TO THE SECRETARY TO GOVERNMENT,
EDUCATION & PUBLIC HEALTH DEPARTMENT,
FORT ST. GEORGE, MADRAS.

RC. 842-L3/48 dated 24th August 1948.

Sir,

SUB: TRAVELLING ALLOWANCE - Transport of motor car by
Rail - Three months after the date of joining.

65465

The Dt. Educational Officer, North Arcot, Mr.S. Krishnaswami was on leave from 5-11-47 to 25-2-48. On the expiry of the leave he was posted as Dt. Educational Officer, Madura which post he joined on 26-2-48. Under Rule 68(vi) of the Madras Travelling Allowance Rules he should have transported all his personal effects including conveyances within 3 months after the date on which he reported himself for duty at the new station. The Dt. Educational Officer reports that he could not transport this car to Madura within the period specified above for the reasons explained in his letters dated 28-5-48 and 8-8-48 (copies enclosed). It is reported that he took delivery of the car only on 21-6-48.

2. In view of the circumstances explained above I request that Government may be pleased to waive the three months limit prescribed under Rule 68(vi) of the M.T.A. Rules as a special case in this instance and permit the Dt. Educational Officer to claim the ~~extra~~ cost of transport of the car as per rules.

Yours faithfully,

FOR DIRECTOR OF PUBLIC INSTRUCTION.

Copy of letter of the Dt. Educational Officer, Madura dated 28-5-1948.

Sub: Railway - Transport of car by Rail Delay by the South Indian Railway Co., Grant of permission to get the car by rail three months after date of joining at Madura - Requesting.

My car was left at Madras when I proceeded on leave in November last and since joining duty at Madura, I have been writing the South Indian Railway authorities to allot

advise the Union & Company, Mount Road, Madras who have been instructed to book the car by rail from Madras. Till to-day, I have not received any reply from the Railway authorities. In the above circumstances, I request that I may be permitted to get the car from Madras as soon as the South Indian Railway authorities allot the wagon and that claim for transporting the car by rail may be admitted as the delay in this regard is due entirely to the difficulty in securing the wagon.

Sub: Travelling allowance - Transport of motor car by rail - three months after the date of joining.

Ref: Copy of letter Rc.193-A/48 dated 28-7-48 of the Dt. Educational Officer, Madura.

"Since writing my letter dated 28-5-48, the car was despatched by train and I took delivery of it on 21-6-48. The following were the communications sent to the Railway authorities at Egmore in regard to the allotment of a wagon; 27-4-48, 4-5-48; 5-5-48, 14-5-48 and 19-5-48 and I was getting private information that the wagon will be allotted before the 26th May 1948. In the above circumstances, I was expecting orders regarding the allotment of a wagon and also intimation regarding the despatch of the car almost every week. As the three months' limit was crossed with 26-5-48, I request permission applied for in my letter dated 28-5-48.
