I have the honour to invite a reference to the orders of Govt cited above and to state that Sri S.L. Balasubramaniam, Sri P.V.Bhooshana Rao, Sri A.P. Jambulingam and Sri T.K.Lakshmanan have expressed their desire that their leave salary for the period of study leave may be drawn and disbursed to their nominees in India. As the drawal of leave salary in India for the entire period of leave spent out of India is not permissible under the Fundamental rules, specific orders of Government are necessary for the drawal of and disbursement of their leave salaries in India. It may be mentioned in this connection that in G.O No.1145 Finance dated 25-10-45 the Government have prescribed the procedure for drawal of pay in India for Government servants deputed for technical training abroad during the period of their deputation out of India. It may please be stated whether it is the intention of Government to allow this concession to Officers who have been sent out of India on study leave terms. An early reply is requested.

My brother-in-law, Mr P.V.B. We have addressed several letters to the Director of Public Instruction and also to the Accountant General. regarding this matter. I have addressed another letter to the Secretary, Education Department, Secretariat, Madras, but till now, I received no reply.

In this connection, I have to appeal to you to take necessary steps to expedite the payment of his salary to his wife, and to kindly inform me as how the matter stands. S.R.,

My husband left India under orders of Government in August 1948 and since then I have not had any remittance either from abroad or from the Government here. He wrote to me saying that he had received a communication from the A. G. Madras authorising him to draw Rs. 170 per mensum as his leave salary at the Embassy in Washington. But in spite of two reminders sent by him to the Embassy he has not been paid any leave salary yet.

Moreover he is unable to understand how his leave salary has been worked out. He expected that during his absence in America he would be allowed to draw the same pay as he would have drawn had he continued on duty here viz. Rs. 600 per month. He began to draw Rs. 600 from about the end of March 1928 and his average salary works out to a little over Rs. 400 and half average salary to a ~~Rs.~~ little over Rs. 200.

The little money my husband left with me has been fully spent and I have to support myself and my four children for which I would require at least Rs. 400 per mensam.

I request you therefore to be gracious enough to call for the papers re-examine the question of fixing my husband's leave salary, pass early and sympathetic orders and communicate the same to me ~~to~~ at the address given above.

Yours faithfully,
Glory Paul

Ref: Proceedings R.C.No 2620-CI/48 d/ 5th Jan 49, of the Director of Public Instruction, Madras and the Accountant General's letter G.V.Edn 840 d/ 27th December 48.

(not recd here)

With reference to above I have the honour to represent the following greivence of mine to you for due consideration and necessary action thereof.

My leave salary has been fixed at Rs 103-9-0 (Rs. one Hundred and Three and annas Nine only) per month for the period of study leave from 10-8-48 to 9-8-50 by the Accountant Gen ral Madras. This I presume has been calculated at half of my average pay.

I beg to point out that in the case of members of staff of the Engineering College, Guindy who were on study leave in U,S.A(45-48) their leave salary was fixed at their average pay. Obviously it appears to me that the leave allowance at the rate equivalent to average pay with reference to subsidiary rule 12 to× F.R.84 read with F.R.90† was applied to them. My terms of deputation overseas and my service conditions rules and regulations are exactly the same as those of the members of the staff of the Engineering College, Guindy, who have been abroad and returned.

× p.58
† p.61, Bk.154

Under the circumstances I request that the minimum prescribed in F.R.90 of the Fundamental Rules may please be made applicable to me also, as was done in the case of 1945 batch (members of staff of Engineering College, Guindy).

p61, Bk.154

I further request that early action may please be taken in this connection to enable me to run my family in India.

Thanking you,

Sir,

Sub: Fixing of my leave salary during my study leave period.

and Proceedings R.C.No.R.O.C2620 CI/48 d/3-I-49 of D.P.I. Madras

6845 (not reqd.)

With reference to the above I have the honour to represent~~s~~ the following greivence of mine for due consideration and necessary action thereof.

My leave salary has been fixed at Rs.130/- per mensem for the period of study leave from 2-8-48 to 1-8-50 by the Accountant General Madras. This I presume has been calculated at the rate of half of my last pay drawn as Senior Workshop Instructor at the Arthur Hope College of Technology, Coimbatore.

In this I wish to state that I was selected in the year 1945 along with three other members of the staff of the Engineering College, Guindy. I note that the last pay drawn was sanctioned in the case of the 1945 batch who I note were placed in a similar catgory as that of mine of service in the Madras Educational Subordinate service. I was given to understand that the same rules will also apply for me. To strengthen my case I referred these points while I was in the Industries Department in Madras, in my letters D/3-2-47 &9-3-47. In the proceedings of the Director of Public Instruction Madras R.Cl.No18/45 d/12 th May '47, the points raised were clarified in the Government Memorandum NO14478-C-2/47-2 Education dated 3-5-47 (Copy Was Communicated to me through the Industries Department) For your reference I quote below the Government Order.

"Maintenance allowance: Besides the to and fro railway and steamer fares, equipment allowance, tution fees charges for books and allowance for study tours etc Sri A.P.Jambulingam will be eligible for study allowance and leave salary permissable under paras7,8, and 12 of Fundamental Rule 84 read with Fundamental Rule90... p.61. Bk. 154 His leave salary will be calculated according to the Leave Rule 4(d)ii read with rule 28......................"

p. 57-8 Bk. 154
pp. 110 & 123 Bk. 154

p.61, Bk. 154

As such I request the minimum prescribed in F.R. 90 may please be made applicable to me also as was done in the case of the 1945 batch (member of the staff of the Engineering College, Guindy who was in a similar category of service to that of mine), since I was selected in the year 1945 and was governed by the same rules as per the Government memorandum cited above. Hitherto I was not given to understand of any further revision of the above Government Memo and accordingly I made all my domestic arrangements at Madras. As such I could not understand the fixing of my leave salary.

Under the circumstances set forth, I request that my leave salary ~~my~~ may be revised and refixed as per the minimum prescribed by the F.R.90 (as was sanctioned for 1945 batch) and that my last pay drawn be fixed as my leave salary. As such I request early action on this matter to run my family in India.

Ref:-Proceedings of the Director of Public Instructions Roc No.2620-C1/48 dated 5th January;Accountant General's letter G.1V.Edn.811 dated 20-12-1948 and Government E & P.H. Memorandum No. 78785.A.4 dated 5-5-1947.

(not rec'd 1st) separate file

With reference to the above I beg to submit the following to your consideration.

I submit that as per the terms offered to me in Government E & P.H. Dep't Memorandum No. 78785.A.4 dated 5-5-1947,I was definitely given to understand that the leave allowance that I would be paid ,if I accepted the terms, would be at " the rates mentioned in subsidiary rules 7,8 and 12 to fundamental rule 84. I find that the study leave allowance of Rs 100/1/- now fixed for me seems to be,presumably,half average pay. But as per the subsidiary rule 12 to fundamental rule 84 the half average pay is subjected to a minimum of Rs 25/- or average pay, whichever is less as governed by the maxima and minima laid down in rules 89 and 90 ibid. No exceptions in the application of this rule was mentioned in the terms offered to me in the above refered memorandum. In the absence of any such exception I submit that my study leave allowance has to be Rs 25/- or average pay, whichever is less.

pp. 57-8 BK-154

p. 58 BK-154

pp. 60-61 BK-154

2. I may submit for your consideration that Messers. V.Kalyanaraman, A.Srinivasan and S.Srinivasan, all from the Engineering College, Guindy, were paid study leave allowance at the rate of Rs 250/- or average pay whichever was less during their stay in this country (U.S.A.) on study

leave.The former two were permanent Government servants and the latter was a temporary Government servant.

I submit that on the strength of the terms offered to me I accepted to come here for advanced studies.If those terms are now altered at this stage my family will be put to a lot of difficulty. Considering that I was drawing Rs 312/- ,including dearness allowance, at the time of my departure from India, the amount of Rs 100/1/- ,now fixed as my leave allowance is absolutely inadequate to meet the needs of my family and to meet my other commitments such as insurances etc. I may add that my leave allowance is the only source of subsistance for my family,

In view of the above, I request you to see that my leave allowance is revised and fixed as per Subsidiary rule 12 to rule 84 subject to the maxima and minima laid down in rule 89 and 90 of the fundamental rules.

Sir,

Ref: Letter no. G IV Edn. 834 dated 24 Decmmber 1948 from the Accountant-General, Madras, to the Director of Public Instruction, Madras.

I understand, from the letter quoted above, that leave salary has been sanctioned to me, during study leave, at half my average pay. I have the honour to state that it appears to me that, according to Subsidiary Rule 12 of Fundamental Rule 84, read with Fundamental Rule 90, I am eligible to receive leave salary equal to my average pay. I was also given to understand, before I left India on leave, that I would be paid average pay as leave salary.

I may be permitted to state that officers of the Education Department selected along with me in 1946 for training abroad and who proceeded to the U.K. have, I understand, been drawing leave salary equal to their average pay.

I, therefore, request that the Accountant-General may please be asked to sanction me leave salary at these rates.

He has stated that as the officer is governed by the Madras Leave Rules 1933, the question of fixing his leave salary with reference to the minima prescribed in F.R. 90 does not arise - vide his G.IV Edn., 1106 dated 10-3-49 (Copy enclosed). below

2. I solicit the orders of Government whether the view of th Accountant-General that F.R.90 does not apply to Government servant governed by the Madras Leave Rules (1933), is correct. In this connection I may point out that "study leave" is not dealt with in these Rules and that, with reference to Rule 5 ibid, the provisions of Sub-rule 12 under Fundamental Rules 84 including the minima laid down in Fundamental Rule 90 would seem to apply to Government servants subject to the aforesaid leave Rules.

I invite your attention to my letter R.O.C.No.2620-C1/48 dated 6-3-1949 regarding the applicability of F.R.90 to Government servants governed by the Madras Leave Rules 1933 and granted study leave, and request an early decision in the matter. In this connection I wish to point out that Sri P. Bhaktavatsal Patnaick, an officer governed by the above leave rules, was allowed to draw leave salary at £.25/- a month with reference to F.R.90 while he was on study leave in the United Kingdom.

Yours faithfully,

Sub: Study Leave Salary, (K)/17
Ref: G,O. Ms. No 2299 Edn. Dated 13th Sep't 1948.
Gov't E & PH Memorandum.No 78785.A.4 dated 5.5.47.

30148

I am informed by the Accountant General that my study leave salary is fixed at Rs 100/1/- ,being half average pay,average being taken over a period of 3 years.In connection with this I beg to submit the following for your consideration.

In Gov't E.PH Memorandum No. 78785.A.4 dated 5.5.1947, I was informed that my " absence for purpose of advanced studies would be treated as on study leave for the entire period and given the leave allowance and study allowance at the rates mentioned in subsidiary rules 7,8 and 12 to Fundamental Rule 84". As per subsidiary rule 12, my leave salary should be"half average pay as defined in rule 9 (2) of the Fundamental Rule subject to the maxima and the minima laid in Rules 89 and 90 ibid ". I submit,as per this, my leave salary should be subject to the minimum of £ 25/- or my average salary,whichever is less. In the memorandum sent to me (under ref.) no exception is made to the application of subsidiary rule 12 of F.R. 84. The Madras Leave Rules,when they were framed did not contemplate any study leave and hence,I believe,F.R. 84 is being applied to us and as such, I submit that no provision ~~of~~ exception to the payment of minimum salary on study leave would have been made in those Rules.If I am wrong in my understanding of the rules, I beg to be corrected. Further,G.O 1301 E & PH of 23.6.47, as per which,my leave salary is to be fixed, (vide G.O.2299-Edn (K)/17 dated 13.9.1948) does not also make any exception to the application of Subsidiary rule 12 ~~of~~ to F.R. 84.

I may also submit that Messers V.Kalyanaraman, A.Srinivasan and S.Srinivasan, officers of the Engineering College, Guindy, Who are all Officers subject to the Madras Leave Rules were given, during there stay in the U.S.A. for advanced studies, study leave terms subject to the minima laid down in F.R 90.

I beg to submit that in view of the terms offered in the memorandum (under reference) and in view of the precedent ie. study leave salaries paid to Messers V.Kalyanaraman and others, that I agreed to come here for advanced studies, for under the financial circumstances I was I would not have come under the leave salary terms given to me now. I beg to submit that I have a large family to subsist on this salary ~~as~~ and I do not have any other means. Considering the fact that I was drawing, on an average, a salary of Rs 250/- prior to my coming on leave and Rs 310/- at the time of my relief, the leave salary is hopelessly inadequate to meet the expenses of my family and my other commitments, such as insurances etc. I may also add that the cost of living now is not lower than what it was when Messers V.Kalyanaraman and others went on study leave.

In view of the above I request you to see that my study leave salary is revised and I am paid at the same terms as Messers V.Kalyanaraman and others were paid,

Thanking you,

Yours faithfully,

Sub: Leave salary — study leave period overseas.

With reference to above, I beg to submit as follows —

My Leave salary has been fixed at Rs. 103-9-0 per month (Rs. one Hundred and annas Three only), and I have been informed that as I am governed by the Madras Leave Rules 1933, the fixation of my Leave Salary to be drawn in India with reference to the minima prescribed in F.R. 90 is not admissible.

In this connection, I wish to point out the following facts to your kind consideration and necessary action thereof.

Members of staff of the College of Engineering, Guindy, who have been abroad on study leave & returned, are governed by the Madras Leave Rules 1933. Their Leave Salaries were drawn in India, and the minima prescribed in F.R. 90. was made admissible to them. In view of this, I request the same procedure may please be followed in my case and inform me of the same.

Thanking you

Sir,

I have the honour to invite a reference to paragraph 6(3) of the instructions issued by Government, as introduced by correction slip No.8 on page 116 of the Madras Audit Manual which states that it has been considered unnecessary to give the benefit of a minimum leave salary in regard to any kind of leave in the Madras Leave rules 1933. The orders in the memo cited above are not in conformity with the above instructions and the main rules in the Madras Leave Rules. It seems necessary that an order under section 241(5) of the Government of India Act, in relaxation of the General rules should be issued. I would, therefore request that revised orders may kindly be issued in the matter if Government see no objection.

The officers of the Edn.Dept. whose names are mentioned in the margin, amo others, were recently sent by Govt. to the U.S.A. for higher studies. They have been granted study leave for 2 years. The emoluments offered to them during the period of the leave are as at flag "T" below. The same emoluments were paid to the officers sent overseas o study leave in the previous two years also. In the case of these officers, however, the A.G. has not fixed item 1 of "T" pay during study leave - in accordance with the Govt.'s intention. He has authorized the drawal of leave salary equal onl to the officer's half average pay in each case. This is far less than what the officers were told they would get. In almost all the cases, the officers shd. be given full average pay. Therefore, officers 2 to 5 and the wife of 1 have represented the matter to the Govt. and the D.P.I., and have requested that the A.G. may be asked to refix the pay.

pp. 3-6 + 13-14 CF,

cf 11

pp. 110-114, BK. 154

2. To the DPI's refce. to the A.G., the latter has replied that the persons in qn. are governed by the Madras Leave Rules, 1933 and hence the question of granting them the minimum study leave salary mentioned in F.R.90 -- this mim. is £25 or average pay, whichever is less -- does not arise. This view of the A.G. is obviously incorrect. If, as stated by him, F.R.90 cannot be applied to the officers coming under the Madras Leave Rules, the study leave rules in the FR. also cannot be applied to them and as there is no provn. in the Madras Leave rules whereunder study leave is admissible, such officers cannot be granted study leave at all. Such a position would be absurd.

p. 61, BK. 154

A

pp. 56-58 BK. 154

To support a contrary view, there is the Madras Leave Rule 5 which is to the effect that the F.Rs. shall, in so far as they are not inconsistent with the Madras Leave Rules, apply, mutatis mutandis, to all persons to whom the Madras Leave Rules apply, in respect of matters not dealt with

therein. W.r.t. this, the study leave rules and F.R.90 ~~do~~ govern the persons in question. This is also the D.P.I.'s stand. Apparently in this view, the year before last, Sri P.B.Patnaik, another officer (gazetted) sent to U.K. by Govt. on study leave, was allowed the minm. of £25. The A.G. may be told that the leave salary of the officers shd. be refixed in accordance with rule 12 of the Study leave Rules read with F.R.90. Fin. may see.

Finance (C.S.R)

Please see the note of E & P.H Deptt. on pp.1-2 above. It is submitted that their view at A on p.1 above is not correct. There are specific orders to the effect that the Study Leave Rules will apply also to those governed by the Madras Leave Rules-vide para 3(ii) of G.O No.74 Finance dated 7-4-1935- and that the maximum and minimum limits for leave salary laid down in F.Rs 89 and 90 will not apply to those governed by the Madras Leave Rules-vide para 6(3) of the same G.O. With reference to M above, E & P.H may be requested to investigate in consultation with the A.G how the leave salary of Sri.P.B.Patnaik happened to be fixed wrongly.

With the above remarks, the case may be returned to E & P.H.

It was decided in 1945 to send overseas the first batch of officers under the G. of I. scheme. The Fin. dept. recorded the notes at N.F.3 of "X", then. They referred therein to the applicability of the minima laid down in F.R.90 to the officers. But they did not mention there that that F.R. would not govern the cases of officers falling under the Madras Leave Rules. Later, at the time of actual sanction of study leave to two officers of that batch, the D.P.I. brought to notice that one of them was governed by the Madras Leave Rules and yet recommended leave salary subject to the minima in F.R.90. Fin. who saw the case then too, did not raise any objection.

p.61, BK 159

M

at X / cf.164

The orders at "W" cf.205, "Y" 25 and "Z" 6, sanctioning study leave to other officers subsequently sent, mentioned F.R.90, and were seen by Fin. vide particularly NF.23 of W.

N

Again, in 1947, Sri A.P.Jambulingam, one of the persons who have cf.4 now petitioned Govt. in the matter, wanted to know specifically the amount of the "maintenance allowance" that would be paid to him during his study leave. This dept. noted that he would be eligible for leave salary permissible under paras 7, 8 and 12 of F.R.84 read with F.R.90, among other payments. Fin. dept. who commented that the candidate's leave salary would be calculated accg. to Madras Leave Rule 4(d)(ii) read with rule 28 ibid, did not specify M above even then.

C / cf.3

A at C / N.F.2

C / N.F.4

~~The~~ It is evident that Fin. themselves were not aware of K at p.2 ante until A.G. had objected now.

A

From the very beginning, the officers were given to understand ~~wh~~ that, whether they came under the F.R.'s or under the Madras Leave Rules, they would get either full average pay or £25, whichever was ~~xxxxx~~ less (if their average pay was not higher than £25). If they ~~xxxx~~ had been told that such of them as ~~xxx~~ were governed by the M.L.Rs would get only half pay, in all probability those officers would not have been induced to go abroad.

M at p.2 ante

The A.G. allowed Sri P.B.Patnaik £25 evidently because, in the order granting him study leave (as in the

W / cf.205

orders in previous cases), F.R.90 was specifically refd. to. The statement at p.43 N.F. of "A", which contains the amounts paid to some other officers may also be seen. In regard to the present batch, however, the A.G. has raised the objn. apparently for the reason that the wording of the orders in their cases does not quite follow the wording of Sri Patnaik's order. It is only a technical point - and this dept. may strongly recommend that it ~~would~~ should be clarified in favour of the officers in view of the conditions already made known to them.

cf. 11

(K) / 4-5-47

Further, when the 1935 order referred to by Finance on page 2 ante was passed, the present scheme under which large number of officers are "deputed" for foreign studies could not have been contemplated. It has also to be pointed out that, if the A.G.'s new interpretation which is supported by Finance is accepted, the families of the officers ~~deputed~~ sent for foreign studies will be put to considerable difficulties. Please see letter from Mrs. Paul on pages 1-3- c.f.

In the circumstances, the Finance Deptt. may be requested to reconsider.

Finance (C.S.R.) Dept.

(Previous Finance notes on p.2 above).

With reference to 'M' on p.3 above, the D.P.I. in para 3 of his letter stated that Sri A.Srinivasan comes under F.R. and Sri S.Srinivasan is governed by Madras Leave Rules and that their leave salary equivalent to Rs 170 and Rs 110 may be drawn and paid in India. Finance accepted the arrangement proposed but did not specify that Sri S.Srinivasan who is governed by M.L.R. will be eligible only for half pay as leave salary. The A.G. did not seem to have objected to the payment of leave salary in the case of Sri S.Srinivasan equivalent to his average pay.

24 MAY 1949
34063

As regards the orders at (W), (Y) and (Z) referred to at portion 'N' of the Education and Public Health Department note on p3 above it is submitted that it was not mentioned therein that the officers sent on study leave terms are governed by M.L.R.

In the case of Sri Jambulingam it was noted by this department that the study leave allowance should be calculated according to M.L.R. 4(d)(ii) read with rule 28 and this implies that the provisions of F.R. will not apply.

As pointed out by this department on p.2 above, the position under the rules is as stated by the A.G. on p.11 c.f. As it is now stated that the officers were given to understand that they would get either full average pay or £25 whichever was less and that the families of officers sent on foreign studies would be put to considerable difficulty if the officers governed by M.L.Rules were allowed only half pay, Finance may agree to the officers being allowed leave salary in accordance with rule 12 of the Subsidiary Leave Rules under F.R. 84 read with F.R. 90 as a special case. This will not involve any relaxation of rules. H.M.(Finance) may also see.

In resubmitting herewith the application form sent with the Govt. Memo cited above, duly filled in by Sri A.P. Jambulingam I have the honour to state as follows:-

2. Sri A.P. Jambulingam, a probationer in the post of Laboratory Asst. in the Madras Educational Subordinate Service, was relieved by the Principal, College of Engineering, Guindy, on the 4th Nov. 1946, to enable him to join a gazetted appointment as Head of the Mechanical section of the Dravida Polytechnic, Madura, in the Industries Department.

The question of treating him as on other duty in the Industries Department and retain his lien as Probationer in the post of Laboratory Assistant in the Madras Educational Subordinate Service is separately under consideration.

3. Since the candidate has already executed a bond to the effect that he would serve the Government of Madras for a minimum period of 5 years after returning from advanced studies overseas and in view of the fact that the Director of Industries and Commerce, Madras has in his memo No.C.1/46 dated 15-12-46 permitted him to accept the proposed deputation overseas, I request that his selection for overseas deputation may stand and admission secured for him in the United Kingdom.

4. Regarding particulars to be filled in by parent or Guardian in the Application form it has been left unfilled. I suggest that either the Govt. of Madras or the authority representing the Government in the United Kingdom may give the necessary undertaking.

In para 2 of their Memo referred to above the Government have ordered that the selection of Sri A.P.Jambulingam for deputation overseas would stand. In this connection it is felt that the Department in which Sri A.P.Jambulingam will be required to serve after his return from overseas studies should be made clear even now. As Sri Jambulingam has been specifically selected for advanced studies in Automotive Engineering to meet the needs of the Education Department. I consider that he should serve the Education Department after his overseas studies and therefore I request that the Government may be pleased to inform the Director of Industries and Commerce, Madras, that the fact that Sri A.P.Jambulingam is now serving in the Department of Industries should not stand in the way of his coming back to the Education Department at any time.

From November 1946 he is employed as the Head of the Mechanical Section, Dravida Polytechnic, Madura (Industries Dept.). In the circumstances stated by the D.P.I. in his letter on page 1, paragraph 3, the selection of Sri Jambulingam for deputation was allowed to stand.

(1) above: Messrs. The American Express Co. Connaught Circus, New Delhi are the Travel Agents for all the candidates selected for studies abroad in 1945-46. As Sri Jambulingam is ~~was~~ a candidate selected in 1945-46 it is The American Express Co. who will complete his passage arrangements and not M/s Thos. Cook and Son Ltd, as stated by the D.P.I. 2. As regards the note at 'N' on p 2 above, it is submitted that the appointment (to the post of Head of Mechanical Engineering section, in the Polytechnic Madras) of Mr. A.P. Jambulingam in the Dept of

University, College or Works Report on the work of the Scholar during the period under review :—

Mr. Krishnan has worked enthusiastically and effectively during the past year. The results of his research are gratifying, and represent a substantial contribution to our knowledge of the endocrinology of the Crustacea. He has shown that the sinus glad of the eye-stalk of crabs exerts a controlling influence on the activity of the enzyme systems involved in the formation of the new cuticle at each moult. This work has been carried out partly at the Marine Biological Laboratory at Plymouth, where Mr. Krishnan has spent the summer vacation, and there is every evidence that he has made very profitable use of his stay there.

Several minor problems in Mr. Krishnan's work remain to be solved, and these he will study in the coming year.

THE UNIVERSITY,

22nd May 1950.

I have formed a very high opinion of Mr. Ghenta Krishnan during the two years that he has been with us working for his Ph.D. degree. He has tackled a difficult problem brilliantly and obtained results of great importance which add considerably to our knowledge of the subject.

I feel strongly that he has reached the stage when he should be appointed to a Chair of Zoology in his own country as soon as one falls vacant. He talks well and can explain things clearly: I am certain that in his own country he would make an excellent teacher.

Apart from this scientific aspect, he has a charming personality. He is a great favourite with all of us and I am sure he would make a very kindly Head of any Department.

22nd. May. 1950.

It is with great pleasure that I support Mr. Ghenta Krishnan in his application for a Chair of Zoology. In my opinion he has all the necessary qualities in full measure. He has clearly demonstrated his skill in research, for the problem he has undertaken while working in this department on hormonal control of the physiological events of the moult cycle in the crab Carcinus has been exacting and given him every oportunity of showing his merit. This he has done to the full, for he has, in my opinion, opened yet another field of work in invertebrate physiology, and it is greatly to be hoped that he will continue to work in this field. It is needless to add that his time has been spent here successfully.

Mr. Krishnan is, however, no narrow specialist, and shows a broad grasp of his subject which is essential to a teacher. He has very definite ability in exposition, and apart from his scientific ability is a person of wide outlook. In my view he is able to add to Indian zoology not only by his own researches but by inspiring others, and is fully capable of assuming high responsibilities. His pleasant manner and truly scientific modesty will make him popular with his colleagues, and it is with confidence that I recommend him for Professorial appointment.

TO WHOM IT MAY CONCERN.

Mr. G. Krishnan arrived in October, 1948 for a Ph.D. Course in Zoology at the University of Manchester. Reports from the University go to show that Mr. Krishnan had been engaged on a difficult problem of research but on account of his keen agility of mind and thorough grasp of the subject he has creditably accomplished his task and in doing so has opened new vistas of knowledge in the scientific field.

Mr. Krishnan has been a conscientious and diligent student and his character and conduct during the entire period of his stay in this country have been exemplary. He sailed for India on July, 1950 after a successful termination of his studies.

Sir,

SUB: Overseas Scholarships Scheme Sri G.Krishnan, Government Sponsored Scholar--Return train-fare from Bombay to Madras.

Sri G.Krishnan, Madras Government Sponsored Overseas Scholar, who returned to Madras on 4-8-1950 from United Kingdom on completion of his higher studies abroad, has reported that he has paid Rs. 58-8-0 (Rupees fifty eight and annas eight only) (deposit Receipt No. 9145 dated 31-7-1950) to Thomas Cook & Son (Continental and Overseas) Ltd., Bombay towards the supply of railwzy ticket to him from Bombay to Madras. The firm was asked to state why the cost of the ticket was recovered from the Scholar in the first instance instead of issuing the ticket to the scholar and recovering the cost later from Government, similar to the procedure adopted in the case of other overseas scholars returning to India on completion of their training abroad. In their letter dated 20-11-1950 the firm has informed me that Sri G.Krishnan did not hold the usual letter of authority from the High Commissioner in India, London and so they collected cash for the II Class ticket from Bombay to Madras issued to the scholar. The cost of the ticket including reservation is Rs. 58-8-0. A copy of the letter dated 6-12-1950 in reply to the Firm's letter dated 20-11-1950 is enclosed. In the circumstances~~xxxpix~~ explained by the Scholar, I request that Government may be pleased to authorise the payment of Rs.58-8-0 (II Class single ticket including reservation fee) admissible to Sri G. Krishnan from Bombay to Madras. In this connection I invite the attention of Government to Memo No.30672/G/50-2 Edn. dated 26-10-1950 wherein the Government have authorised the payment of actual train fare (II Class single ticket) admissible to Sri K.Venkateswarlu from Bombay to Nuzvid by the shortest route.

Yours faithfully,

For Director of Public Instruction

Copy of the letter dated 6-12-1950 from Sri G.Krishnan Assistant Professor of Zoology, to the Principal, Presidency College, Madras.

When I left London on 8-7-1950 for India, I was given only the Steamer ticket to Bombay. To my inquiry in the General Department of the Office of the High Commissioner for India ~~(who were in charge of High Commissioner for India~~ (who were in charge of my file) whether I would be given the railwticket from Bombay to Madras, I was told that I have to claim that from Madras Government. So I was not given any letter of authority to be handed over to the Travel Agents. Under the circumstances I had to pay ~~last~~ cash for the ticket.
