Sir,

Unty. Examns. - Permission for students to appear privately.

Many of the Universities in India, it is understood, allow candidates to appear for public examinations conducted by them by private study. This system is taken advantage of particularly by persons employed in ~~xp~~ professions and ladies who do not like to go and spend ~~outside~~ away from their families ~~long periods~~ even for purposes of study. ~~The Govt. do not see the any reason why such an opportunity should be denied to hundreds of young men and women in this Province,~~ who want to appear for the ~~Unty. examinations~~ after study privately. I am to request that

long periods

It would be possible to introduce the system in this province also.

-2-

you will be so good as to obtain the views of the Unty. in the matter and communicate them to Govt.

PRIME MINISTER
18 JUL 1946
GOVT. OF MADRAS

From
K. Malayappan,
C/o Sub Registrar,
Cumbum, Madura District.

Edl H

ASST. SECRETARY TO GOVERNMENT
20 JUL 1946
EDUCATION AND PUBLIC HEALTH DEPT.

To
The Honourable Minister for Education,
Madras.

39380

Sir,

I would like to place the following for your kind and due consideration and favourable disposal.

The honourable Minister knows pretty well that my Community men (Harijans) are oppressed and depressed in all walk of their life. To emerge out from these oppressions and to lead a life like other men, good and high education is necessary.

As they are financially and socially depressed, they are unable to go for higher studies. Many, though desirous of going for higher studies, are unable to proceed after passing S.S.L.C. or Inter. Sometimes they discontinue their studies after passing 1st or 2nd class, because of many inconveniences.

To give an opportunity to such people after they enter into life, when they are unable to join the College to fulfill their desire, I suggest that they may be allowed to sit for the University examination, either for Inter or B.A. as the case may be without joining the college, as teachers do now when they put in a service of three years.

This requires no finance and it is within the easy reach of the Minister and I trust that the Minister who has well served the Community so far will not hesitate to move and enforce the same by next March.

Your Ever,

K. Malayappan 11.7.46

Copy: To Prime Minister, Madras.

Kandamangalam.
Tiruk[illegible] P.O.

To

Sri T. S. Avinashilingam Chettiar
Minister for Education
Govt of Madras. Madras.

Sir,

I beg to lay before you the following few lines for favour of remedial measures.

That my son by name. M. Ramachandran, has passed in March 46, his B.A. (Hons) Mathematics in II Dn with Differential Equations as Spl. Subjects from St. Joseph's college Trichinopoly

That I wrote to the registrar university of Madras that he may be permitted to appear in the Spl. Subjects — Statistics — of B.A. (Hons) Standard, as a private candidate. It appears that there are the following Spl. Subjects:— Statistics — Differential Equations — Hydro-Dynamics — Potential. and all the colleges in the Presidency do not ~~teach~~ teach all the Spl. Subjects. Therefore the pupil has to ~~be~~ take up the Spl. Subjects ~~from~~ taught in the college where he gets admission. Admission to college is not in the liking of the students. If at all he gets admission in a college he has to be very thankful. To secure admission in a college to suit his taste is next to impossibility in Madras Presidency.

Then I personally approached the Principal St Joseph's college that he may be admitted in Economics (Hons) He would not do so as the college was full.

The boy is aged 19 (complete). He is not eligible to sit for any "All India service competitive Exm" before he attains 21.

5/8/46

3

for these two years he must continue his studies regularly.

Personally I feel that a great injustice has been done to an ambitious young boy, because of the present university regulations and paucity of accommodation in Colleges.

I would request you to take up the matter and remedy the injustice done by permitting those boys who have completed their degree Exams to appear for Spl. subjects or for other degrees as a "Private Candidate"

I do not think that any harm will be done by agreeing to this method, till such time as suitable measures are taken to relieve the present situation in the matter of "Admission to Colleges". I have been closely following the Govt. communique and the Syndicate reply in the matter of admission to colleges. The present decision, I think, would not have relieved the situation. The principals may not allow their colleges to be overcrowded and the Syndicate has thrown the responsibility on the "authorities". So I think the only course will be to allow art students, such as Economics, history, Geography etc, to appear as private candidates. It is only a close study of the present strength of the colleges with those of previous years will shew if I am wrong.

Kindly acknowledge receipt & favour me with your kind orders to enable my son to continue his studies either for "Statistics" or "for Economics" or for "both"

Thanking you.

Yours truly,
R. Ma[illegible]
6-7-46

P.S. If I remember correctly, in my younger days ambitious young men had the opportunity of appearing as "private candidates".

I have the honour by direction to inform you that the Academic Council at its meeting held on 12-12-46 decided on the recommendation of the Syndicate to extend, as in the case of teachers and women candidates, the privileges of appearing by private study for the Matriculation, Intermediate and B.A. degree Examinations in non-Science subjects, to those who are in Government and other services. Necessary Regulations in this behalf will be placed before the Academic Council at its meeting to be held in March 1947 with a view to giving effect to them as from the Intermediate and B.A. degree examinations of September 1947 and Matriculation examination of March 1948.

ASST. SECRETARY GOVERNMENT EDUCATION DEPT.
28 FEB 1947

16859

Sir,

There was, some days ago, an announcement in the papers that the Academic Council of the Andhra University had extended to persons employed in Government service, etc. the concession of appearing by private study for the Matriculation, Intermediate and B.A., Degree examinations of that University in non-Science subjects under certain conditions. I came to realize that the grant of this concession was entirely a result of the kind efforts made by Government to help persons who could not afford to join colleges and undergo regular courses ~~in~~ of instruction there. I wrote to the Registrar of the University requesting him to inform me what the conditions referred to in the announcement were and, in reply, I got the enclosed form of application. One of the conditions specified at the foot of the form is that the three years of approved service expected of Government servants should be in the University area of affiliation. I knew that I did not satisfy this condition since my service in the Secretariat is in Madras. I have got this view confirmed by the University also.

p.16 infra

Despite the fact of my service not being in the University area, I would be eligible for the exemption from the prescribed attendance if I had passed the examination of the same University immediately below the one for which I sought exemption. I did not satisfy this condition, either.

There may be ~~quite~~ a ~~lot~~ good number of Government servants, placed in my position, who may be anxious to improve their qualifications by private study. But they are prevented from availing themselves of the concession afforded by the ~~said~~ University, because they are not employed in ~~the~~ a particular area and happen to be employed outside it, or have not passed examinations held by the University, though they have passed examinations of equivalent standard. I am under the belief that, if the Andhra University exempts from the prescribed attendance Government servants employed outside its area of affiliation, but within the Province, there cannot be, and will not be, any serious objections advanced by the other two Universities - viz., the Madras and the Annamalai which have not been pleased to extend a similar concession. As it is, the revised regulations of the Andhra University restrict the concession to a particular group of districts, and prevents persons in other areas of the Province from enjoying it.

I write this to Government in the humble hope that they will persuade the University authorities not to insist on the condition regarding service in the University area but to liberalise the grant of the exemptions in question.

If the University is not prepared to go to that extent, I submit that there is justification for the relaxation being ordered at least in favour of persons in the Secretariat Service. For the whole Province which comprises many linguistic areas, the seat of adminstration is Madras. Servants in the Secretariat, unlike those in other departments, are, in a way, permanent residents of Madras and are not transferred out of the headquarters and thus will not be able to put in service in the Andhra University area of affiliation.

Your obedient servant,

[17/47 (5-2-47—2,000)]

Ref:- Letter No.38092-C2-5 dated the 15th March 1947, and subsequent reminders thereto.

p27 ante

The Government has already been informed that the Syndicate had referred this matter to the Inter-University Board with a view to taking action acceptable to all the Universities in India. It is now ascertained from the Inter-University Board that it has resolved to refer the matter to a Universities' Commission, which it is recommended should be constituted by the Government of India. It apparently considers that the matter is of such great importance that action can only be taken after careful investigation by eminent educationists, who it is hoped would be members of the proposed Universities Commission.

p1 ante So far as the views of this University are concerned, the Government has been informed more than once that it considers that a course of instruction in a College is an essential part of University education, and with the exception of bona fide teachers it is not prepared to extend the system of appearing for University examinations after private study. The course adopted by the Inter-University Board seems to be the most desirable one under the circumstances. That one University has made a change does not always prove to another University that it is a change for the better. This University therefore proposes to wait till a common decision is taken by the Inter-University Board after the report of the Universities Commission.

Andhra

Yours faithfully,

R.R.Gurdarmel

TO GOVERNMENT
5 JUL 1946
AND PUBLIC HEALTH DEPT.

XXX

38092

Secretary, E. & P.H.

I understand that many of the other Universities in India allow persons to appear for public examinations by private studies. This is particularly taken advantage of by pupils employed in professions and ladies who do not like to go and spend outside their families long periods even for purposes ~~f~~ of study. I know the daughters of a friend of mine went to Calcutta to appear for the Calcutta Degree Examination by private studies and I do not see the reason why that opportunity should be denied to hundreds of young men and women who want to appear for such examinations in this province. The matter may be caused to be examined and a report submitted.

p 13 cf CNo. 4712 – From the Regr, Andhra University, letter d. 20.1.47

Of the three Universities in this Province consulted on the question of allowing persons to appear for public examinations by private studies on the analogy of certain other universities in India like the Calcutta University at the instance of HM (Edn) the Andhra University alone is agreeable to ~~award~~ grant this concession. Madras University considers that ~~it is~~ in the opinion of various University Authorities it is in the best interests of education, particularly in that of the education of women, that they should study in a University College. Annamalai University is only for considering the question of reducing the period of residence at the University in favour of teachers of experience as it is not possible under the Act to grant degrees on the basis of private study.

In July 1946 H.M. (Edn.) wanted to examine and submit a report whether the Universities of this Province also would extend the opportunities afforded by some of the other Universities in India in the matter of allowing persons to appear for public examinations by private studies. The 3 Universities were consulted. The Registrar of the Madras University reported that the Syndicate considered the question and resolved to inform the Govt. that the matter had been carefully considered by the various University Authorities and that they were of opinion that it was in the best interest of Edn., particularly in that of Edn. of Women, that they should study in a University College. The Academic Council of the Annamalai University has empowered the Syndicate to grant partial exemption to teachers of experience in the service of the University to appear for higher examinations under certain conditions. This concession is expected to help those who were refused exemption by the other Universities on the ground that they were not resi within the territorial jurisdiction of those univ sities. The Academic Council of the Andhra Univesit on the recommendation of the Syndicate, has decied to extend the privilege of appearing by private study for the Matriculation, Inter & B.A. degree examinations in non-Science subjects, to those who ar in Govt. and other services, with effect from Se. 47 i the case of Inter & B.A. degree exams. and fom Marc 48 in respect of Matriculation examination. This concession is, however, applicable to those who satisfy the conditions that they are employed in Govt. or other services and who have put in at least 3 years of approved service from the previous examination taken provided this service is in the University area of affiliation unless the candidate has passed the examination of that University immediately below

3809?-2

6 - 2 -

the examination for which exemption is sought. A request to relax these conditions has been negatived by the University. The Govt. again consulted ~~xx~~ the Madras University whether the concession granted by the Andhra University would be adopted by that University. The Registrar of the Madras University has informed that the Syndicate had already referred the matter to the Inter-University Board with a view to taking action acceptable to all the Universities in India, that the Inter-University Board considers that the matter is of such great importance that action can only be taken after careful investigation by eminent educationists, that it will be considered by the Universities' Commission proposed to be constituted by the Govt. of India, that so far as the views of the Madras University are concerned it is of the opinion that a course of instruction in a college is an essential part of University education, that with the exception of bona fide teachers it is not prepared to extend the system of appearing for University examinations after private study and that the University would wait till a decision is taken by e Inter-University Board after the ~~xxxx~~ report of the Univ sities' Commission.

p 21 c.f

pp 19-20 c.f.

p 39 c.f

o further action seems to be necessary now in the matter. The Inter-University Board's decision may be awaited. The file may be closed and a call noted for further action 6 month' hence. For orders.

The case may be circulated to H.M. (Edn.)
