My dear Shri Avinashilingam,

We had decided not to take any more government candidates for training at Sevagram. The special conditions in Assam and Orissa make it, however, necessary that we should train another batch of government officers for Assam and Orissa. We are, therefore going to conduct another training course, for the different provincial governments this year also for six months from November. to April

In case your government wishes to avail itself of this training, you may kindly let us know at ~~x~~ your earliest conveneince. The enclosed circular letter is for the information of your department.

I was in Madras for a day on the 21st June, when I returned from Tirupur. I could not meet you then.

With best regards,

Yours sincerely,
Asha Devi.

Shri T.S.Avinashilingam
Chettiar,
Minister of Education,
Madras.

Hindustani Talimi Sangh,
Sevagram, 30th June,'48.

Dear friend,

We shall be glad to admit this year 8 teachers from your province for training in basic education at the Nai Talim Training Institute at Sevagram. The session will begin on November 5, 1948 and close on April, 30.

The trainees for training should be carefully selected in accordance with the following plans:--

Essential Staff for a Basic Training School:

1. **Principal:** One with administrative experience in running a training school and ability to take charge of the entire educational programme with a clear understanding of the principles and practice of Nai Talim. He should also possess the capacity to guide the pupil-teachers in the organisation of their community life and cultural activities.

2. **Agricultural Expert** with experience in practical agriculture.

3. **Spinning and Weaving Expert** preferrably a science graduate with physics and mathematics.

4. **Professor of Health and Hygiene** preferrably a qualified doctor who will be in charge of the health education and programmes of personal and community cleanliness and take the course in Dietetics, Physiology, Hygiene and Rural sanitation.

5. **The Headmaster** of the practising school who will assist the Principal in the organisation of observation of school work, practise-teaching, preparation of lesson-notes and programmes of teaching.

6. **A literature expert** who will with the help of the staff and students of the training centre prepare the necessary literature of basic education for teachers and pupils.

It would be good if the staff of the training school also included members who could give the necessary training to ~~teachers of the staff~~ pupil-teachers in art, music and physical education. One of the teachers of the staff should also be able to teach the National Language, Hindustani, to the pupil-teachers. It would also be good if the staff incuded experts in other basic crafts such as wood and metal work.

In the selection of trainees to be deputed to Sevagram, you should either select two groups of four each or one group of eight. The essential group of four should include The Principal, the Headmaster of the practising school, the Craft Expert and the Professor of Health and Hygiene.

RULES OF LIFE: The trainees will be expected to observe the following rules of life during their training course at Sevagram:--

1. All clothing and bedding for personal use must be of certified Khadi.
2. The trainees will be expected to do all their personal work and the necessary work of the community life as a part of their educational programme.
3. The trainees will be expected to join the common kitchen of the institution which will provide simple vegetarian diet. The kitchen will run on the basis of co-operative work. No distinction of caste and creed will be observed in the kitchen or dining hall.
4. No smoking ~~x~~will be allowed in the premises of the Hindustani Talimi Sangh.
5. The religious life of the community is ~~x~~ non-commnal and is organised on the basis of equal respect to all religions.

The educational programme will include strenuous physical work. It is expected, therefore, that only physically fit candidates will be selected as trainees.

The following things will be expected to be brought by the trainees with them:--

1. Necessary bedding and clothing including warm bedding and clothing for the Winter months.
2. A mosquito-net. This is essential as Sevagram is a malarial area.
3. Necessary utensils for eating and an individual bucket and a mug for bathing.
4. A Lantern.

All the educational equipments will be avialable to the trainees on arrival here.

The final selection of the trainees will be after a month's probation.

We woud request you to make the selectionas early as possible and send the selected staff for preliminary training in basic education to one of the basic training institutions already started in your province. The necessary training in the national language should be given during this period. The selected staff can come then to Sevagram for advance training in November. We would, however, request you to send the selected experts in the basic craft spinning and weaving to Sevagram earlier preferrably in July.

The financial arrangements regarding your trainees must be as follows:--

1. The following amounts per trainee deputed should be sent to the Secretary, Hindustani Talimi Sangh,

before the 5th November, '48 the date of admission of the trainees:--

Teaching grant -- --- --- ---	Rs. 250/- per trainee
Craft Equipment Grant	Rs. 20/- " "
Stipend + deputation allowance for six months (November,'48 to April,49) at Rs. 30/- per month.	Rs. 180/- per trainee
Total Rs. --	Rs. 450/- per trainee.

2. Proper arrangements should be made in time - before the trainees arrive here for the regular payment of their monthly salaries.

3. All Payments should be made through the Imperial Bank, Wardha.

4. Out of the stipend Rs. 30/- each trainee will pay the Hindustani Talimi Sangh Rs. 18/- for food, Rs. 1/- for Hostel fees, and Rs. 1/- for medical fees, every month. The balance of Rs. 10/- will be for their personal extra expenses here.

A

I hope it will be possible for you to let me know by July 31, 1948 how many candidates you propose to send to Sevagram for training, and how many of those will be women to enable us to make the necessary arrangements before November 5.

Yours sincerely,

Sd/- E.W.Aryanayakam.

Received your letter dated the 28th August. Smt. Ashadevi left for Delhi on the 1st to attend a meeting of the Executive Committee of the K.C.M.Trust, on the 5th. She will be away for a fortnight, as she will proceed to Jaipur also in connection with the Congress Exhibition.

We have to admit over 80 candidates from the different provinces and states for training in Basic Education in November. This has made it difficult for us to take more than 8 from each province. We shall make an exception in the case of Madras Presidency and admit 12 candidates for training. We fully appreciate your difficulties in having to staff the four linguistic provinces. We would like you to be careful with regard to the selection. They should be a homogeneous batch suitable for being employed in a particular training institute in the four linguistic provinces. We do not like the idea of spreading out candidates trained at Sewagram. If they are posted together they will be able to show fruitful results according to the training they had received.

You may arrange to send the monthly reports of the teachers trained last year to me direct. Any correspondence or reference wit regard to basic education in South India may be addressed to the Secretary,Hindustani Talimi Sangh, Sewagram and not to Sri G.Ramachandran who is now the Minister of Agriculture in Travancore.

You have not sent us any account of the work in South India under your guidance as a contribution to "Khadi Jagat" Kindly do so, because Smt.Ashadevi will appreciate it very much as she is always keen to give news from various provinces.

With best wishes for your work.

(Issued as Memo No.52839-B2/48-4, Edn., dated 7-9-48)

From the D.P.I., No.264 M/48, dated 12--10--1948.

The D.P.I. has reported the names of eleven candidates for deputation to Wardha this year for training. He has asked for permission to select the 12th candidate himself and depute him to Wardha. The Govt. have already sanctioned the deputation of ten of these in G.O.No.894, Edn., dated 15-4-1948. Sanction should now be accorded to the deputation of the remaining two teachers.

2. A draft order and a draft letter to the Secretary, Hindustani Talimi Sangh, Sevagram, are submitted for approval.

May be approved but I would like to say a word about selections. Mr. Ariyanayagam, Secretary of the Hindusthani Talimi Sangh was not happy over the selection of candidates by this Government last year. Care may be taken to see that suitable and smart young men or women are selected for this training.

SIR,

Sub: Deputation - Government servants deputed to Wardha for Training in Basic Education.

In G.O. No. 2606 Education dated 19/10/1948 permission was accorded for the deputation of 12 Government servants to Sevagram Wardha for training in Basic Education. Accordingly 12 candidates are now undergoing training at Sevagram. (A)

They have represented that most of the candidates deputed are juniors in Service and are eligible for III Class railway fare only. Considering the difficulty in travelling about 1000 miles in III class at a stretch, they have requested that they may be allowed to travel Inter Class on their return journey from Wardha as it will not be possible for them to get III class accommodation with their luggage in trains which are always overcrowded. I recommend that their request may be favourably considered.

Yours faithfully,

6.12.48

Ref: From the D. P. I. No. 264 M/48 dated 3.12.1948

The Govt have deputed twelve officers of the Education department to undergo a course of training at Wardha. The D. P. I reports ~~that~~ as the ~~officers~~ selected for deputation are ~~compared with the~~ comparatively Juniors in service they are eligible to travel in (IIIrd) third class only. He therefore suggests that the officers should be permitted to travel in the interclass on their return journey from Wardha [Presumably they have proceeded to Wardha by ~~third class~~ by travelling in third class.] The Fin. Dept have ~~constantly~~ consistently been refusing to accept the proposals to allow officers to travel in a class higher than that they are eligible. For orders whether the recommendation of the D. P. I. [illegible] may be accepted.
