(PTO)

During the year 1947-48, there were 4 sections in standard I (3 permanent and one temporary) (3 in Form I, 2 in Form II and one in Form III) but during the current school year admissions were restricted to one section in standard I and the as the strength in Forms I to III necessitated the opening of additional sections. The Headmaster opened an additional section in each of the Forms I to III and utilised the posts of three secondary grade teachers released consequent on the closure of 3 sections in standard I during the current school year. For the 24 sections in Standards I to V and Forms I to III there are only 10 posts of permanent - secondary grade teachers. Hence there is need for the continuance of the 14 posts of secondary grade teachers specified above. Details in regard to ~~Form~~ the Form and the additional sections for which these posts are required are furnished below for Government's reference.
