SIR,

R.G.No. 106-F1/48 dated 5th October, 1948.

Office of the Director of Public Instruction, Madras--
Control of peons and neat maintenance of office
buildings--Sanction of the post of a Sargent --
Requesting.

In my letter to Government R.G.No.106-F1/48 dated
1.4.1948, I have fully explained to Government the need for a
close supervision and control of peons and menials and also
for the neat maintenance of the office building by entrusting
the work to an Upper Division Clerk but Government in their
Memorandum No.24550-A/48-3 Education dated 17.9.1948 have turned
down my proposal.

2. In view of the fact that it has not been found possible
to make any other arrangement for the effective control of the
peons and menials (31 peons and 10 menials paid from contingencies
and for the neat maintenance of the office buildings and the
large compound, I request that the Government may be pleased to
reconsider their orders in the light of the following further
facts:-

1. Unlike other offices which have compact compounds,
this office has an extensive compound and garden.
2. Consequent on the appointment of more officers and
staff in my office, some of the sections are located in rooms -
far off from the main building. The need for a supervising
authority to see that the peons etc. posted in the sections and
the officers are discharging their duties satisfactorily is
absolutely essential.

3. In the Office of the Board of Revenue, a Sargent is
employed to control the peons and menials and for the clean-

maintenance of the office building. In the Office of the Inspector-General of Police, the Office Head Constables are looking after the work done by the constables and the menials.

3. In the circumstances stated above and in view of the fact that it is not possible for any other member in my office to exercise effective control of the Inferior and menial staff, I request that Government may be pleased to sanction the employment of a Sargent in my office in the scale of pay of Rs. 30-2-50.

Yours faithfully,

P. M. i.

The proposal relates to the
 employment of a Sergeant in the office
 of the D.P.S. Madras. The extra cost
 involved is Rs 792 p.a.

Submitted that in almost all offices
 in the City, the Dabfadars are in charge
 of controlling the inferior establishment
 and the menials, under the direct
 supervision of the head ministerial officer
 and no remuneration is paid to any one
 of them for this work. It is not known
 how in the ^{office} ~~case~~ of D.P.S alone, the
 Dabfadar is not able to discharge this
 work. ~~Not~~ The argument of the D.P.S.
 that ~~the~~ unlike other offices, which have
 compact compounds, his office has an
 extensive compound and garden, is not
 a convincing one for the employment of a
 Sergeant. Further the comparison with the

office of the Board of Revenue is about sustainable, as the latter office is situated in the midst of many other offices in an extensive building. If the employment of a sergeant is agreed to in the case of one Govt office alone, then it may lead to similar requests from other offices which may be difficult to resist. In the circumstances this Deptt may advise against the proposal.

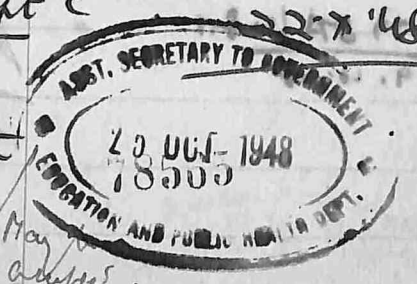

Moreover H.P. is against any additional staff at present.

offices of the other heads of Deptts like the Registrar of Companies, Comm of Labour, Dr. P. Srinivasan etc.
