Roc No. 3.K.2/47-48, dated 10-5-1948, 194

Sir,

Sub: Emergency Training section opened in High School - Srirangam under G.O. No. 1018- E. & P.H. dated 21-5-1946 - Request for additional teaching grant.

35493

I have the honour to state that under G.O. No. 1018 E & P. H. dated 21-5-1946 the Correspondent of the High School, Srirangam, was permitted to open a secondary grade training section in 1946-47. As per this G.O. any management that opened a training section is eligible for teaching grant subject to the following financial limits:-

STAFF: One L.T. Assistant on Rs.70/- per mensem for each section.
 CONTINGENCIES: - Rs. 10/- per mensem.
 EQUIPMENT: - Rs.1000/-

The Correspondent of the High School, Srirangam did not employ any assistant exclusively for the training section, but he utilised the services of the members of the High School staff as part-time workers in the training section. As no person was appointed exclusively for the training section, the salary admissible for 1 L.T. Assistant at the rate of Rs.70/- per mensem for 12 months i.e., Rs.840/- was not paid to the management of the above school. A sum of Rs. 13/- alone was sanctioned under contingencies.

As per G.O. No. 2065-Education, dated 26-9-1947, the District Educational Officer, Tiruchurapally has sanctioned a sum of Rs.356/- as compensatory grant to the members of the staff.

While submitting the Financial Statement of the training section for 1946-47, the management submitted a claim for the sanction of a grant of Rs.1340/- towards additional remuneration to the High School staff for handling the training section. This was not allowed as the members were all given only part-time work in the training section. It has been reported that the

Correspondent requested the District Educational Officer, Trichy to approve the proposal of distribution of work, but unfortunately no reply was given to him. The fact that the section was being worked without a separate teacher should have been brought to the notice of the Director, but this was not done. Neither did the District Educational Officer inform the Correspondent that a separate teacher should be appointed. In his inspection report on the working of the training section, the District Educational Officer has remarked that it was working on satisfactory lines.

In the circumstances, I have the honour to request that I may be permitted to pay the management, a sum of Rs.840/- being the salary of one L.T. Assistant calculated at Rs.70/- per mensem for 1 year against an actual claim of Rs.1340/-

the management of the institution in which the emergency training course was introduced was entitled to employ one L.T. Assistant and to claim grant at Rs 70/- p.m. In the case of the institution concerned no L.T. Assistant has been actually employed and the entire work has been done by the other teachers working extra time and forgoing holidays. For this additional work and for foregoing the benefit of holidays, the Govt. have sanctioned compensation at certain rates for the members of the staff, the amount actually disbursed by the DPI being Rs 356/-. Now the DPI has recommended the payment of a grant of Rs 840 based on the rate of Rs 70 p.m. for an L.T. Assistant who would have otherwise been employed. F.P.H. propose to accept the recommendation of the DPI.

It is submitted that as compensation for the extra work and the foregoing of holidays has already been sanctioned by the Govt. and as the ~~the~~ management has not actually incurred any expenditure, there ~~is no strong~~ ^{seems to be no justification} case for granting any additional grant in the present case. In the above circumstances, ~~the~~ ^{& P.H. may be requested} ~~on what grounds they consider that the & P.H. management has~~ ^{advised against the proposal}

WA

Please see the note of Mr. at p.3. The compensatory allowance mentioned in Gov. 2065 E.D. dated 26-9-47 is for the holidays foregone by teachers after one full time L.T. Assistant has been employed ~~exclusively~~ ⁱⁿ the emergency section. Here in the present case no L.T. Assistant had been employed exclusively in the emergency section and consequently the part time officers employed in the section would have had to do more than what was contemplated at A/1. The compensation paid in accordance with the scale prescribed in A/17cf, may therefore be considered as ~~adequate~~ ^{adequate}. Further, the management of the Srirangam High School was under no obligation to help the Govt. by employing only part time officers in the emergency section that the management was able to manage the section with part time officers and manage it to the satisfaction of the Inspecting Officers. Hence to be a good reason why the management should not be denied the grant which it would otherwise have got. For the circumstances stated, Mr. may kindly be requested to agree to the draft at pp.1-2 only.

Because ~~no~~ separate L.T. Assistant was employed for the Training Section the regular staff of the High school had to do more work than was contemplated in the arrangements set out in the letter of the Director on p.1 of 'A' and for

A/17cf

which compensation was allowed in the order on page 17 c.f. A. The staff has done the work of the L.T. Assistant also, and it is the only ^{fair} reason that they should be compensated for this extra work. This is the justification for this Dept. recommending the payment of a grant of Rs.840/- to the management of the Srirangam High School. -Finance may see again for remarks.

Finance (EXPA)

Previous Finance note on pp 2-3 above. In view of the note of F.H. on pp 4-5 above, Finance may agree to the payment of compensation ^{although no} ~~in lieu of~~ the L.T. Assistant that was not employed, but may suggest that the amount of compensation to be paid may be restricted to Rs 484/- the difference between Rs 840 and Rs 356 already paid.

The full amount of Rs. 840 may be paid as the sum of Rs. 356 was paid for holidays foregone and not for extra work done in other days.
