He actually began his work with the Committee from 17.7.48 and worked till 19.9.48 including the holidays. Prior to the posting of the stenographer from the Director's office, the services of one Sri R. V. It will be seen from the current file in the linked file that the Committee had to go attend the various schools in the city of Madras for making enquiries and the clerk also had to accompany the Committee for taking the proceedings of the enquiries. The conveyance charges in respect of the clerk might have been incurred either by the chairman or by the clerk.
