Designation DIRECTOR OF PUBLIC INSTRUCTION,

Received.....Registered.....
To The SECRETARY TO GOVERNMENT,
EDUCATION AND PUBLIC HEALTH
DEPARTMENT,
MADRAS.

Enclosures: RG. No. 158-L2/48 dated 14th June 1948.

Sir,

Sub: Stipends - Recovery of - Students dismissed for misconduct - Waiving of - Powers of Director - Amendment to Madras Financial Code.

I have the honour to state that as per item 3 -

Appendix 23, M.F.C. Vol. II, I have been empowered to sanction

the write off of stipends up to a limit of Rs. 300/- in each case,

if the conditions prescribed there therein are satisfied.

2. According to Rule 125 M.F.C. a trained teacher who does not fulfil the conditions will have to refund the amount of stipends received by him while under training or tuition fees if he has received any stipends.

3. There are cases where the recovery of stipends does not appear to be reasonable. There is no provision in the rules for writing off of stipends or tuition fees in cases where teachers' certificates are cancelled or students are dismissed while under training. It seems to me both unfair as well as difficult to recover stipends from such teachers. I therefore request that I may be empowered to waive the recovery of stipends in cases where the certificates of teachers are cancelled or students dismissed while under training. If this is approved, necessary amendment may be issued to appendix 23 of the Madras Financial Code Vol. II.

[Cm. 45220 C. 198] From the D.P.S. Rem. 152-12/78
d. 14-6-78.

Teachers Training - Trainees who are dismissed
or whose certificates are cancelled - bearing
of mpendo or of cost of training.

prop of 151

According to rule 123 (iv) of the
N.E.R., a student of a training institution
may be dismissed by the Controlling
authority for continuous idleness or serious
misconduct and if so dismissed, he may
be declared unfit for employment as a
teacher; and if he is a mpendiary
student he shall also be required to
repay the whole amount drawn by him
from provincial, local or municipal funds.

prop of 21 of 24
151

According to rule 125 (ii), a trainee teacher
who does not fulfil the conditions of the
bond will have to repay the amount of
mpendo received by him while under
training or tuition fees if he has not received
mpendo and has not paid his tuition fees.

1/2

The D.P.S. says now, that where teachers
certificates are cancelled or students
are dismissed while under training it is
both unfair as well as difficult to
make recoveries as contemplated in the
rules referred to above. He therefore
proposes that in such cases he should be
empowered to sanction waiver of the
recoveries.

not prop

2/ In G.O. 983 Edn dated 26.11.78,
the Govt. have decided to dispense with
the system of bonds in the case of non-
mpendiaries. To give effect to this decision

the D.P.S. has forwarded draft amendments to the M.F.R. These are being dealt with separately. When these amendments are approved, there will be no provision in the M.F.R. for effecting any recoveries from non-mpendiaries. The present proposal of the D.P.S. need therefore be considered only in respect of mpendiary students. Two points have to be considered in this connection:-

- (1) Whether the proposal of the D.P.S. is feasible; and
- (2) whether if it is feasible, how it should be given effect to, whether by an amendment to appendix 23 of the M.F.C. Vol II or by an amendment to the relevant rules in the M.F.R.

Below The D.P.S. says that where the certificates of teachers are cancelled or students are dismissed while under training, it will be both 'unfair' and 'difficult' to recover the mpendis to the teachers. If a student gets dismissed or has his certificate cancelled, it is he who is to blame and not we when he is a mpendiary student. It is only just that the expenditure on the payment of mpendis to him should be recovered from him. There is no point in saying that this is unfair. As regards the point that it will be difficult, this should be used more as an argument for tightening up the procedure for effecting recoveries rather than as an argument for making no recoveries at all. In the circumstances, the proposal of the D.P.S.
