The claim preferred by the Commissioner is not correct. The correct amount of education tax creditable to Elementary Education Fund account during 1947-48, was only Rs. 11252-9-11 against Rs. 12463-7-8 stated by the Commissioner. Based on the correct figure, the equivalent contribution due, after deducting the refund, works out to Rs. 6761-10-3 only and not Rs. 12463-7-8 as claimed by the Commissioner.

The letter of the Commissioner is returned herewith in original.

Paragraph 5.

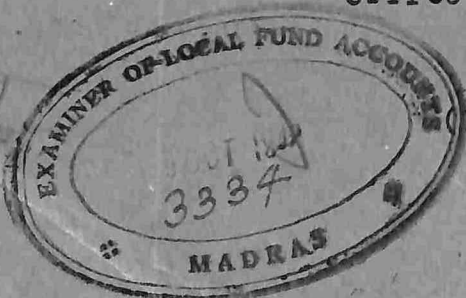

EDUCATION TAX : EQUIVALENT CONTRIBUTION:.

The total collection under property tax, both arrears
and current, during 1947-48 was Rs. 96134-13-8. This collection was
not properly allocated to the various constituents of property tax

p. two.

at the rates sanctioned by Government for the respective years. If property allocated, the gross amount of education tax creditable to Elementary Education Fund accounts of 1947-48, will work out to Rs.11252-9-11 against Rs.12463-7-8 actually credited to Elementary Education Fund accounts. Similarly the refund of Rs.40/- under property tax made during 1947-48, was shown only under 'General purposes' instead of allocating to the various constituents of property tax. If allocated, the refund under education tax will work out to Rs.3-10-2. The excess credit thus made would need to be readjusted. At the time of the amendment of section 34 of the Elementary Education Act, the rate in force was 1½ per cent per year. Thereafter the rate was increased to 2 per cent from 1944-45 and to 3 per cent per year from 1-10-47 (vide G.O.2369, Edn. dated 6-11-47). Based on the amount that would have been realised at the rate of 1½ per cent per year on account of tax realised in 1947-48, on which contribution from Government is due, the net education tax will work out to Rs.6761-10-3. Government may be addressed to sanction this amount.
