From A. Lepper Esq., Superintendent, Government Press, Madras. To The Secretary to Government, Education and Public Health Department, Fort St. George, Madras. No. 81/Mis., dated 20th August 1948. Sir,

Sub: Pudukottah - Merger with Indian Dominion - Inspection Report and proposals.

I inspected the Pudukottah State Press on 9th and 10th instant. There are about 80 workers. This Press is under the direct supervision of one non-technical Superintendent, who is in charge of supply of Stationery articles also. The Press contains full equipment of printing machines to undertake any kind of printing work. Printing machines and materials available in the Press are given below:-

- 1) Four Wharfedale Machines
 - 2) Three Treadle Machines
 - 3) Two paper cutting machines
 - 4) One Ruling Machine
- (above machines are driven by power)

- 5) Embossing Machine
- 6) Hand perforating Machine and also other implements for binding purposes.

A large quantity of ordinary Roman type in English and Tamil and also a good number of jobbing types are available.

On scrutiny of specimens available there, it is observed that this Press had been executing large quantity of work both Book work as well as Job work. But, since the Pudukottah State now is merged with the Indian Union, scarcely any work is being done with the exception of Pudukottah State Gazette which contains not more than about 15 to 20 pages per week and will shortly be terminated. The workers and machines are almost kept idle.

Accounting. - Payment is made to the workers to the extent of Rs 3,000/- a month. A statement showing the names of persons working in the Press with their scale of pay and their service is enclosed. The valuation of work is not being done with reference to prevalent condition of the printing trade and also on the basis of payment made to the workers. The charges for the valuation of work done in this Press is less by about 300% when compared with that of charges made in the Government Press, Madras. Moreover, there is no proper allocation of each head of account similar to that of Press Accounts shown in statement II of Government Press Annual Report. The total valuation of work done during the fasli year (1st July of every year) is being shown in the State Administration Report. There are no rules and regulations for guidance to the Officers in the Pudukottah State for sending the work to the State Press.

In view of heavy pressure of work at present in the Madras Government Press and to relieve some congestion I desire to take over this Press and to run under my supervision direct from Madras. At present this Press is in a position to undertake two or three District Gazettes in English and Tamil and a few non-standardized and Standardized forms. But, to begin with, I intend to send only one District Gazette together with non-standardized and standardized forms to keep the machines engaged in full working order as and when necessary.

For

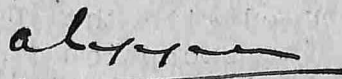

For this purpose, I propose to send one Foreman with practical experience in Composing to be in charge on a scale of Rs 150-10-200/- and also one Computer to scrutinize the outturn sheets of Compositors, Binders and Minders on Rs 45-85/- scale as adopted in Madras Government Press with a special pay of Rs 15/-. This Computer will be posted there for a period of one year or earlier until he trains, one of the existing employee in the State Press, and the existing Superintendent offered some alternative post outside the Press.

As regards the salary of the employees of the Pudukottah Press, it may remain as it is at present and be finally determined only after we know the ability and efficiency of each of the employees.

A copy in each of the Printing Manual and Offices Manual is being sent to the State Press, Pudukottah for being followed in future.

Name of the Press will also be changed in due course as "Government Branch Press, Pudukottah".

The question of leave credit to the employees of the State Press will also be taken up with Government. It appears that up to now their leave has been accumulative and most of the employees have more than six months to their credit. On receipt of Government's approval to take over this Press as a Branch of the Government Press administered from Madras, immediate effect will be given to the above proposal.

Superintendent.

2/1/8. Enc. 1 stt (3 sheets.)
Copy to the Special Deputy Collector, Pudukottah for information.

Sd/ A. Lepper,

Superintendent.

C No 63264/48

Sub: Pudukottah State Press - Taking over by the Madras Government -
Proposals of the S.G.P. - Orders passed.

pp 1-7 of

Ref: From the S.G.P. No.81/Ms dated 20--8--48.

ORDER. MS. NO. 2736 EDN. DATED 3.11.48

Consequent on the merger of the Pudukottah State with this Province, the S.G.P. has submitted proposals to take over the Press at Pudukottah under Government and to run it under his supervision direct from Madras.

2. The Government have examined the proposals and pass the following orders:

(1) They approve the proposal of the S.G.P. that the Press at Pudukottah may be run under his control direct from Madras.

(2) They also approve the proposal of the S.G.P. to depute one Foreman and ^{one} Computer from the Government Press, Madras, to Pudukottah for the purpose, but ~~the~~ the Foreman and the computer shall be on the scales of pay of Rs. 125-5-170 and Rs. 45-85 respectively, without any special pay.

(3) The existing staff of the State Press will be deemed to be the servants of the Government in the existing posts, pending their absorption on a regular basis and their salary will remain as at present and will finally be determined after their ability and efficiency are known ~~in due course~~.

(4) The Government agree with the S.G.P. that the publication of one or two District Gazettes and the printing of a few standardised and ~~at~~ at Pudukottah. non-standardised forms may be done at the Press. ~~The S.G.P.~~

(5) The name of the Pudukottah State Press may be changed into "Government Branch Press, Pudukottah", in due course.

(6) The expre. and receipts relating to the Press at Pudukottah should be recorded in accordance with the orders contained in G.O. No. 948 Fin. dated 8-10-48 and not merged in the accounts of the Govt. Press, Madras.

Sub: Pudukottah State Press - Taking over by the Superintendent, Govt. Press - Proposals.

Ref: E & P.H. Memo No.55599/Fl/48-2 Edn., dt.2-8-48.
From the S.G.P. No.81/Mis dated 20-8-48.

In Memo No.55599 Fl/48-2 Edn. dt. 2-8-48,

the S.G.P. was permitted to inspect the Pudukottah State Press with a view to take the Press under his control. Now the S.G.P. has submitted his report of inspection and the proposals for taking over^{the} Press. The Press is at present under the control of one non-technical Supdt, who is also in charge of Stationery articles and there are about 80 workers. The list of the officers employed in the Press, with ~~their~~ their qualifications, pay etc., is given on pp 3-7 c.f. The S.G.P. has also given an account of the machines~~press~~.

The proposals of the S.G.P. for taking over the Press are as follows:-

(1) In view of the heavy pressure of work at the Central Press, Madras, the publication of the Gazettes of one or more Districts may be undertaken in the Pudukottah Press and the Press may be run under his supervision direct from Madras. The printing of a few standardised and non-standardised forms may also^{be} undertaken at this Press.

(2) The S.G.P. proposes to send for the purpose one Foreman with practical experience in Composing to be in charge on a scale of Rs.150-10-200/- and one Computer on Rs.45-85/- with a Special pay of Rs.15/- The Computer will remain there for a period of one year or earlier until he trains one of the existing employees in the State Press and the existing Superintendent offered same alternative post outside the Press.

(3) The salary of the employees of the State Press may remain as ~~it is~~ at present and ~~that it~~ may be finally determined after their ability and efficiency are known.

(4) ~~The~~ The name of the Press may be changed in due course to " Government Branch Press, Pudukottah".

C No 63264/48

p 3 at S

A on p.1.2 of
S.G.P.

B on p.2. of

C on p.2. of

D on p.2. of

As regards the proposal of the S.G.P. to give the Foreman a scale of pay of Rs.150-10-200, it is submitted that the present scale of pay for the post ^{of Top Senior Foreman} is only Rs.120-5-170 and that the Foreman deputed may be given this scale and a special ^{pay} of Rs.25/- (as in the case of the Computer proposed by the S.G.P.). The other proposals of the S.G.P. seem unobjectionable and may be approved.

When the Press is taken ^{over} by the Government, the ~~existing~~ staff in it should, it seems, be deemed to be Government servants in the existing posts, pending their absorption on a regular basis in different cadres of Government. The question as to the manner in which they are ^{to be} absorbed, is separately under consideration in Public Department.

Public and Finance may see for remarks.

Public (Poll) deptt.

The proposals of the S.G.P. in the C.P. + pt 1-2 of

and the notes of E & P.H. on pages 1-2 above may be read.

The proposals of E & P.H. may generally be agreed to in this deptt. subject to the following remark:

At present the expenditure on account of Pudukkottai is being debited to the suspense head in the Provincial account under the detailed head 'Payments on account of Pudukkottai'. Similarly ~~xxx~~ receipts are being credited to the detailed head 'Receipts on account of Pudukkottai'. The press work relating to the administration of Pudukkottai will be negligible and the Press at Pudukkottai will be attending to the printing work from the other districts. It therefore seems that the expenditure (including the pay of the State employees in the Press) and the receipts may be debited and credited respectively to the regular Govt. Press budget instead of to the Pudukkottai accounts referred to above.

Finance may be requested to consider the above suggestion also. With the above remarks the file may be passed on to Finance.

DR 17.9.48

DR 17.9.48
17.9.48

Please see the notes on pp. 1-3 above. The proposal to depute ^{from the Govt. Press, Madras} one foreman with practical experience in composing and a compositor to scrutinise the old news sheets on a scale of Rs. 120-5-170 and Rs. 45-3-60-2 1/2-85 may be accepted. There seems to be however no justification to sanction any special pay in addition either to the compositor or the foreman.

2. The proposal of the S.G.P. that the salary of the employees of the State Press may continue to be as at present and that it may be finally determined after the ability and the efficiency of the employees are known may also be accepted. H.M. firm may be as the cost exceeds Rs. 5000/- p.a.

3. With reference to the remarks of Pub (Poll) on pp. 2-3 above it is submitted that the Auditor General has since issued revised instructions in regard to the accounting of transactions relating to the merged States, and the Accountant General has also issued necessary instructions in this regard to the Collectors of Tiruchirappalli and Kurnool. All Treasury Officers etc. according to the revised instructions the receipts and expenditure pertaining to the States should be classified separately in the accounts of the St. treasury and a separate account showing the transaction classified under major, minor, sub-head etc. should be prepared and submitted to the A.G.

In accordance with the above instructions as far as the work done in the Press for Pudukkottai State is concerned, the expenditure and receipts should be recorded ~~under separate heads~~ ^{separately and not merged with the accounts of the Govt. Press, Madras} for work done in the Press at Pudukkottai on account of the district credit should be given in the accounts of the State, as separate accounts have to be maintained for the expenditure and receipts pertaining to the State.

Please see the remarks of P.W. (P.O.) and Finance at pp. 3-4 above.
Consequent on the merger of the Pudukkottai State into this Province, the question of taking over the Pudukkottai State Press under this Govt. has now come up for consideration. The S.G.P. who ~~was~~ ^{is} in charge of the Press has submitted his report - U.O. pp. 1-2 of the Press (S.G.P.) Report to the Government of Pudukkottai and includes the ~~proposals~~ ^{proposals} for the S.G.P. to take over the Press and to run it under his supervision from Madras. The proposals are briefly as follows: (1) on p. 1, sub. (a) to the proposals this Dept. at A' on p. 2 sub. (a) subject to the suggestion that receipts and expenditure connected with this Press should be booked separately under the heads relating to the Govt. Press, Madras. Finance pp. 3-4 above agree the proposal to depute from the Govt. Press Madras one Foreman on Rs. 120-5-170 and one Computer on Rs. 45-85 to Pudukkottai, but they are ~~adverse~~ ^{adverse} against the payment of any special pay for them as proposed by the S.G.P. They also agree to the proposal

that the salary of the employees of the State Press may continue to be as at present and that it may be finally determined after the ability and the efficiency of the employees are known. They point out that in accordance ^{with} the latest instructions of the Auditor-General, the receipts and the expenditure should be recorded separately and not merged with the accounts of the Govt. Press, Madras and that for the work done at the Press at Pudukkottai on account of other districts credit should be given in the accounts of the State Press as separate accounts have to be maintained for the expenditure and receipts pertaining to the State.

It is for orders whether the proposal for the payment of special pay of Rs.25 and Rs.15 p.m. respectively to the Foreman and the Computer to be deputed may be negatived as advised by Finance Dept.

The file may be circulated for orders:-

- (1) whether the S.G.P. may be asked to take over the Press at Pudukkottai and run it under his supervision direct from Madras, the account procedure as suggested by Finance being followed,
- (2) whether publication of one or two Dt. Gazettes and printing of a few forms (standardized and non-standardised) may be done at the Press as proposed by the S.G.P.;
- (3) whether one Foreman on Rs.120-5-170 and a computer on Rs.45-⁸⁵~~40~~ from the Govt. Press, Madras, may be deputed to Pudukkottai;
- (4) whether the salary of the employees of the State Press may remain as at present and may be finally determined after their ability and efficiency are known: the staff being deemed to be Govt. servants in the existing posts pending their absorption on a regular basis in due course in different cadres of Govt. and
- (5) ~~whether~~ whether the name of the Press be changed in due course to "Govt. Branch Press",
