Previous orders—Modified.

READ—the following papers :—

G.O. No. 506, Education, dated 2nd April 1945.

G.O. No. 1717, Education, dated 8th July 1948.

From the Director of Public Instruction, R.C. No. 3705 B-2/47, dated 18th August 1948.

Order—No. 2626, Education, dated 20th October 1948.

In modification of all previous orders, the Government direct that the administrative approval of the Director of Public Instruction should be obtained for repairs to school buildings under the control of local bodies if they cost more than Rs. 5,000 in the case of each building or involved substantial structural alterations to the building. For the construction of thatched sheds, irrespective of the expenditure involved, it will be sufficient if the plans alone are sent to the Director of Public Instruction for approval

and the estimates need not be sent. If the plans have been prepared according to the approved design even they need not be sent to the Director of Public Instruction.

2. The above decisions will be incorporated in the Local Boards Manual and the Municipal Accounts Code at the earliest opportunity. Meantime local bodies are apprised of the decisions so that they may be followed in all future cases.

Extract of the Minutes of H.M. (Cdn) dated 5th July 1948. in G.O. 1717 (d) d82

This order may issue.

But I wonder whether we cannot increase this limit to 5,000. Constant correspondence between the local boards and the D.P.I. is a nuisance for both of them. After all, the local bodies are responsible institutions and I think we can raise this limit to 5,000 without impairing efficiency but in order to consider this matter, I do not want further delay and so, whatever has been agreed upon now, may be issued in the form of a G.O. and this may be considered as a fresh proposal.
