OFFICE OF THE
DIRECTOR OF PUBLIC INSTRUCTION
M A D R A S.

R66. NO.1293-E.3/48, Dated 23--9--1948

From THE DIRECTOR OF PUBLIC INSTRUCTION,
M A D R A S.

To THE SECRETARY TO GOVERNMENT,
Education and Public Health Deptt.,
Fort St. George, M a d r a s.

Sir,

Sub:- SCHOOLS - Secondary - Medium of
Instruction - Municipal High
School, Gudiyattam - North
Arcot - 1948-1949.

In G.O.Ms.No.487, Education dated 3--3--1948, permission was accorded for the adoption of English medium during 1947-48 in one section of Form IV in the Municipal High School, Gudiyattam. There are three sections in Form IV of this school and the management has again applied for permission to adopt English medium in one section of Form IV during 1948-1949. The Commissioner, Gudiyattam Municipality has stated that in spite of advertisement, they could not secure the services of Telugu L.T. Assistants and he has also sent a resolution of the Municipal Council to that effect. In the circumstances, I recommend that permission may kindly be granted for the adoption of English medium during 1948-1949 in one section of Form IV.

I have already granted permission to adopt English medium in one section of Form V and two sections in Form VI.

Yours faithfully,

for Director of Public Instruction.

Sub:-- Education - Municipal High School, Gudiyattam - Re-organisation of secondary education - Medium of instruction - Form IV - ~~approximate~~ Proposals - submitted.

Last year there was one Telugu Section in Form III with Telugu as the medium of instruction. Out of these 17 pupils 15 pupils were promoted to Form IV. The strength as it is in Form IV according to language is as follows:-

Tamil	...	94.
Telugu	...	24.
Urdu	...	7.

The regional language for Gudiyattam has not yet been definitely fixed. If Tamil is considered the regional language, the telugu pupils will be affected and if Telueu is declared as the regional language the tamil pupils will be affected. It is the policy of the Government that local regional language should be the medium of instruction in non-language subjects in all classes.

So I request you to kindly fix the regional language for this school and also to apply for such exemptions as may be found necessary.

Since the work for the year should be commenced without delay, I request that early orders may be passed.

M.S. Natesan,
Headmaster, M.H.S. Gudiyattam.

SNS/24.9

More than 45 pupils cannot be admitted in one section but the strength is no distributed that Tamil and Telugu boys have to be put together in section B. As the Telugu pupils were reading their lessons only in Telugu from class IV to Form III, it is impossible for them to follow teaching in Tamil. In pursuance of the Council resolution decided on opening of Telugu sections in higher forms, advertisement was made for Telugu B.T.S. to form there seems to be no response from any. As such, it becomes quite necessary that these pupils should be taught only in English.

The regional language for Gudiyattam has not yet been definitely fixed. If Tamil is considered the regional language, the Telugu pupils will be affected and if Telugu is decided as the regional language the Tamil pupils will be affected. It is the policy of the Government that local regional language should be the medium of instruction in non-language subjects in all classes.

So I request you to kindly fix the regional language for this school and also to apply for such exemptions as may be found necessary.

Since the work for the year should be commenced without delay, I request that early orders may be passed.

Headmaster, M.H.S. Gudiyattam.
