No.S.K.8324/48.

Dated: 12/8/48.

Sub: Stationery Stores, Madras - Government holidays - 10th
and 16th June 1948 - Wages for carpenters and Coolies -
Sanction - request of.

Carpenters and coolies who are daily rated labourers of this office request payment of wages for the 10th June 1948 which was a holiday on account of King's birthday. In view of the present day high cost of living, it is requested that Government may be pleased to accord sanction for the grant of wages to the labourers for this day, even though the Store was closed.

day of
16th/June 1948 was declared a holiday on account of the demise of Hon'ble Minister Mr. Daniel Thomas. There was not sufficient notice to inform the labourers before hand that they need not attend office on that day. Intimation to close office was received on phone only at about 12-15 p.m. on that date and hence the labourers had to go away after attending the work from 10 a.m. to about 12-30 p.m. In the circumstances, wages were drawn and paid to them for that day in anticipation of sanction of Government. It is therefore requested that Government may be pleased to ratify my action.

The Supdt. of Sty., requests that wages may be sanctioned to the daily rated labourers of his office for the 10th June 1948 which was a holiday on account of King's birthday. He says, that in view of the high cost of living, the labourers may be granted wages even though the Stores were closed. It may be noted that in 1938 wages was granted to the coolies in the Sty., Office for the holidays for the Empire Day and King Emperor's birthday. Indexes of the succeeding years upto date have been examined and no other similar precedent is traceable. It is for orders that following the precedents of the 1938 wages may be granted to daily rated employees of the stationery office for the King's birthday this year. *also*. P.W.D. may be consulted as to the procedure adopted in the case of P.W.D. workshops.

2. The Supdt. of Sty., further says that 16th June '48 was declared a holiday on account of demise of Mr. Daniel Thomas and there was not sufficient notice to inform the labourers before hand that they need not attend office on that day as intimation to close the office was received on phone only at about 12.15.P.M. on that date. He therefore says, that the labourers had to go ~~way~~ away after attending the work of 10 A.M. To about 12-30 P.M. and that wages drawn and paid to them for that day in anticipation of ~~the~~ sanction of Govt. He requests that his action may be ratified

3. As the demise of great persons like a Minister of Govt. occurs only between long intervals and in the circumstances stated by the Supdt. of Sty., it seems but fair to ratify the action of the Supdt. of Sty., in having drawn the wages and paid the labourers. // The file may be sent to P.W.D. and Fin. for remarks.
