Office of the
Director of Public Instruction,
Madras: Dated 18th August. 1948.

From

The Director of Public Instruction,
Madras.

To

The Secretary to Government,
Education and Public Health Department,
Fort St. George, Madras.

Thro'

The Superintendent of Stationery,
Quindy.

Sir,

SUB:- Stationery - special articles - Supply to the
Presidency College, Madras - Sanction request-
ed.

I request that sanction of Government may be obtained
for the annual additional supply of the following articles
of stationery to the Presidency College mainly to the Physics
Laboratory, Botany, Zoology and Geology Departments.

1. Khadi Cloth (Substitute for Salampore Cloth) 396 yds.
2. Drawing Pins. 472
3. Diamond Thread (in Reels) 28

(1) Khadi Cloth:- At present salampore cloth is supplied
to the Chemistry Laboratory 50 yds. (white) as per sanction
in G.O.No.87, Finance, dated 3rd February 1925 and 16 Yds.
(blue) is supplied to the Physics Laboratory as per sanction
in G.O.No.208, Finance, dated 19th March 1948. This quantity
is found to be insufficient with the increase in strength in
the Physics and Chemistry Departments. The other labora-
tories i.e., Botany, Zoology and Geology also require Khadi
cloth for covering and cleaning the valuable apparatus and
microscopes. It is reported that 172 yds. of salampore
cloth was supplied to the Principal last year and a distri-
bution statement for the same is enclosed. A statement
showing how the increased quantity applied for is proposed
to be distributed is also enclosed for perusal. A total
additional supply of 396 yds. i.e. 210 yds. white and 186 yds.
blue may kindly be sanctioned.

(2) Diamond Threads in Reels:- Government in their order
No.208 Finance, dated 19th March 1948 have sanctioned the
supply of 4 doz. Diamond Thread reels to the college. The
Principal requests that 23 reels more than the existing
sanction may be supplied to him. This may also be sanctioned
as they have to be supplied to the general departments of the
college.

(3) Drawing Pins:- There is sanction for the supply of
320 drawing pins to the Presidency College in accordance with
the G.O.No.823, Finance, dated 28th October 1926 (200 pins)
and 298, Finance, dated 19th March 1948 (120 pins). The
quantity may kindly be raised to 792 pins (i.e.) 360 big
and 432 small size as they are also to be distributed to all
the departments of the college.

2. The College has grown considerably in all the depart-
ments and taking into consideration the increase in the
strength of students and consequent increase in the number
of apparatus and microscopes etc., in the different labora-
tories, there is absolute need for the increase in each of

above articles.

Yours faithfully,

for Director of Public Instruction.
