3

Dear Maulana Saheb,

53200

I understand that the Government of India have given a grant of about Rs.2 lakhs to the United Provinces Government for organising a Bureau of Psychology. This matter has been considered by the Madras Government also and it is necessary that as soon as possible we should also start a Bureau of Psychology in our premier training college in Madras.

I shall be glad if the Government of India make a similar grant to the Government of Madras for enabling us to do so.

Expecting an early reply,

Yours sincerely,

Sd. T.S.A.

Subject : Training School - Psychological Bureau.

SIR,

With reference to your letter No. 36387C/47-2 Education, dated May 21, 1947, I am directed to enclose herewith copies of this Government letters Nos. 528/XIX-PWR(C), dated June 10, 1946, and A-6511/XV-447-44, dated July 25, 1947, which generally explain the scheme for the establishment of the Psychological Bureau at Allahabad. If any further details are required, please obtain them from the Director, Psychological Bureau, Allahabad.

I have the honour to be,
Sir,
Your most obedient servant,

Nehpal Singh
(Nehpal Singh)
Deputy Secretary.

……

(A) 5

1

Copy of G.O. No. 528/XIX-PWR(C), dated June 10, 1946, from the Secretary to Govt. U.P., P.W.R.(C) Deptt., to the Secretary to the Development Board, Co-opdination Committee of Council, Govt. of India, New Delhi.

I am directed to say that the Provimcial Govt. appointed in 1938 a committee to examine and advise on the Re-organization of the Primary and Secondary Education in the province. The Committee submitted its report in 1939 and in dealing with the question of the present system of examinations, which has been severely criticised by advanced educationists, expressed the opinion that attempts should be made to substitute more valid and reliable tests for the traditionsl type of examinations. In this connexion they recommended inter alia that the devising and standardising of all types of psychological tests should be entrusted only to trained psychologists, who should be in close touch with school work and school conditions when conducting the tests. Further, in the absence of any standardised tests, either individual or Group, in these provinces they considered it necessary to start a Central Bureau for devising ways and means ~~x~~of conducting intelligence and ability tests. Government accepted the recommendations of the committee and now propose to establish a Psychological Bureau at Allahabad as part of their Post-War Development Plan, as an addition to the Interim Plan of the U.P. Government.

A

2. The Bureau will organise and work out psychological and vocational tests for the children of the province and will serve as a laboratory for educational experiments as well as for the study of the delinquent child. It will also maintain a library of its own in addition to a properly qualified staff. The functions of the Bureau will be advisory. The Bureau is proposed to be located at Allahabad, as it is the provincial

headquarters ....

headquarter of the Director of Public Instruction and three of the Govt. Teachers Training Colleges are also located there. It is hoped that the methods evolved at the Bureau will be of considerable help to senior students in selecting their courses of study and to parents and guardians in choosing suitable careers for their wards.

3. The building of the Bureau is estimated a cost Rs. 1 lac while another sum of Rs. 1 lac will be required for its equipment. The recurring maintenance charges of the Bureau will be Rs. 36,000/- in the first year, Rs. 49,000/- in the second year and Rs. 80,000/- ultimately. A brief description of the scheme, giving the details of staff required for the Bureau and other particulars, is enclosed herewith.

not recd

4. I am accordingly to request the Government of India kindly to agree to contribute Rs. 2 lacs towards the establishment and construction of a building for the Psychological Bureau at Allahabad, on condition that the recurring maintenance charges of the Bureau will be borne by the Provincial Government. This subvention is asked for in accordance with the Government of India Finance Department's letter No. D.2056-B-45, dated November 24, 1945.

not recd.

Sub: Training Schools - Psychological Bureau.

plank

1. With reference to Government Memorandum No.36387 C1/47-1,Edn., dated 21st May 1947, I have the honour to submit proposals for a Psychological Bureau. I would suggest that as done by the United Provinces Government, the Government of India may be requested to grant the non-recurring expenditure, - The recurring expenditure being met by the Local Government.

2. The work of the Bureau will be as follows:-

I. Helping to reorganise the Examination System and reduce the evils of the present system such as making it the goal of education, subjectivism in marking, its oppressive influence on the minds of the students etc.

(a) Introducing personality tests for estimating traits such as initiative, leadership, creative ability, self-reliance, social sense, ethical sense etc.

(b) Constructing Personality tests, Intelligence tests, Achievement tests, Diagnostic tests, Vocational aptitude tests etc.

(c) Evolving a more satisfactory system of marking and maintaining school record system - Personal records to indicate rating of intelligence, personality traits, educational achievement, extra-curricular activities, sports and games, social service activities etc.

II. (a) Organizing refresher courses and extension ~~x~~ lectures to teachers.

(b) Training teachers in the administration of the new tests, in keeping the personal records etc.

(c) Training teachers to detect children with emotional and personality difficulties.

PTO.

III. Running a Mental Hygiene clinic.

(a) Giving treatment to problem children.

(b) Giving advice to pupils, parents and teachers.

(c) Helping handicapped children.

IV. Running a Vocational Guidance clinic:

(a) Giving advice to pupils, parents and teachers.

(b) Helping in the selection of pupils to technical courses etc.

(c) Helping in the recruitment of teachers

V. Carrying on extensive research on educational problems of the Province (Results to be published in a Journal).

VI. Publishing a Journal devoted to the problems of Education in the Province.

VII. Arranging parents conferences for different schools. Doing propaganda for Adult literacy and Education programmes.

VIII (a) Helping in the production of educational films.

(b) Helping in the production of text-books.

IX. Giving expert advice on psychological problems to institutions like the Vigilance Home, Certified Schools, Mental Hospital etc. (if necessary).

3. STAFF.

1. DIRECTOR. Chief Psychologist and Officer-in-charge of the Bureau or Institute. Will also be the Adviser in Psychology to the Education Department (and to any other Department that may need some service). Will direct the research work and will be responsible for the working of the Institute as a whole. Will also edit the Journal.

2. PSYCHOLOGISTS (2): Will assist in the testing, construction of tests, interviewing, do research etc. Work will be allotted according to qualifications - see qualifications.

3. PSYCHIATRIST: Will assist in the guidance clinic and in the work with the handicapped children.

4. SOCIAL WORKER: Will generally assist the Psychologists and the Psychiatrist in their work and in particular study the environmental conditions of problem children treated and contact their parents. Will be visiting schools and colleges also.

6. RESEARCH ASSISTANTS: Will particularly help in the collection of data and in field work, for research projects, construction of tests etc. Will be visiting schools and colleges.

N.B. Promising teachers and lecturers in the Department may be deputed for short periods of refresher courses when they will also be assisting in the research work. Every year there can be a few such people working in the Institute.

6. Clerical Staff. Ordinary routine office work connected with the particular post.

4. QUALIFICATIONS FOR THE STAFF:

1. DIRECTOR. (In addition to basic education) Training and high research degree in Psychology. Training and practical experience in the various branches of applied Psychology, in particular Educational Psychology, Mental Hygiene and Experimental Psychology Experience in guiding advanced research work on problems in Educational and Experimental Psychology and in handling classes for advanced students of Education. Age preferably not more than 40. Mother-tongue must be one of the regional languages of the Province. Knowledge of any of the other regional language desirable. Knowledge of Statistics additional qualification.

2. PSYCHOLOGISTS (2): Good basic and research degree in Psychology. Experience in research work. The special training and experience of the two together must cover the following branches of Psychology viz., Educational Psychology, especially Mental Measurements, Experimental Psychology, Child Guidance, Vocational Guidance and selection. Age below 40. The two together should also be able to cover the regional languages of the province. As far as possible one of these two must be a woman.

3. PSYCHIATRIST: Diploma in Psychiatric Medicine. Experience in Child guidance work and personality problems.

4. Social Worker: Advance degree in Education or Psychology and training in Sociology.

5. RESEARCH ASSISTANTS: Advance degree in Education or Psychology with some experience in research work. One of them should have had a Diploma in Statistics.

5. ESTABLISHMENT EXPENSES.

R.C.No.740 K2/47 Dated 6th October 1947.

Sir,

-pp 16-19 ante
cp items III & IV on p 17 ante

In continuation of my letter dated 30th September 1947 about a Psychological Bureau which is a long-range proposal, I have the honour to submit a Part II scheme for two Child Guidance Clinics, one in the Teachers' College, Saidapet, and another in the Lady Willingdon Training College, Triplicane. The main duties of the clinic will be to deal with problems of children in school and outside and to enquire into the cause of their behaviour and to offer advice to parents and teachers. A scheme like this requires the co-operation of medical Officers. For the present, the school medical Officer of the Model School, Saidapet, and the medical Officer of the Lady Willingdon Training College may be utilised for the purpose. M One trained in psychological methods will be required for each institution, but pending the availability and the appointment of one qualified for the purpose either the Psychologist recently appointed by Government or the University Reader in Psychology and N the Secretary of the Children Aid Society who has had special training in the Tata School of Sociology, Bombay, may be utilised as part-time helpers. The clinic may consist of the Principal of the College, the Lecturer in Child Education, the Medical Officer attached to the institution, the Psychologist or the University Reader in Psychology and the Secretary of the Children Aid Society.

2. Accommodation: The minimum requirements for the provision of Clinic will be from 3 to 4 rooms, one room for the Psychologist for interviewing children, one room for a case Conference and one room for parents waiting and for the office. A large play room will be a welcome addition. This room should be decorated in bright colours so as to make the room inviting and friendly. The work of the Clinic demands a certain amount of fluidity and experiment in method. The Cricket Pavilion in the Teachers' College compound with a play room in addition may be used for the present. Similar accommodation in the Lady Willingdon Training College may be made available.

3. Equipment: The equipment will include play materials such as, sand boxes, clay easel, water-colours, crayons, picture books, dolls and other things. The

22

play materials should be such that children could dramatise or express their emotions as they play with them. The sand box should be 5' x 4' so that many children can play at the same time in it or one could have a low table fitted with a sand tray 4 ft. by 3 ft. Some brightly coloured buckets and shovels would aid sand play. The easel should be 42" in total height and 36" wide. Right below the painting surface should be a tray (36" x 3½") where the glass of water colour is kept. The type of testing material required depends partly on the preference of the Psychologist. It consists of the current revision of the Binet-scale in duplicate forms, some performance tests and the Merill-Palmer material for very young children. A good supply of test material, including a stop-watch and requisite books may not cost more than Rs.1,000/-.

4. It is difficult to give exact estimate of the expenses operating a child guidance clinic. The cost will depend on the prices of the articles and the prices of articles vary from time to time.

5. I am addressing Government separately on the subject of amelioration of the handicapped children. — not nec(in this case)

I have the honour to be,
Sir,
Your most obedient servant,

S R Kh[illegible]

Director of Public Instruction,
Madras.

---

(13) 14 ~~22~~ Exp. II
C1

C. 80699 C/47. Part II Scheme — 1948-49 — Child guidance clinics — Opening of — Proposals.

—

cf From the D.P.I. No. 740 K2/47 Dt. [illegible]

—

Please see the Director's letter in the C.P. He has proposed as a Part II Scheme for 1948-49, the opening of two Child guidance clinics, one in the Teachers College, Saidapet and another in the Lady Willingdon Trg. College, Triplicane. The duties of the clinic ~~[illegible]~~ and ~~[illegible]~~ its constitution are briefly indicated in para 1 at p 1 cf. — para 1 p21 ante

Though the proposal might be ~~considered~~ essential in view of its usefulness it is doubtful whether it could be considered as very urgent. Again, the Director has reported that it is difficult to furnish ~~the exact~~ an estimate of expenses involved on the scheme in view of the fluctuating nature of the ~~[illegible]~~ prices of the articles required. — para 4 p22 ante

He has not ~~also~~ stated ~~whether~~ any remuneration should be paid ~~to~~ to the Reader of the Madras University or the Secy. of the Children's Aid Society ~~[illegible]~~ if they are appointed to serve as ~~[illegible]~~ part time helpers of the clinic. — pl see N on p21 ante

[illegible] Part II Schemes should ordinarily be complete, ~~contain~~ showing the cost involved in the proposal [illegible] year.

Extract at (R) — Further, in G.O. 577 Finance dt. 1.8.47, it has been laid down that "in view of the urgent need for economy, no schemes should be proposed as Part II Schemes unless they fall within one of the classes (a) to (d)" mentioned at A on p 1 of (R). Apparently, the present proposal will not satisfy the above criteria.

It may also be noted here that another proposal, ~~which was~~ for the establishment of a Psychological Bureau to be attached to the

24

Teachers' College, Saidapet, is separately under consideration. The above proposal ~~also~~ includes the running of child clinics and the employment ~~and as well also~~ of Psychologists also.

In the circumstances it does not appear necy. to consider the ~~present~~ proposal in this file as a Part II Scheme for 1948-49, and it may perhaps be on till the proposals ~~for~~ the establishment of the Psychological Bureau is finally decided. For orders.

The file may be sent to Finance M.O. for remarks before orders.

Sir,

p25 ante

I am directed to refer to letter No. 36387 C1/47-6 Education dated the 17th January 1948 from the Madras Government and to say that it is open to the Provincial Government to prepare schemes on any educational subjects and incorporate them in their Post-war Educational Plan. Each scheme will be examined on its merit and approved if found suitable, as part of the Development Programme of the Province. The Scheme of Bureau of Psychology of the United Provinces Government has also been approved as part of their Post-war Development Programme. All provincial approved schemes are eligible for assistance from the block grants for development set apart by the Development Board of the Government of India for different Provinces. According to the policy of the Development Board, as it stands at present, no separate grants are being paid for individual schemes.

	Total.	16992 55,175 Rs 55,200	30,000		24910 ~~25,900~~ or 25,300 Rs. 25,300	30,000

There is no research in education in India. It is considered that if education is to proceed on right lines a Psychological Bureau where research in education is conducted should be set up. The United Provinces Govt. have established a Psychological Bureau at Allahabad. The Govt. of India have approved the scheme as part of the Post-war Development plan of the U.P. Government, making it eligible for assistance for grant from the funds set apart for Post-war Development.

It is proposed to establish a Psychological Bureau attached to the Teachers' College, Saidapet. [The staff required for the Bureau and the other expenditure involved is indicated in the summary at the top]. The work of the Bureau will be as follows:-

I. Helping to reorganise the Examination System and reduce the evils of the present system such as making it the goal of education, subjectivism in marking, its oppressive influence on the minds of the students, etc.

(a) Introducing personality tests for estimating traits such as initiative, leadership, creative ability, self-reliance, social sense, ethical sense, etc.

(b) Constructing Personality tests, Intelligence tests, Achievement tests, Diagnostic tests, Vocational aptitude tests, etc.

(c) Evolving a more satisfactory system of marking and maintaining school record system - Personal records to indicate rating of intelligence, personality traits, educational achievement, extra-curricular activities, sports

and games, social service activities, etc.

II. (a) Organizing refresher courses and extension lectures to teachers.

(b) Training teachers in the administration of the new tests, in keeping the personal records, etc.

(c) Training teachers to detect children with emotional and personality difficulties.

III. Running a Mental Hygiene clinic.

(a) Giving treatment to problem children.

(b) Giving advice to pupils, parents and teachers.

(c) Helping handicapped children.

IV. Running a Vocational Guidance clinic:

(a) Giving advice to pupils, parents and teachers.

(b) Helping in the selection of pupils to technical courses, etc.

c) Helping in the recruitment of teachers.

V. Carrying on extensive research on educational problems of the Province (Results to be published in a Journal).

VI. Publishing a Journal devoted to the problems of Education in the Province.

VII. Arranging parents conferences for different schools. Doing propaganda for Adult literacy and Education programmes.

VIII (a) Helping in the production of educational films.

(b) Helping in the production of text-books.

IX. Giving expert advice on psychological problems to institutions like the Vigilance Home, Certified Schools, Mental Hospital, etc. (if necessary).

It is considered that the [illegible] may be given an additional pay of Rs 450 or 500 if necessary

The Standing Finance Committee may be requested to approve the proposal. If approved, arrangements will be made to open the Bureau in 1948-49.

The scheme has been generally accepted by Finance. p 13 NF → The proposals of the DPI for staff as slightly modified by this deptt in consultation with Finance are given in the annexure

(a) Budget provision. Rs 8,21,77,900

(b) Actual expenditure to the end of April '48 under the head. .... To be filled in Fin.

p.t.o.

Sub: Teachers College, Saidapet - Establishment of a Psychological Bureau.

Summary of cost.

Head of acct. (1)	Item of expre. (2)	Ultimate cost. Recurring (3)	Ultimate cost. Non-recurring (4)	Cost in 1948-49 (8 months) Recurring (5)	Cost in 1948-49 (8 months) Non-recurring. (6)
37-d-Education University -Govt. Proffl. colleges -C Teachers'	1. Pay of officers.	28,168	--	10,960 or 11,360	--
	2. Pay of Estt.	16,147	--	7,450	--
	3. Other charges.	11,386	30,000	7,104	30,000
		55,701	30,000	25,514 or 25914	30,000

In accordance with the recommendations of a Committee ~~which~~ they appointed to examine and advise on the Reorganisation of Primary and Secy. Edn. in the Province, the U.P. Govt. have established a psychological Bureau at Allahabad with the object of conducting research in edn. They have also secured the Govt. of India's approval to the scheme for the estt. of the Bureau as a post-war scheme, thus making it eligible for a grant from the funds set apart for Post-war Development.

p.7cf

2. At the instance of the H.M.(Edn.) who desired that this province also should have a psychological Bureau, a scheme for the estt. of such a Bureau attached to the Teacher's College, Saidapet, has been formulated. The Bureau is expected to perform the following functions:-

p.11a

I. Helping to reorganise the Examination System and reduce the evils of the present system as making it the goal of edn. subjectivism in marking, its oppressive influence on the minds of the students, etc.

pp.16,17 cf

(a) Introducing personality tests for estimating traits such as initiative, leadership, create ability, self-reliance, social sense, ethical sense etc.

(b) Constructing Personality tests, Intelligence tests, Achievement tests, Diagnostic tests, Vocational aptitude tests etc.

(c) Evolving a more satisfactory system of marking and maintaining school record system Personal records to indicate rating of intelligence, personality traits, educational achievement, extra-curricular activities, sports and games, social service activities etc.

II. (a) Organizing refresher courses and extension lectures to teachers.

(b) Training teachers in the administration of the new tests, in keeping the personal records etc.

(c) Training teachers to direct children with emotional and personality difficulties.

III. Running a Mental Hygiene Clinic -

(a) Giving treatment to problem children.

(b) Giving advice to pupils, parents and teachers.

(c) Helping handicapped children.

(IV) Running a Vocational Guidance Clinic:

(a) Giving advice to pupils, parents and teachers.

(b) Helping in the selection of pupils to technical courses etc.

(c) Helping in the recruitment of teachers.

V. Carrying on extensive research on educational problems of the Province (Results to be published in a Journal).

VI. Publishing a Journal devoted to the problems of Education in the Province.

VII. Arranging parents conferences for different schools. Doing propaganda for Adult literacy and Education programmes.

VIII (a) Helping in the production of educational films.

(b) Helping in the production of text-books.

IX. Giving expert advice on psychological problems to institutions like the Vigilance Home, Certified Schools, Mental Hospital etc. (if necessary)"

3. The scheme has been generally accepted by the Finance Department. The details of the staff, apparatus, furniture, books etc. required for the Bureau settled in consultation with the Finance Dept. and given in the annexure: The H.Ms. (Edn.) and (Fin.) and the H.Pr. have recorded the following minutes:

15 [illegible]

[illegible]

on the scheme on different occasions:

(H.E. minutes at pp.9 and 13 n.f.)

4. With reference to these minutes the subject is placed before the Standing Finance Committee for orders

(a) whether the scheme will be generally approved;

(b) whether as proposed by H.M. (Edn.) the Director of the Bureau will be given higher starting pay of Rs.450/ or 500/- in the scale of Rs.300-50/2-800 and if so, whether the starting pay should be Rs.450 or 500.

5. After the Standing Finance Committee and the Cabinet have passed orders on the scheme the question of including the scheme in the Post-War Plans to make it eligible for a grant from the Central Revenues will be taken up with the Government of India as advised by the Finance Department.

p27 CF:

SECRETARY, EDN. AND P.H. DEPT.
2 - MAY 1947
GOVERNMENT OF MADRAS

ASST. SECRETARY TO GOVERNMENT
2 - MAY 1947
EDUCATION AND PUBLIC HEALTH DEPT.

To the Secretary, E.& P.H.

Swami Sampurnananda, Education Minister, United Provinces, told me when I met him in the recent meeting of the Hindustani Talimi Sangh that they have applied ~~from~~ to the Govt. of India for a grant of 2 lakhs of Rupees for establishing Psychological Bureau attahed to the Training School and they got the grant. I do not see any reason why we should not do it. We may also apply for a grant for the same purpose. The application may run on the following lines:--

" Researches in Education are necessary as in any other subjects. They have advanced very much in foreign countries especially in America and we have far been lacking behind in these matters. It is essential that Research in Psychology should form part of our training institutions.

Especially in the matter of examinations, we have found how ineffective it has been in judging the real merits of people but still we have been blindly going through it in helpless manner without considering proper alternatives. I understand Psychological Researches in other countries have brought to light certain methods which can be utilised in this connection.

For this and other reasons, it is essential that we should have a Bureau for Psychology attached to the Training Schools. I understand that the Govt. of India have been pleased to ~~grant~~ give a special grant of ~~of~~ 2 lakhs of Rupees for the United Provinces Govt. for this matter and I would request that the same help may be rendered to this Govt. also for starting a Bureau of Psychology in Madras.

TSA
2.5.47
H.M. Education.

2/

Training S.L.C. Exm / Revised Syllabus

Psychology is taught in all the three grades of training institutions in this Presy— Collegiate, Secondary and Elementary. The University of Madras has a special Psychological Laboratory. A Psychological Bureau in every training school in this Presidency will no doubt be a great asset to the institutions. Before addressing the Govt. of India for the grant it is for orders whether the D.P.I may be asked to offer his remarks as the establishment ~~[illegible]~~ of a bureau in every training school and what the probable total cost would be.

~~[illegible]~~

O/p
3/5/47

It is not clear whether the reference to Training Schools in HM's note overleaf, is to the Basic Training Schools or to the ordinary Training Schools. HM's orders may be taken.

/W

M
5/5/47

S

It is desirable to know abt. the staff facilities the 'bureau' in each training school, whether there is any supervising staff over them, whether any special qualifications are required of them, & what the total cost will be (to see whether we will have to spend anything extra beyond the grant we will get). We have our notes to have a fairly complete picture of the scheme, & we have to indicate it also to the G of I when we ask for a grant. I suggest that we may first ask the Govt. of the UP to send us details of their scheme, & then have our scheme drawn up in consultation with the DPI before writing to the G of I.

M
6/5/47 M(Edn)

OS
7.5.47

~~2~~ (22) 23 3

The D.P.I. may be asked to supply the details and in the meantime we may also correspond with the Govt. of U.P. to give us the necessary details of their Bureau of Psychology attached to the training school.

B The intention is to have only one Psychological Bureau attached to our Premier Training ~~School~~ College attached in the Province. It is not necessary to have one attached to every training College.

SECRETARIAT 11 OCT 1947 GOVERNMENT OF MADRAS

In his letter at pp. 16-18 c.f. the Director has forwarded proposals for the ~~establishment~~ establishment of a Psychological Bureau. The work of the Bureau is outlined in para 2 of the Director's letter at pp 16-17 c.f. The staff proposed for the Bureau is specified ~~at~~ p 19 c.f. and the need as well as the qualifications for the staff are set out by the Director at pp. 17-18 c.f. The staff proposed for this Province follows the one sanctioned in the U.P. except that of an addl. Psychologist, (who it is proposed, should preferably be a woman) and the clerical and menial staff. The staff and the qualifications proposed, seem acceptable.

Cp. p11 and 19 c.f.

Item 4 (a) on p18 c.f.

The cost involved in the proposals is reported as ~~following~~ shown below:-

Item	Non-recurring Rs	Recurring Rs.
1. Building	1,00,000.	—
2. Furniture, Equipment etc.	30,000	1,200.
3. Staff †		52,645 (exclusive of d.a. house allce. etc.)
Total	1,30,000	53,845

p18 c.f.

† Details on p19 c.f.

The Director has suggested that the non-recurring expr. may be ~~obtained~~ obtained as a grant from the G. of I. while the recurring expr. may be met from Provl. funds. However, as the initial expr. (during

para 1 p16 c.f.

(23)

5

the first year) is roughly about 2 lakhs

It is for consideration whether the G. of I. may be asked for ~~contribute~~ grant a lump sum of Rs. 2 lakhs, instead of for non-recurring expr. only.

We may try this

P. also see A. Please see para 2 of the d.o. H.M. (Edn.) at p 3 c.f.

ADDITIONAL DEPUTY SECRETARY 63010 27 OCT 1947 FINANCE DEPARTMENT

(Spl. [illegible] scheme)

Finance(Spl.)Dept.

p.1 above

At the instance of H.M.(Edn.), the D.P.I. has submitted proposals for establishing a Psychological Bureau to the Training College at Saidapet. The work of the Bureau is given on pp.16-17 C.F. The details of expenditure are as shown below:

working sheet put up below

P 18 c.f

Items	Recurring Rs. p.a.	Non-Recurring Rs.
Staff	64,500	
Apparatus	500	
Books and Journals	700	
Building		1,00,000
Fans etc.		5,000
Furniture		10,000
Apparatus and Equipment		10,000
Books and Journals(initial)		5,000
	65,700	1,30,000

P 3 c.f

P 1 above

The Government of India have been addressed for a grant of Rs.2 lakhs for the purpose, because it was understood that India had given a similar grant to the Government of the United Provinces for the same purpose.

A on p. 7 c.f

2. The establishment of a Psychological Bureau at Allahabad was part of the United Provinces Government's Post-War Development plan. Apparently the grant of Rs.2 lakhs given

to the Government of the U.P. by the Government of India is part of the block grant given by the Government of India to the Government of the U.P. for their post-war plans. This Govt. may ~~not doubt,~~ get a similar grant from the Government of India towards the proposed establishment of a Psychological Bureau at Saidapet, only if it is included in the Post War plan of this Government. It may, however, be pointed out that as the grant given by the Government of India towards the postwar schemes of this Government has fallen short of the anticipated estimate of this Government, a revision of the Five-Year (Post War) Plan of this Government has already been undertaken to reduce the total cost of our post-war schemes. Even though the present proposal is included as an addition to the Five-year plan, it does not seem that the Government of India will give any ~~additional~~ amount over and above the block grant. The only alternative left is to include the scheme in the Five-year plan ~~at the risk of~~ by removing ~~a~~ another scheme already approved from the Five year plan. E & P.H. may take orders in circulation including H.M.(Fin.) ~~on~~ with respect to the essentiality of the present scheme for being given priority as a Post War Scheme over other schemes already approved by the Govt. for inclusion in the Five-year plan. If the scheme in the file is approved for inclusion as a Post-War Scheme, it may be brought forward for consideration as a Part II Scheme for 1948-9.

R 25.11.47
MR 4/12/47.
M

Otherwise, the scheme does not satisfy any of the other criteria laid down for Part II Schemes for 1948-9 in G.O.577 Fin. dated 1-8-47. The scheme involves the construction of buildings at an estimated cost of Rs. 1 lakh. Hon'ble Premier has separately ordered that on account of the high cost of materials and labour, building schemes should as far as possible be deferred for the present. Finance may therefore advise that the scheme, if it is not to go forward as a Postwar scheme, may be deferred. If E.&P.H. wish to press the proposal, they may be requested to take orders in circulation including H.M.(Finance) and the Hon'ble Premier.

not put up

not put up

R 25.11.47
MR 4/12/47.

3. As regards the details of the scheme, The scheme has been prepared on the lines adopted by the Government of U.P. and may be accepted ~~in~~ generally, subject to the following remarks ~~on the details~~.—

R 25.11.47
MR 4/12/47.
pp.11-13 C.F

P19CF

Staff. The following staff has been proposed.

Technical.

One Director on Rs.400-40-1,000

Two Psychologists on Rs.300-20-700

One Psychiatrist on Rs. 300-20-800

One Social Worker on Rs.230-700 (M.E. S grade)

Three Research Assistants (one of whom should be a Statistician) on Rs.200-10-400

Ministerial.

One Head Clerk on Rs.80-125

One Librarian

One Upper Division Clerk on Rs.80-125

One Stenographer on Rs.45-90

Two Lower Division Clerks on Rs.45-90

Twelve peons on Rs.16-½(A)-25

One night watchman
One Sweeper
One Gardener
} to be paid from contingencies.

Director, Psychologists, Psychiatrist.

A

The intention apparently is that all these posts should be of Gazetted status. The policy of the Government is not to sanction annual scales to Gazetted posts. Finance may suggest that the scale of Rs.230-30/2-260-40/2-500 - 50/2-700 (M.E.S. scale) which is proposed for the Social Worker may be allowed to the Psychologists and Psychiatrist also. The Director may be in the scale of Rs.300-50/2-800.

Research Assistants on Rs.200-10-400.

B

It is presumed that these posts will be of non-gazetted status. Finance may suggest that they may be allowed the scale of Rs.120-5-160-10-220 which is the scale allowed to Research Assistants and Statistical Assistants in the Fisheries Subordinate Service.

One Head Clerk, One U.D. Clerk and 2 l.d. clerks.

The staff is apparently intended for the office. Please see in this connection the work of the Bureau mentioned on pp.16-17 C.F. Much of the work is of research in nature and could be done only by the technical staff. It would thus seem that much clerical work will not be involved atleast in the initial stage. Finance may advise that 2 l.d. clerks would suffice for the present. C

One Librarian. The D.P.I. has not specified the scale of pay. As the library is not likely to be so big as to require the services of a librarian on the U.D. scale of pay of Rs.80-125, Finance may suggest that a Librarian on Rs.45-90 (l.d. scale) may be sanctioned. D

12 Peons. The proposed distribution of peons is as follows.

8 Officers	8 peons
Office	2 "
Library	2 "

p.19 CF

The need for reducing the number of peons in Offices was recently stressed by the Government. As the 3 Research Assistants will be of non-gazetted status, a peon for each of them does not seem necessary. One peon for the office and one for the library would seem sufficient. In this view, only 7 peons need be sanctioned. E

The notes of the Finance dept. from p. 5 ante may be perused.

2. Their suggestions ~~[illegible]~~ re: staff at A and B on p 7 ante and at C, D and E on p8. ~~above~~ may ~~[illegible]~~ be accepted. For orders. | May be accepted.

M on page 6 ante: The Post War Schemes of the Education Department are the following:-

(1). Training of Teachers.
(2). Additional Engineering Colleges.
(3). Training of Physical Training Instructors.
(4). Improvement of pay of teachers.
(5). Compulsory elementary education.
(6). Supply of mid-day meals to school children.
(7). Medical inspection of pupils.
(8). Certain other schemes not originally included in the plan, but subsequently treated as ~~Part II Schemes~~. Post war schemes

The mid-day meals scheme has since been given up. It has

---

also been decided that the scheme relating to training of physical training instructors may be deferred for the present.

The question of reducing the cost of Post War Schemes is under consideration separately.

None of the schemes already included in the plan (except ofcourse the mid-day meals scheme) can now be removed from it to accommodate the scheme under consideration in this file. The suggestion of Finance that this may be done is not acceptable. The scheme may be added to those already included in the plan. In that case the possibility that the Government of India will not gives an additional grant merely on account of the scheme has to be faced.

The file may be circulated for orders as to whether the scheme may be included in the Post-War ~~5~~ Five year plan and whether it may be treated as a Part II Scheme for 1948 - 1949.

Research in education is absent in this country. If education is to proceed on right lines, we must have a Psychological Bureau where research in education must be done. I see from the notes that it does cost a good amount. But in view of the large amount spent in Education, if it may be made useful, this amount must not be grudged. H.M. Finance and Hon'ble Premier may see & decide

In view of the letter from the Govt. of India, it seems as if we can put new proposals for the expansion of various items of education for inclusion in the Postwar Development scheme. Recently I have received a letter from Moulana Abul Kalam Azad, Education Minister, Govt. of India in which he said that as usual Education also will have its quota in the Postwar Development schemes.

Now the most urgent, cases of expenditure which may be approved in the Postwar Development programme are:-

(1) Women's education - both for capital grant and recurring expenditure for high schools and colleges.
(2) Basic Schools and Basic training schools.
(3) Training of teachers - Collegiate as well as secondary grade and higher grade training.
(4) Scheme for giving military training to boys in schools.
(5) Scheme for medical inspection
(6) Special schools for defectives.
(7) Provision for research in our Universities and Colleges.

Proposals on this basis ~~xxxxxx~~ may be sent to the Govt. of India

---

for getting their approval.

GOVERNMENT OF MADRAS

E. & P. H.

thro' A S II

An extract of the minute of H.M. (Edn.) on pp. 10-11 above has been taken for action and the file submitted separately.

Orders may now be taken in circulation as to whether proposal in this file, namely , establishment of a Psychological Bureau in the Training College, Saidapet, will be proceeded with and if so whether the suggestions of the Fin. Dept. at 'A', 'B', 'C', 'D', and 'E', on pp.7-8 ante will be accepted. The 'New Service' procedure has to be followed if the proposal is to be given effect to in 1948-49, i.e., it is to be placed before the Standing Finance Committee and the Cabinet and a supplementary ~~sanction~~ of grant ~~for payment in~~ obtained from the Legislature

A

Finance may see before circn.

26/3/48 S

It may be noticed that 'A' at page 27 c.f. makes it clear that there will be no separate grant in respect of this scheme if it is approved by the Government of India. If on schemes which have been already approved by them under our various Post-War Development Plans we have already spent or will be spent, more than the block grant allotted by the Government of India, we will not be getting any financial benefit by the mere approval of the scheme by the Government of India.

on p 9 above, the letter from the Govt of India on p 27 C.F, the minute of HM (Edn) on pp 10-11 above, and the further note of E.P.H on p 11 above. This dept may agree with the views of E.P.H at 'A' ~~and 'B'~~ on p 11 above.

31.3.48

Thro P.W.R.

28.3.48 28.3.48

'B' on page 11 above.

Expenditure on post war development schemes in 1947-8 is likely to fall short of the Central grant and a part of the grant is expected to lapse.

As regards 1948-9, we have already sent to the Government of India a programme of expenditure on post war Development schemes. When forwarding this programme, the Madras Government have made the request that the Central Grant may be fixed at 75% of the unproductive expenditure on the schemes included in the programme. The Government of India have not yet replied to this request.

The Government of India have not yet intimated to this Government the amount of Central grant for post war Development Schemes for 1948-9. It would, however, appear from the speech of the Finance Minister to the Government of India introducing the Budget for 1948-9 that one of the conditions to which Central grants will be subject, in future, will be that Provincial Governments should spend at least an amount equal to ~~that~~ the Central grant.

The ~~final~~ financial procedure indicated at 'A' on p. 11 above may be followed, and the question of including the scheme in the present case in the post-war development programme for 1948-9 may be considered after the Cabinet has approved of the scheme. By that time, the final orders of the Government of India regarding Central grants for postwar development schemes of Provinces are likely to be received.

M. (Edn.)

M. (Fin.)

A. The scale suggested by Finance may be approved but the Director's pay may have to be started at a higher grade, say Rs.450 or 500.

B. The Research Assistant's pay as suggested, is very poor. It may be from Rs.150 - 300.

C. We may provide for one head clerk, one upper division clerk, one lower division clerk and the necessary peons. The Librarian may be on the scale of pay of a high school assistant of the second grade, i.e. Rs.85-175. With regard to the peon, the suggestion of Finance may be accepted. The matter may go before ~~a~~ Standing Finance Committee.

SECY. EDN. AND P.H. DEPT.

GOVERNMENT OF MADRAS

22.4

TSA 17.4.48

The proposals of the D.P.I. at pages 16-20 c.f. were for the establishment of a Psychological Bureau separately in new buildings to be put up for the purpose. But, based on the minute of H.M.(Edn.) at 'B' on page 3 ante, the discussions in this file solely related to the establishment of the Bureau in the Teachers' College, Saidapet.

The consideration of the scheme may be proceeded with on the footing that no separate building will be required. A draft note for the Standing Finance Committee is submitted. It may be sent to Finance for acceptance.

Attention is invited to the letter on pp. 21-22 c.f. and the notes and orders in circulation on pp.23-24 c.f. and on the question of child guidance clinics in the Teachers' College, Saidapet, and the Lady Willingdon Training College. It is not clear whether the proposal should be proceeded with. There is no estimate of the cost involved. Perhaps the proposal may be considered as a Part II Scheme for 1949-50. Orders of the Hon'ble Minister may be taken ~~when~~ after the file is received back from Finance.

BM 12/6/48

14/6/48

Fin. E III

(Previous note of Finance on pp 11-12 above)

Please see the orders in circulation on p 13 above, the note of E.P.H above and the draft note for the Standing Finance Committee.

2. As regards the scale of pay of the Research Assistant, the HMs suggested that it may be from Rs 150 - 300 (as against the scale 120-2?0 suggested by this dept.). E.P.H put the scale at 150- 5 -200- 10 -300. This seems to be a standard scale adopted (the scale is the same as was sanctioned for Woman Apothecaries in the M.M. Subordinate Service in G.O. 78 Fin. dt 6.2.47) and may be agreed to.

17 JUN 1948
FINANCE DEPARTMENT

C1

ASST. SECRETARY TO GOVERNMENT
[illegible] JUN 1948
EDUCATION AND PUBLIC HEALTH DEPT.

3. As regards the formation of Child Guidance Clinics in the Teachers' College, Saidapet, and the Lady Willingdon Training College, this department may agree with E & P.H. that it may be considered as a Part II scheme for 1949-50.

4. The draft note for the Standing Finance Committee seems to be defective and requires revision as noted below:

(i) It does not seem necessary to have all the details in the summary at the head of the note. Mere totals under each sub-head viz., (1) "Pay of officers," (2) "Pay of establishments" and (3) "Other charges" are enough. The details of staff and other recurring expenditure may be shown as an annexure at the end of the draft. The details of the staff may be shown in the form as in the working sheet below indicating Av. pay, D.A. etc against each post for facility of check of the figures.

(ii) The views of the Finance Department ~~on the details~~ on the proposal should also be incorporated in the draft note -- vide pencil addition indicated on p.3 of the draft note below.

(iii) The minutes of the Hon. Ministers concerned as in the note file should also be incorporated in the note for the Standing Finance Committee.

Cf p9, 10-11 & 13 above

(iv) The summary at the end of the draft note also requires revision as indicated therein in pencil.

5. E.P.H. may be requested to revise the draft note as pointed out in para 4 above ~~and send the file to this department for acceptance~~ of the draft.
