REF: G.O.No.1224 Edn dated 11---8---1945.

I have the honour to state that in their order cited above, the Government were pleased to accept the proposals of the Director in regard to the payment of rent grant and grants towards the construction of sheds to Aided managements in the compulsory areas also, subject to the condition that the arrangement would be in force for a period of 3 years from the date of introduction of compulsion in the areas concerned.

Since the time-limit fixed for the compulsory areas of 1945-46 expires this year and in view of the fact that it will be a long time before the average elementary school management will be able to provide even semi-permanent buildings with half grant, I request that Government may be pleased to ~~xx~~ extend the scheme of payment of rent grant to managements in compulsory areas where buildings free of rent are not available and of grants towards construction of sheds at a cost of Rs.1000/- for each shed for a period of 3 years.

Order Ms. No. 2654 Edn. dated 25.X.48.

In G.O.No. 1224, Education, dated 11-8-45, the Govt. authorized the payment of grants to private managements towards rent charges for providing school accommodation or towards the construction of sheds for schools in areas in which compulsory ele. education was introduced, for a period of three years from the date of introduction of the scheme in each area. The D.P.I. now reports that it will not be possible for managements of aided schools to construct even semi-permanent buildings for schools in compulsory areas with the usual grant and recommends that the concession in G.O.No.1224 Education, dated 11-8-45, may be continued for a further period of three years from the expiry of the period fixed in the G.O. ~~from 1948-49~~. The Government accept the recommendation of the D.P.I. and sanction the continuance for a further period of three years, (i.e. for a total period of six years from the date of introduction of compulsory elementary education in each ~~area~~ area) of the system of grants towards rent charges or provision of sheds in localities selected for compulsory elementary education where it is not possible for private managements to secure buildings free of rent for school purposes. It should be distinctly understood that these grants will be forthcoming only in respect of rural areas brought under the scheme of compulsory elementary education.

B

15

2. The D.P.I. ~~is~~ informed that the continuance of the concession for a further period of 3 years should not be made a precedent for admitting claims for grants in respect of rents for school buildings by managements in non-compulsory areas as a regular part of the

R.C. NO. 625-M/48 dated 24--11--1948.

Sir,

Sub: ELEMENTARY EDUCATION - Compulsory- EastGodavari District - Compulaory Area - Changes due to conversion of the Amalapur Panchayat into a Municipality.

-v-v-v-v-v-v-v-v-v-v-v-v-v-v-v-v-v-v-v-v-v-v-v-v-v-v-

Amalapur was one of the villages where compulsory Elementary Education was introduced with effect from 15--8--1945 Vide G.O. No. 1098 Education dated 19--7--1945. All the hamlets included in the Amalapur Panchayat were brought under Compulsory Area.

pp12-13 CF (2)

2. From 1--4--1948 Amalapur Panchayat Board has been converted into a Municipality. But a certain portion of the Panchayat area has been excluded from the Municipal Area while some portion outside the Panchayat Area has been included in the Municipal Limits. Consequently some area of the Municipality is under compulsion - while some area is under non-compulsion. It has been reported that the Municipality has not taken any of the schools of Amalapur under its control.

A

3. The inspecting officers desire to know the changes, if any, that have to be brought about in respect of enforcement of compulsion. Since the powers in regard to compulsion till now exercised by the Special Officer, District Board, East Godavari, will be exercised by the Municipal Council, Amalapur, in respect of compulsory areas in the Municipality, the Municipal Council should perform the functions of the District Board in the matter of enforcing compulsion. It is a point for consideration whether a - fresh notification based on a resolution of the Municipal Council has to be made in respect of introduction of compulsion in the - Municipal area where compulsion is at present in force. I am of the view that a fresh resolution does not seem to be nedessary defining the area in terms of the wards of the Municipality.

4. The non-compulsory areas brought within the Municipal limits may continue as such till compulsory elementary education is extended to those areas by the Municipal Council with the sanction of - the Government. The compulsory areas (within the Panchayat Board area) not brought within the Municipal area compulsion should be continued as such just like other compulsory areas under the Dt. Board, East Godavari.

5. As already stated the Municipality has not yet taken any of the schools of Amalapur under its control. The question of reduction in subsidy paid to the District Board, East Godavari and the payment of subsidy to the Municipal Council, Amalapur will arise - only after the Municipality takes up all the Board Schools in the compulsory area in the Municipal limits.

12

-- TWO --

6. I request Government to inform me whether the above views are correct and whether the inspecting officers may be informed accordingly.

Yours faithfully,

for DIRECTOR OF PUBLIC INSTRUCTION.

In G.O.No.Ms.1224 Education dated 11-8-45 Government ordered that the arrangement of sanctioning grants for building, Equipment etc. to elementary schools under the compulsory Elementary Education Scheme would be in force for three years from the date of introduction of compulsion in each area. Again in the Government Order and Government Memo referred to above it has been ordered that the system of grants to such schools may be continued for a period of three years (that is a total period of six years from the date of introduction of compulsory Elementary Education in each area).

A question has been raised by the Divisional Inspector of Schools, Mathurai whether the term three years or six years as the case may be for which sanction of special grants to the schools will be in force, would mean only the financial years or the years commencing from the date of introduction of compulsion in the area. I presume that the term three years or six years mentioned in the Government Order referred to above mean only financial years and that the term should be reckoned from the financial year in which compulsory Elementary Education was introduced in a particular school.

Kindly let me know urgently whether my presumption is correct.

Sub:- Ele. Edn.- Compulsion - Payment of Rent grant and grant towards construction of sheds - Continuance of the scheme.

p1eF

Ref:- From the D.P.I., No.1027 B1/48 dated 12-6-48.

In connection with the introduction of the scheme of compulsory ele. education, the Govt. decided to sanction subsidies to Dist. Bds. ~~and grants to management of aided ele. schools~~, towards the provision of school places in compulsory areas. Subsidies ~~and grants~~ are paid to cover the following items of expenditure subject to the maximum specified against them:-

pp 3.-5 of (B)
G.O. No. 1224
11-8-45

(1) Pay of teachers. ..	Actual cost.
(2) Rent for ~~peons, etc~~. school buildings.	Rs.2/- per pupil per year.
(3) Equipment of schools.	Rs.100/- per teacher or Rs.2-12-0 per pupil.
(4) Construction of sheds for schools. ..	Rs.1,000/- per shed.
(5) Supply of books and slates.	Actual cost.

2. In the case of schools under private management ~~it was laid down~~ the Govt directed that the grants towards rent charges and provision of sheds for schools should be sanctioned ~~only~~ for a period of three years from the date of introduction of compulsory education in each area. This condition (3 years) was inserted with reference to the observations of the then Finance Secy.

para 3,
p5 CF of (B)

p5 NF of (B)

3. The D.P.I. now reports that it will not be possible for managements of aided schools to construct even semi-permanent buildings for schools in compulsory areas with the usual half grant. He, therefore, recommends that in localities where it is not possible to secure buildings free of rent for school ~~buildings~~ purposes, managements of schools should be paid a grant towards rent charges or provision of sheds for a further period of three years. If the recommendation of the Director is not accepted, the result will be that managements may have to close their schools in compulsory areas and Dt. Boards may have to provide additional school places in these areas.

The

provide additional school places in these areas. The Govt. may be put to additional expenditure as the subsidy payable to ~~the~~ Dist. Bd. towards salary of teachers is higher than the grant paid to a private management. Further, the Dist. Bd. will be eligible to put up sheds for the schools and claim subsidy towards the cost. In the circumstances, it appears that the concessions asked for by the Director may be granted, even on financial considerations.

The continuance of the concession for a further period of three years should not be made a precedent for admitting claims in respect of building rents ~~preferred~~ by managements in non-conforming areas as a regular part of the grant in aid system. It seems better to make this clear in the orders to be issued. J.S. (Finance) may see

Sub: Elementary Education - Compulsion - East Godavari Dt - Compulsory area - Changes due to conversion of the Amalapur Panchayat into a Municipality.

Ref: From the D.P.I. No. 625M/48 dated 24.11.48

The D.P.I. raises certain issues connected with the administration of ~~the~~ Elementary Schools in the Amalapur Municipality and the enforcement of the scheme of compulsory elementary education introduced in ~~the~~ (then) Amalapur Panchayat in G.O. No 1098 Edn. dated 19.7.45.

A.

Para 2 of the D.P.I's letter: It is not clear why the Elementary schools in the Municipal limits have not yet been taken over by the ~~Municipality~~ Council. The D.P.I. may be consulted.

Para 3 of the D.P.I's letter: The Notification issued in G.O. 1098 Edn, dated 19.7.45, is in pursuance of the provisions ~~of~~ the Elementary Education Act and the notification has come into effect from 15.8.1945 in the area in question. The fact that ~~the~~ a portion of the area has been included in ~~the~~ Municipal limits does not seem to affect the enforcement of the scheme of Compulsory elementary education already introduced in the area. It may be noted that ~~the~~ Section 51 of E. E. Act is applicable to ~~the~~ Municipal as well as non-municipal areas ~~in~~ ~~so far as~~ in relation to the enforcement of the scheme of compulsory elementary education introduced under the Act ~~is concerned~~. It therefore appears that ~~any~~ no further action seems called for in the matter.

Para 4 of the D.P.I's letter: No legal questions are involved. The recommendation of the D.P.I. may be accepted.

2. For orders whether a reply ~~should~~ may be given ~~to~~ the ~~lines~~ Director on the lines noted above. The information required at A above may be included in the reference.

Paragraph 3 of the Director of Public Instruction's letter: The fact that a portion of the area in which a scheme of compulsory education is in force has since been included in a municipality does not affect the enforcement of the scheme (Vide this department opinion in C.2569 dated 2.5.46).

Paragraph 4 of the Director of Public Instruction's letter: This department agrees with the views expressed by the Director of Public Instruction.

The other paragraphs do not call for any remarks in this department.

In G.O. 1224 Edn., dt. 19.7.45, the Govt. authorised the payment of grants to private managements towards rent-charges and provision of sheds for schools in the compulsory areas for a period of three years from the date of introduction of compulsory elementary education in each area. In G.O. Ms 2654, Edn., dt. 25.10.48, the above concession was extended for a further period of three years.

The Amalapur Panchayat ~~area~~ has been ~~converted~~ reconstituted into a Municipality from 1-4-1948 and the Govt. have ordered that the reconstitution of the area into a Municipality does not affect the enforcement of the scheme of compulsory elementary education in the area. The D.P.I. now enquires whether the scheme for the payment of grants and other concessions to private managements towards rent charges for providing school accommodation or towards the provision of sheds for elementary schools may also be continued in the Amalapur ~~Panchayat area, which has been constituted into a municipality~~. In the circumstances stated by him and in view of the orders in para. 2 of the Memo. on page 3 cf, ~~Submitted for orders whether the enquiry of the made by the D.P.I. may~~ it appears that the point raised by the D.P.I. should be answered in the affirmative.
