GOVERNMENT OF MADRAS
Education & Public Health Department

D.O. No. 47738-A-3 Edn.

Fort St. George,
20th July 1948.

Dear Mr. Reddy,

Ref: Your D.O. dated 6-7-48 regarding:
Posts of Inspectresses.

The Government have approved of your proposals to transfer Mrs. G. Sankunni from the post of Inspectress of Girls' Schools, Madras Circle, to the post of Inspectress at the Central Office, and to post Miss M.A. Dweltz, Inspectress of Girls' Schools, Salem, to the Madras Circle. Orders appointing Mrs. L. Kamala Bai as Inspectress, Salem, are being issued separately.

2. I am in this connection desired to request you to examine the following suggestion and send a report:-

Each Inspectress of Girls' Schools has now got about 4 districts in her jurisdiction; the girls' schools are increasing in numbers and their supervision is not as efficient as it should be; the Madras City may be under the control of the Central Inspectress and the whole Province may be divided into eight circles so that the jurisdiction of each Inspectress may extend to a less number of districts and her work of supervision may become more efficient.

Yours sincerely,

To:

Sri D. Sadaniva Reddy, M.A.(Oxon).,
Director of Public Instruction, Madras.

The Secretary to Government,
Education and Public Health Department.

Sir,

Sub: Inspection - Girls Schools - Creation of additional
posts of Inspectresses.

Ref: D.O.No.47738-A.3 Edn dated 20-7-1948.

In para 2 of the above, it has been suggested that (a) Madras City may be under the control of the Central Inspectress (b) the whole province may be divided into eight circles so that the jurisdiction of each inspectress may extend to a lesser number of districts. Neither of the proposals need be considered for the following reasons:-

(a) The Inspectress at the Central Office has not only to advise the Director generally on all questions relating to women's education, but she also ^{has} like other officers in my office, to deal with a definite number of subjects. She has therefore no time to do any inspection work. A list of subjects assigned to the Inspectress is enclosed.

(b) With reference to G.O.No.747 Education dated 2-4-48, the Inspectresses have now no control at all in regard to Elementary Education and their work is confined only to the inspection of Secondary and Special Schools. I furnish hereunder the number of secondary and special schools each of the Inspectresses has to inspect. I may point out that many of the Dt.Edl.Officers are inspecting as many secondary schools in addition to controlling Elementary Education. It would be better if more posts of Superintendents are created. In my opinion except for the time taken for travelling, the work of the Inspectresses is definitely lighter and less onerous than that of a Dt.Edl.Officer. I do not therefore consider that it is at all necessary to create additional posts.

Yours faithfully,

G. Sankaran 22/9.

Suggestion for creation of additional posts of Inspectresses of Girls' Schools.

The notes and minutes at "M"/N.F.1-3 may be perused. H.M. (Edn.)'s suggestion was that the schools in the Madras City might be under the control of the Central Inspectress in the D.P.I.'s Office and that the Province (excluding Madras City) may be divided into 8 Circles, each circle ~~xx~~ under ~~the~~ the contral of an Inspectress. There are now six Inspectresses of Girls' Schools. The D.P.I. who was consulted on ~~xx~~ the suggestion says (1) that the Central Inspectress has enough work now and ~~that she~~ has no time to do any inspection work and (2) that having regard to the ~~present~~ ^{work} amount ^{do at present} of work of Inspectresses, it is not at all necessary to create additional posts. No action seems therefore necessary. The file may be circd. to H.M.
