part of the office has been shifted. In view of this there is really a case for sanctioning conveyance allowance to the clerical staff in the Stationery Office. But it may be sanctioned with effect from 1-1-48. Finance may see for remarks before circulation.

Finance (F.I.).

Please see the Edn.& P.H.note above.

The question of the grant of a separate conveyance for the clerical staff of the Stationery office was examined in 1943 and in the Memo on p.13 C.F.of G.O.1464 Edn.d/30-10-43 the Govt. declined to accept the recommendation of the Supdt. that the staff of the office residing in the City be granted a fixed conveyance of Rs 5 p.m. --cf.in this connection the remarks of this Deptt.on pp.3-5 N.F.of G.O.at flag (Z). These reasons hold good.

It

It may be observed that the reasons now adduced that the staff of another office (Dir. of Agriculture) is allowed such a concession is not in itself a reason to reconsider a decision already arrived at by the Govt. From a copy of the G.O. 3901 Devt. dated 15-10-46 - (copy on p. 5 C.F.) it may be seen that the concession in that case was allowed as a special case. This cannot therefore be adduced as a reason for re-opening a case already disposed.

The Stationery office moved to Guindy as a wartime measure about 1942 and already 6 years have passed without any concession to the staff. It is possible that the office may return to the old premises in due course, and no interim measure of relief at this date seems essential.

3. In the above circumstances this deptt. may advise against the proposal.

~~For orders, whether the case may be pressed in circulation.~~

As stated by Finance in the above note the Request for a special conveyance allowance to the staff of the Stationery Office at Guindy has been turned down twice that is, in 1943 & 1947.

The Supt. of Stationery has again submitted the proposal in his letter in the cf, and on the present occasion he suggests a conveyance allowance of Rs 10/- per annum to the clerks and

peons of the Stationery Office, with retrospective effect - and this proposal is made on the analogy of the case of the staff of the Agriculture Dept. attending office in George Town, who have been allowed a special conveyance allowance of Rs 10/- each p.m. -

There is a case for sanctioning the proposal in view of the precedent referred to. Finance disagree and consider the grant of the concession in the case of the Agriculture Dept. is no reason for reopening the matter.

- It is for orders
- (i) whether the view of Finance may be accepted, or
 - (ii) whether on the analogy of the request may be allowed a conveyance allowance of Rs 10/- per annum granted to the staff (whose number may be about 30); and
 - (iii) in case the concession is to be allowed, from what date it is to be allowed

Dept. Dept.

With reference to Finance note at A above, the
circumstances under which the staff of the D.A.
office was granted special conveyance allowance
is stated below.

2. Owing to the sudden situation created with
the vast expansion of the office of the D.A. along with
the expansion of the Dept. the number of the staff also increased
considerably and it was found impossible to accommodate
the entire staff in the building at Chapank. Part of the
staff had therefore to be shifted to a building in the
George Town with effect from 2.7.1946. The D.A. then
recommended that it would be only fair that such of the
members of the non-gazetted staff who were posted for
work in the George Town office, might be paid conveyance
charges. As the staff employed in the George Town office had
to incur extra expenditure by way of conveyance charges,
the D.A. recommended that the members of the non-gazetted staff
of the George Town office might be granted a conveyance allowance
of Rs 10/- p.m. so long as the part of his office remained
at George Town. The D.A.'s recommendation was accepted
by Govt and orders were issued accordingly in G.O. No
HS. 3901 Dwd. 15.10.46. for the grant of a conveyance
allowance with effect from 2.7.1946.

3. It may also be stated in this connection that
the question of abolishing the allowance is under
separate consideration of Govt.

With the above information the file may be returned to Finance
The reply Govt will be sent to SPH

Please see this depts.'s note on p. 1 ante. and the notes following:- The case relates to the request made by the clerical staff of the office of the Supdt. of Sty., that they may given a conveyance allowance of Rs.10 p.m. with retrospective effect. On two previous occasions the request of the clerical staff of the Sty. office for the grant of the allowance ^{was} ~~were~~ considered ^{negatively} ~~negated~~. On this occasion they request for the ~~grant~~ of the allowance on the analogy of the case in the Agriculture Deptt. where part of the non-gazetted staff of the office of the Director of Agriculture including peons were granted conveyance allowance for working in the George town while the main office is in chepauk. When this question was being considered orders ~~for~~ were issued in Dev. Deptt. in May 1948 stopping the allowance granted to the staff of the office of the Director of Agriculture working in George town. The circumstances under which a conveyance allowance was granted to the staff of the Agriculture Deptt. and withdrawn have been set out on pp. 6-7 of notes to G.O.No.2600 Dev. dated 21-5-48. Even the solitary precedent on which the clerical staff of the Sty., office based their claim for the grant of the allowance, ^{is no longer in force} ~~has seen~~ to ~~exist~~ operate in the circumstances. It is for consideration whether the request of the clerical staff of Sty. office for the grant of conveyance allowance will ~~pursued~~ ^{be pursued} further. The case may be circulated to H.M.(Edn.), H.M.(Fin.) with reference to their minutes on p.3 ante.
