No.Skr/1 D

Dated:- 11-9-1948.

Sir,

Sub:- Bicycle - Purchase of - Sanction - Requested.

I have to state that a bicycle of this office purchased in 1928 has become too old and unserviceable, most of the parts being worn out due to constant use during the last 20 years. Replacement of the worn out parts which are near a dozen in number will not only be difficult and costly but also will not guarantee a sound service for any length of time. I therefore propose to condemn the cycle and purchase a new one after calling for quotations from leading firms for which I request sanction of Government.

In this connection I have to say that with reference to Government Endorsement No.3250/48-1 dated 26-4-1948 and 4841/48-1 dated 12-7-48, I do not prefer 'Hind' bicycles as I find that four bicycles obtained through the Public Work Workshops in 1946 are not working satisfactorily and need frequent renewals of spare parts. The messengers who use this type of bicycles complain that the brakes do not act properly and give them a lot of trouble. I am inclined to think that 'Hindustan' cycles too may be of the same quality. For the above reasons I request permission of Government to purchase a bicycle of 'Phillips' make as this type which is already in use is found to serve well particularly for an office of this type where delivery work is always very heavy and requires frequent use of bicycles.

The expenditure will be met from "56 Stationery and Printing d. Government Presses (Madras) F. other expenditure 3 Renewals and replacements from Depreciation Fund."
