All Members of the Indian Adult Education Association.

Dear Friend,

It is our intention to organise an Adult Education Exhibition & Demonstration along with Indian National Congress Session to be held in Jaipur. We shall be highly obliged if you could help us and collaborate with us in making it a success by collecting following materials from your area:-

(1) Charts, books and other materials utilised for adult education work in your area, which you could let us have for purposes of the exhibition. If these could not be spared, the material could be loaned to us; it would be returned when done with;

(2) Statistics about literacy, adult education, adult education schemes - aided, Government-run and private, in your province.

(3) Information regarding some extra-ordinary achievement in the field of adult education e.g. a man of 65 being made literate, some flourishing community centres or successful adult education experiment etc. This is to reach us by the first week of October, 1948.

It is also proposed to hold the Sixth All India Adult Education Conference in Mysore in the last week of December. We shall be obliged if you make it convenient for yourself to attend it and read a paper on any subject pertaining to adult education. It is our intention to publish a brochure containing synopses of the papers so as to be made available to the delegates before they are read in the Conference. Therefore, it is requested that a copy of the paper should be sent to us latest by the first week of November, 1948.

We are confident that you would give us all your help and cooperation in making the exhibition and the Annual Session a success.

With greetings,

Yours faithfully,

S. C. Dutta
