Sir,

Sub: GRANT - Building - Children Garden
School, Mylapore.

- (C) Item No 7 In G.O. No. 2267 Education dated 27-10-47 Government sanctioned the inclusion in the list of approved works of the scheme for the purchase of a site for the construction of school, hostel buildings and playground for the Children's Garden School, Mylapore at a cost of Rs. 1,35,000/- rendering the institution eligible for a grant not exceeding 30,000/-. Subsequently in Memo. No.98698-B1/47-1 dated 23-12-47 the scheme was split up as indicated in the margin.*

- * 1. Purchase of 15 grounds for school and hostel block -- Rs. 10000/-.
2. Purchase of 30 grounds for the provision of a playground for the and garden for the school, 20000/-.

The Correspondent now reports that while negotiations were going on for the purchase of the sites in question a new situation had arisen. It is stated that the owner of the premises now occupied by the school ever since 1941 advertised for the sale of this building but that he has given the management of the school the first choice in case they desire to purchase the buildings for the purpose of the School.

3 The committee of management after carefully considering the abnormal prices for sites and buildings obtaining in the locality and also the difficulties felt in securing building materials for any building scheme, have, it is reported, decided to purchase the present school premises for the school in lieu of the original scheme.

4 It is stated that the building in which the school is now located will be quite sufficient and suitable for their purposes ~~and~~ with some slight alterations in the main buildings. It is also claimed that the owner who is offering the premises to the Public for 80,000/- has been considerate towards the school and has ~~offered~~ offered it for 70,000/- exclusive of Registration charges.

Sd/- GRANT - Building - Children's Garden
School, Mysore.

-22-

In G.O. No. 2207 Education dated 27-10-47
Government sanctioned the inclusion in the list of approved
works of the scheme for the purchase of a site for the
construction of school, hostel building and playground.
The Children's Garden School, Mysore at a cost of Rs. 1,35,000/-
rendering the institution eligible for a grant not exceeding
Rs. 30,000/-.

* 1. Purchase of 15 grounds
for school and hostel block
-- Rs. 10,000/-
2. Purchase of 30 grounds
for the provision of a play-
ground for the school, 20,000/-.

The correspondence now reports that while
negotiations were going on for the purchase of the sites
in question a new situation had arisen. It is stated that
the owner of the premises now occupied by the school ever
since 1941 advertised for the sale of the building but that
he has given the management of the school the first choice
in case they desire to purchase the buildings for
the purpose of the School.

The committee of management after carefully
considering the abnormal prices for sites and buildings occur-
ing in the locality and also the difficulties felt in securing
building materials for any building scheme have, it is
reported, decided to purchase the present school premises
for the school in lieu of the original scheme.

It is stated that the building in which the
school is now located will be quite sufficient and suitable
for their purposes and with some slight alterations in the
main buildings. It is also stated that the owner
who is offering the premises to the Public for Rs. 20,000/-
has been considering the school and has offered
Rs. 10,000/- as a gift of negotiation charges.

5 In view of the above reasons the management
request that they may be permitted to utilise the amount
of grant sanctioned in the G.O. Ms. 2267 Education dated
27-10-47 towards the purchase of the premises for the
school. As regards the acquisition of sites for play-
grounds the management state that the coconut gardens for
which negotiations are being made will be purchased by the
management at its own cost at a later stage.

6 In the circumstances stated by the Correspondent
I recommend that Government may be pleased to permit the
management to purchase the present school premises out
of the grant sanctioned in the G.O. referred to above.

As the management do not propose to open High School classes
but wish to develop this institution as a Middle School
and as a child Education centre the classes will be small
and hence the rooms in the present buildings are quite
sufficient.

7 Grant may, however be paid on the valuation of
the building by the Public Works Department.

8 In anticipation of favourable orders of
Government I have included necessary provision in the Part
II Budget Estimate for 1949-50.

Yours faithfully,

The Director

Order no 2679 Education dated 27.10.48

The Govt sanction the inclusion in the list of approved works of the scheme for the purchase of the building now occupied by the Children Garden School, Mylapore, for the use of the school at a cost of Rs 70,000. within of the scheme for the purchase of site for ^{the} construction of school building at a cost of Rs 1.35,000 ordered to be included in the list of approved works in G.O. No 2267 Edu D 27.10.47. While this approval does not convey any guarantee of grant it will render the institution eligible for a grant up

a grant of Rs 30000/- has been promised to the management of the children garden school for the purchase of sites required for the school. The management now proposes to purchase the building in which the school is located at a cost of Rs 70000 and requests that the grant already promised, may be ^{for the purchase of the building; it} paid ~~for the purchase of the building; it~~ proposes to purchase from its own funds the sites required for a playground for the school. It does not seem necessary to consider the question of increasing the amount of grant from Rs 30000/- to Rs 35000.

Please see the notes on p. 1-2 above.

The proposal of K. S. H. to approve of the Director's recommendation to permit the management to utilize the grant of Rs 30,000/- admissible for construction of building for the school for providing playgrounds, towards the cost of purchase of a building may be agreed to in this Dept. (The D.P. has included provision in Part II of the budget for 1949 to for this effect).

As the total grant admissible to the management with reference to P.O. 2267 Edn. d. 27.10.47 is only Rs 30,000/-, the school will not be eligible for a separate grant in respect of the playground in case it comes for a grant later on. ~~But the management has confirmed~~
