Sir,

ENCLOSURES _____

SPARE COPIES _____

In rule 8(1) of the Stationery Manual, Volume I, powers have been delegated to me to sanction petty purchases of stationery upto a limit of Rs.20/- in each case provided that - the want of such articles could not have been foreseen and included in the annual indents for stationery and that they are so urgently required that public interest will suffer by the delay involved in indenting on the Stationery Office for supply. This limit was fixed years ago. The prices of articles have risen abnormally compared to the pre-war rates and I, therefore, request that you may be pleased to obtain sanction of Government for enhancing the power of my local purchase upto a limit of Rs.50/- on each occasion. The quantity purchased for Rs.20/- does not meet the needs and sanction have to be accorded frequently. The necessity for local purchase has become frequent more as stocks are not available readily with the Superintendent of Stationery and considerable

considerable ^{difficulty} ~~difficulty~~ is experienced in pushing
through work.

Yours faithfully,

Forwarded.

As stated by the Director of Public Instruction, it is true that the prices have risen abnormally and some articles are not readily available for supply by this department. The causes for this situation are due to non-availability of sufficient quantity of raw materials, imposition of control and restricted traffic movement. But the above difficulties are not permanent features and the prices are bound to return to normal as soon as the difficulties mentioned above are tided over and prewar conditions are restored.

In the circumstances explained above, the request of the Director of Public Instruction to enhance his purchasing power from Rs.20/- to Rs.50/- is not recommended.

Sir,

Sub: Stationery - Local Purchase -

I enclose a copy of D.O. No. I.499/48 dated 1-9-1948 received from the Superintendent of Stationery in respect of the supply of the stationery articles which are essentially required for use.

Under Rule 8 (1) of the Stationery Manual Volume (1) the Chief Engineer is authorised to sanction the local purchase of stationery articles upto a limit of Rs.20/- is often found to be too inadequate to serve the purpose especially when the Superintendent of Stationery pleads inability to supply several items in the indent e.g. the cost of one roll of tracing paper ranges between Rs.11/- to Rs.15/- and the cost of carbon paper amounts to Rs.27/8/- per ream. ~~Purchases made very frequently.~~

I therefore request that the amount of Rs.20/- prescribed in the Stationery Manual may please be raised to at least Rs.60/- till such time as the price level comes to normal. I request that very early orders may please be issued.

Finance Dept have agreed to the proposal of the Secy. overleaf to increase the limit of the purchasing power locally from Rs 20 of the D.P.I. from Rs 20 to Rs 50, temporarily for one year.

The Chief Engineer P.W.D. (Genl) like the D.P.I. has since requested Govt that he may be empowered to purchase stationery articles locally up to Rs 60. If the request of the D.P.I. is conceded to, it is but natural that the request of the Chief Engineer P.W.D. (Genl) should also be complied with. The Chief Engineer P.W.D. (Genl) may also therefore be allowed to purchase stationery articles locally up to Rs 50, temporarily for one year.

Now that more than one head of the Dept is asking for increase of purchasing power laid down in para 8(c) of the Stationery Manual Vol I, it should be inferred that the difficulty in purchasing articles, up to Rs 20 only is general. In the circumstances, it is for consideration
