OFFICE OF THE
DIRECTOR OF PUBLIC INSTRUCTION,
R.O.C.No. 795/F.4/1948.

MADRAS: 27th September 48.

THE DIRECTOR OF PUBLIC INSTRUCTION,
MADRAS.

TO

THE SECRETARY TO GOVERNMENT,
EDUCATION AND PUBLIC HEALTH DEPARTMENT,
FORT ST. GEORGE, MADRAS.

Sir,

SUB:- Buildings - Government Secondary and Training
School for Women, Vellore - Construction of an
upper storey to the block of six class rooms
Proposal - Submitting:

In connection with Part II of the Budget Estimate for 1949--50, I have the honour to submit the following proposal for the construction of an upper storey to the block of six class rooms in the Government Secondary and Training School for Women, Vellore at an estimated cost of Rs.40,000/- for the approval of Government.

2. The strength of the school is at present about 800 and the school is working in 20 sections (18 in the Secondary School, and 2 in the Training Sections), while the existing building can accommodate only 16 classes conveniently. There is, therefore, no suitable accommodation at present for four classes and for the optional classes and consequently there is much congestion.

3. It is, therefore, proposed to put up an upper storey to the additional block of six class rooms constructed during 1943--44 (vide G.O.No.MS.5199, P.W. dated 6th February 1943). Originally the Inspectress wanted to have the first floor also constructed in continuation of the ground floor in 1943--44 itself, but on account of the war, I considered it desirable to defer the construction of the first floor, and therefore restricted the proposal to the ground floor only then.

4. During the visit of the Hon'ble Minister for Education to Vellore in May 1948, the inadequacy of the present accommodation was shown to him, and he suggested to the Inspectress that the above proposal may be included for consideration in connection with the budget for 1949--50.

5. The approximate cost of providing a first floor to the block of six class rooms is estimated at Rs.40,000/- - vide letter RC.No.2275 M. dated 10th September 1948 from the Executive Engineer, North Arcot Division, Vellore to the Superintendent of the School (copy enclosed).

6. In the circumstances stated above, I request that Government may be pleased to accord their administrative approval to the scheme and provide necessary funds for the same in the budget for 1949--50.

Yours faithfully,

G. Sankaran 27.9.48

for Director of Public Instruction.

Schools - Government Secondary and Training
School for Women, Vellore. Construction of an
upper storey of six class rooms - Deferred.

From the Director of Public Instruction, Rec. no.
795 P4/48 dated 27.9.1948.

Order Ms. no. 2735 Edn dated 2.11.1948

28/11

The Director of Public Instruction
is informed that in view of the ^{present} financial
~~and the high cost of building materials & labour~~
stringency, the proposal for the construction
of an upper storey of six class rooms
for the Government Secondary and Training
School for Women, Vellore, should be
deferred.
