Re.A2-1960/48 dated 7--5--48.

Supp. Schools-Vaniyambadi Municipality-Rahiman-pet Municipal Boys
school-building and site-alienation of-in favour of the
Hindu School Committee-sanction-requested.
Ref:-1. C.R.No.255 dated 29-11-1947.
C.R.No.40 (ii) dated 26--4--1948.
--O--

Early in the year 1935 the municipal Hindu Elementary Boys' school in Rahimanpet was abolished and the building, owned by this municipality with its equipments, was handed over to the Hindu School Committee, Vaniyambadi as per C.R.No.121 dated 20-9-35(copy enclosed) for running their elementary school free of rent on condition that free education was imparted and V standard was opened.

Subsequently in November 1946 the Hindu School Committee addressed a letter to the Commissioner requesting the council to take over the management of their elementary school put up in the municipal building at Rahimanpet as per its General Body resolution. This was placed before the council and the council in its resolution No.488 dated 27--2--47 on the opinion of the Education Committee resolved to pay a contribution of Rs.1000/- to the Hindu School Committee for running their school for the year 1947-48 instead of taking over the management of the school as per request of the Hindu School Committee as the financial position of the municipality did not permit the running of the school out of Municipal Funds. This was sanctioned in G.O.No.Rt 35 L.A., dated 12-1-48 and the amount was paid to the Hindu School Committee.

In July 1947 the District Educational Officer, North Arcot, Vellore advised the Hindu School Committee to vacate their school put up in the municipal building as it was in a dangerous condition. The Hindu School Committee accordingly vacated the building and requested the council to alienate the building and site in favour of it for carrying out major repairs to bring it to a fit condition for housing the school. It further stated that a sum of Rs.5000/- has to be spent on it and that such a large amount cannot be spent unless the building was alienated on its favour. This was placed before the council and the council in its resolution No.255 dated 29--11--47 and No.40 (ii) dated 26--4--48(copies enclosed) on the opinion of the Education Committee resolved to alienate the municipal building and site in favour of the Hindu School Committee with the sanction of the Government subject to the condition that the Hindu School Committee utilises the building for imparting Elementary Education under the existing conditions under which the building was originally handed over to it. The Hindu School Committee also agreed to the above conditions.

I request that the Government may be pleased to pass early orders in the matter.
