Sub:--Schools--Secondary--Medium of Instruction--
P.S. High School, Mylapore- 1948-49.
Ref:--G.O. No. Ms.1987 Edn. dated 12.9.47. (M)

In the G.O. quoted above, permission was granted for the adoption of english as the medium of instruction in one section of Form IV in the P.S. High School, Mylapore during 1947-48. The correspondent has repeated the request this year also and wants to adopt english medium in one out of the 8 sections in IV form. On a reference to the school about the necessity for this section has 34 pupils, of which 19 have received instruction in Tamil during 1947-48. The plea of the management is that the attainments of the pupils in the regional language are very poor. But at the same time strong in english and that some of them had their previous education through English medium. I have asked the Headmaster to admit the 19 pupils referred to above in the Tamil section. As for the remaining 15, there may not be any justification for forming a separate section in english with this number. But in as much as these were already admitted, I recommend that permission may be granted to adopt english medium in one section of Form IV during 1948-49.

Yours faithfully,

Thiruvalluvar
