(R) The table for Office equipment and furniture authorized  
by the National Cadet Corps Directorate is inadequate and it  
is requested that other articles, which are essential for the  
Office, may be sanctioned by the Government.

The following items have been in UOTC possession  
purchased from the Public Funds of the Defence Department which  
normally would have to be auctioned. I very strongly suggest,  
that they may be permitted to be taken over by me for the use  
of the Office, which I hope to get at a very concessional rate.  
If the principle is agreed to, I shall convene a board of  
Officers to assess the value of these items and intimate you  
in due course.

Recd of 2.11.48 - intimating that all arms & equipment held by the  
 ROT-ES for eventual transfer to the Senior Division of the rec units  
 which have been raised in their place, will be treated as free come  
 and that no charge on this account will be made on the Provincial  
 Govt. This seems to be applicable only to the equipment: arms,  
 ammunition, clothing & other equipment supplied from Ordnance  
 depots & not to office furniture & other articles of office equipment  
 such as Typewriters, Filing Cabinet Safes etc. - It is for consideration  
 whether a reference to the Director Rec may be made that these should  
 also be treated as free come. In the meantime there seems to be no objection  
 to a valuation being made as already arranged - The draft

Edn. & P.H. Dept.

The Commandant of the First Battalion, N.C.C., wishes to have more details as to the Board to be constituted for valuing the furniture to be taken over from the Military for the Senior Division of the N.C.C. There should be a representative of the N.C.C. and of the Military Unit concerned. Besides these officers it would be desirable to have an officer from the civilian Department who can also help in putting an appropriate valuation on the furniture. It has been suggested that an officer from the Jail Department might be useful. Please examine whether we can arrange to have the services of an officer from that Dept. made available for the purpose. If an officer from that Dept. is not available, probably the best arrangement will be to have an officer from the Revenue Dept. Please examine whether we can make available a suitable officer from the office of the Collector of Madras.
