Sub: Grant of a personal scale to Sri T.A. Ramanujachari Senior Accounts Clerk doing the duties of Commercial Accountant. Ref: G.O.No. 78 Finance, dated 6-2-1947. (5) m/c/183

I have to invite a reference to G.O.No. 2295 Edn., dated 13-9-1948 in which Government were not pleased to approve any of my proposals for revision of scales of pay of the posts in Administrative Sections of Government Press, although I have elaborately dealt with their duties and responsibilities and the general increase in the nature and volume of work involved.

2. I venture to resubmit the case of Commercial Accountant (an upper division clerk in Grade I doing duties as Commercial Accountant) for sympathetic consideration of Government. The permanent incumbent of this post is one Sri T.A. Ramanujachari. He has been in the old scale of pay of Rs 85-4-125 since 1-2-1928, a period of over 20 years having reached the maximum pay of Rs 125/- ten years ago. Although the revision of scales were introduced apparently with a view to afford monetary benefits to N.G.Os. so as to meet the increase in the cost of living while fixing their pay in the newly converted scales of pay with effect from 1-4-1947 counting their past service, this subordinate had to remain with no benefits, as the substantive post held by him was one of pre-1933 scale, viz., Rs 85-4-125, which in the present revision was converted into a scale of Rs 80-125. He is also due to retire in December 1948.

3. The service rendered by the said Sri T.A. Ramanujachari as Commercial Accountant is meritorious and he has contributed much in maintaining the efficiency of this section of work which is purely of a technical nature requiring patience and hard labour for which zeal and enthusiasm are imperative. I shall therefore be failing in my duty if I do not bring to the notice of Government these facts for fair treatment of the case cited for meeting with justice.

4. As per instructions contained in para 3 and 4 of the G.O. cited above and as this individual's claim is an isolated one, I am proposing a scale of Rs 125-5-160 as personal to him with effect from 1st January 1947 so as to give him advantage of at least four increments as contemplated in the fixation of pay in the new revision of scales which will yield him a little monetary benefits while drawing pension.

5. I have, in my previous proposals, more than once impressed that the present pay attached to the post of Commercial Accountant is not in due conformity with the heavy nature of duties and responsibilities required of the person performing the duties thereof. And it needs no mention that the rise in the cost of living affected the individual concerned generally in relation to others well-placed in

positions

positions of works of equal importance and responsibility. Hence if Government are not inclined to enhance the scale of this post to Rs 140-190, I request that at least the scale of pay proposed now in para 4 above may kindly be sanctioned as a personal one to Sri T.A. Ramanujachari in consideration of his loyal and faithful service of 35 years to Government thus redressing the hardships he has been put to due to the new revision of scales, which gave him no benefits at all. The extra cost involved in this proposal will be met by savings under establishment during the current year as the incumbent is due to retire shortly.

Govt. P.H. - Senior Accounts Clerk during the
duties of commercial Accountant - Proposal
for grant of a personal higher scale pay.

From the S.S.P. No. 4 / S.B.C. dated 4.10.48

Please see the letter from the
S.S.P. in this case. He proposed the scale
of pay of Rs 140-190 for the post of Commercial
Accountant in the Accounts and Despatch
Section Reorganisation proposals. This
proposal was not approved. He ~~also~~ ^{the S.S.P.}
again addressed the Govt. for the
enhancement of the scale of pay
for the post on the ground that a
scale of pay of Rs 140-190 was proposed
for similar posts. These proposals were
also turned down.

The S.S.P. now states that the
permanent incumbent of the post - Mr. S.S. 4-125
has reached ~~indicated~~ ^{has reached} the maximum (Rs 125) ten years ago and
that he has not been benefited by the
quantitative sanction by the Govt. ~~Because~~ ^{He}
therefore recommends that a ~~personal~~
scale of Rs 125-5-160 may be sanctioned
as personal to the existing incumbent
with effect from 1.1.47 so as to give the
advantage of at least four increments.
The existing increment is due to him
in Dec. 1948. This proposal is intended also
to get more pension for the individual.
The incumbent in question is on the 1933 scale
of pay as some other Govt. servants are.

to give benefit to a particular
individual.

To,
The S.G.P. Madras
