A copy of the above reference is submitted herewith.
The Pudukottai Durbar resolved to send three candidates every
year to the Ramakrishna Home, Mylapore from Pudukottai State
territory, and meet the cost of their maintenance. Accordingly
two boys were admitted during 1947 and a donation of Rs.600/-
was paid from the State Funds. Both the boys have been
promoted to higher classes. The Special Deputy Collector,
Pudukottai requests that orders may be issued continuing the
maintenance of the two boys in the Home and contributing Rs.600/
every year. The matter was referred by me to the Director of
Public Instruction, Madras in my L.Dis.8289/48 dated 26-6-48,
but no orders have been passed by him.

2. It is just and necessary that the obligation
entered into by the previous Durbar is honoured by the
successor Government. The institution is doing very good work
in the field and any sum advanced towards ~~that~~ it will not
be a wasteful expenditure. Hence I request that Government
may be pleased to sanction the payment of the donation of
Rs.600/- this year and also to continue the payment till both
the boys complete the S.S.L.C. standard. Orders may be passed
urgently.

Copy of Pudukottai Special Deputy Collector's
Rc.A.2.5738/48 dated 23-6-1948.

The Darbar resolved to send three candidates from the
Pudukottai State (Territory) and pay as donation the cost
of maintaining them, viz., Rs.900/- every year (at Rs.300/-
a student).

2. Last year there were only two candidates. So they
sent G.Santanam, s/o Mr. T.S.Guruswami Ayyar and M.Govinda-
rajan, s/o Bakkiyam Ammal, both being natives of the State
and poor. At the rate of Rs.300/- a student, a donation of
Rs.600/- was also sent to the mission and acknowledged
by the treasurer of the Mission on 1-9-1947.

3. The students were admitted in the Home; G.Santanam
was admitted in the III Form and Govindarajan in the V Form.
Both the students have now been promoted to higher classes.

-2-
4. The State has merged with the Indian Dominion. The amount to be spent on these two students in this behalf is Rs.600/- a year. I recommend the continuance of the donation of Rs.600/- a year in respect of these two boys who have already been admitted in the Ramakrishna Mission Home.

RESUBMITTED.

2. As suggested by the Collector, Tiruchirapalli, it seems necessary to continue the payment of donation on behalf of the two pupils in the Ramakrishna Home, Mylapore, deputed by the State. But in as much as the State has merged with the Government of Madras there is no question of payment of 'donation' by the Government. It will be a 'grant' payable by the Government.

3. The Government may perhaps authorize the Collector of the District to pay a 'special Grant' of Rs.600/- to the Home towards the maintenance of the two pupils.

RAO BAHADUR C. RAMANUJACHARI,
SECRETARY.

30th September, 1948.

Dear Mr. Subramaniam,

In response to an appeal made to the Dewan of Pudukkottai state on behalf of the Orphanage - the Ramakrishna Students' Home - in February 1947, the Durbar in its letter dated 6-3-1947, resolved to send three candidates from the State and pay us a donation being the cost of maintaining them, namely, Rs.900/- every year. Enclosed is a copy of it. Only two students were admitted during the School-year 1947 - 1948, one boy in the 3rd Form and the other in the 5th Form. They were the nominees of the Durbar. The amount payable on account of them for the year 1947-48 was received in September 1947. The two boys had been promoted and are continuing in the School.

After the change in administration I was informed that the Collector of Tiruchirapalli has been addressed in the matter of the payment for the year 1948-49. I wrote to the Collector directly to secure the sanction for the payment. I now understand from the Special Deputy Collector that the matter has been referred to the Government and is pending with the Government in the Educational Department. I write to request you to secure the continuance of the scholarship even if it be by stretching a point.

The Orphanage has suffered seriously from deficits since the outbreak of the war. It has had to face deficits every year since 1942; and in 1946, the deficit peaked to the figure of Rs.20,800/-. As a consequence, the Home had to dig into its slender capital and has so far lost more than lakh of rupees. All this is entirely due to the fact that the expenditure has increased 6 times owing to the abnormal rise in the price of food stuffs. I dare say you know the Home is a free boarding house for 300 destitute students, and accordingly the fluctuations in the price of provisions affect the expenditure. While the normal resources have not even come to the usual level, the expenditure has been soaring higher and higher. It will be a great help to the Institution if the contribution that it has been getting from the Durbar is continued. You know the worth of the Institution. Its finances are very badly off.

-- 2 --

I sincerely trust that the Government will allow the arrangement come to by the Durbar to be continued.

Kindly excuse me for the trouble I am giving you and the liberty I have taken.

Yours sincerely,

Chamanyukan
