From

G. Venkateswara Ayyar Esq., I.C.S.,
Secretary, Board of Revenue, Madras.

C.H. Masterman Esq., C.S.I., C.I.E., I.C.S., Commr. of Post-War Reconstruction.

Reference:-

According to Clause 12 of the Madras Educational Subordinate Service Rules, published in the Madras Services Manual ~~Part~~ Volume II, there are 11 Physical Directors under category II and 3 First grade and 58 II-Grade Physical Training Instructors under Category III. Besides the above, there are 339 posts of Physical Training Instructors in the Local Body Institutions. In regard to the filling up of vacancies in the above posts, the Director of Public Instruction states 1) that the 11 posts of Physical Directors are now held by permanent incumbents and vacancies in these posts are not likely to arise for some years to come as the holders of these posts are young men (2) that 5 posts of Physical Training Inspectors were vacant on 3-12-43 and two more have fallen vacant in the year 1944 (3) that with reference to G.Os No.2543 Public (Services) Dept. d/ 26-8-44 and 3166 Public (Services) Dept. dated 30-10-44, the first annual return of vacancies allotted to war services candidates is due with the Government by 30-4-1945 (4) that all permanent vacancies of Physical Training Instructors in the Local body Institutions have been ordered to be reserved for war service candidates as per G.O.No.3107 L.A.D. d/ 1-11-43. The qualifications prescribed for the Instrucor in the Government services are the same for those in the Local Body Services. The syllabuses prescribed by the Government and the Army for Physical Training are contained in the pamphlets ie. Y.M.C.A. College of Physical Education and Physical training table of the Indian Army sent herewith for reference. The C.L.O. Bangalore says that even if the syllabus of the Army differs to some extent from the courses followed in Colleges and Schools, the Army Physical Training Instructors will not have the least difficulty in adopting themselves to a different syallabus. In the circumstances, the Board submits that Soldiers who are now serving in the Army as Physical training Instructors might be partially and if not completely absorbed as Physical Training Instructors in the Government Educational Department and in the Local Body Institutions, after demobilisation.

R
A

2/ If however, short training for the Army Institutions is considered necessary for a week or 10 days at Saidapet, the Board submits that a scheme can be drawn up in consultation with the C.L.O. Director of Public Instruction and Y.M.C.A. College of Physical Education. In all probability the Board submits that a further course will be unnecessary in the case of men seeking employment in Middle schools and Elementary Schools near their homes.

3/ The Board also feels doubtful, whether all Soldiers trained as Physical Training Instroctors will have the Educational qualifications as prescribed in the Madras Educational Subordinate Services Rules. It therefore requests that the Government may be pleased to amend the Rules so as to exempt the demobilised Soldiers from the required

Sir,

Sub: Military - Post War Reconstruction - Demobilished soldiers - Employment as Physical Training Instructors in the Educational Department.

Ref: Government Memo. No.8497/45-2 Public (Civil Defence) Department, dated 5-3-45.

Under the existing orders of the Madras Government, Physical Training Instructors for appointment (1) in a High School or Secondary Grade Training School, should possess a Government Teachers' certificate in Physical Training (Higher Grade); and (2) in a Middle School or Elementary Grade Training School, a Government Teachers' Certificate in physical Education (Lower Grade). The general Educational qualifications required for (1) and (2) are the possession of a Secondary Grade Trained Teachers' Certificatex or an Intermediate Certificate from a recognised University, and a pass in the S.S.L.C. Examination with eligibility for University courses of study, respectively. Z

2. The Army Physical Training Instructor for being appointed as Physical Training Instructor in this Province should, therefore, in the first instance possess the minimum general educational qualification, viz., S.S.L.C. eligible. Recently the Madras and the Andhra Universities have recognised the Indian Army Special Certificate of Education Examination as equivalent to the Matriculation Examination of their Universities for purposes of admission to the University courses of study. So an Army Physic Training Instructor with an Indian Army special Certificate of Education Examination will be considered to possess the minimum general educational qualification. The Army Physical Training Instructor possessing the minimum educational qualification should not, however, be entertained as a Physical Training Instructor Q M

in an Educational Institution after he reverts to civil life unless he successfully undergoes a course of shortened training for a period of 6 months in the Y.M.C.A. College of Physical Education, Saidapet. It may not be desirable to limit the shortened course for a lesser period as the course of instruction in the college includes (1) Principles and Philosophy of Physical Education (2) Materials and methods in Physical Education, (3) Organisation and Administration in Physical Education, (4) Health Education, (5) The Human Body, (6) Treatment of emergencies and minor athletic injuries, Massage and Physical Examination, (7) Psychology, (8) Sociology, (9) Camping and scouting, (10) Physical activities and (11) Practical Teaching. M

The details of the shortened course will be prepared by me in consultation with the Adviser to Government on Physical Education and the Principal, Y.M.C.A. College of Physical Education, Saidapet.

In posting the Army Physical Training Instructor to an Educational Institution care should be taken to see that he is posted only to institutions where there are already physical training teachers trained under the general rules. This will help in guiding the Army Physical Training Instructors to adapt himself to the new conditions of school work. P

The D.P.I. is informed that it has been agreed that the demobilised soldiers should undergo a course of short training as suggested by him in his letter, but it has been suggested that the period of training be reduced from 6 to 3 months and should be restricted to theory of games & general instn. about what they will have to do in schools. I have the honour to state that it is not desirable to reduce the period of the special training to 3 months as the course of instruction contemplated cannot be completed within that period. A six months training will make an Army physical Instructor better qualified and efficient to handle the Physical Education programme in a school.

2. **With regard** to stipends, I suggest that as in the case of Secondary grade teachers under training, the demobilised soldiers may be allowed a stipend of Rs. 12/- per mensem during the period of their training. In addition they may also be exempted from the payment of tuition and special fees payable to the Y.M.C.A.College of Physical Education. The Y.M.C.A.College will then have to be compensated for the loss of fee income sustained by them on account of the grant of exemption from fees to the trainees.

2. A copy of the D.P.I's remarks on the proposal is enclosed. The Government agree with him as regards educational qualifications. They also agree with him that the demobilised soldiers shoul undergo a course of short training but they consider that the period of training should be reduced from six to three months. It is understood that a Special course of three months training could be organized if a sufficient number of ex-army men were forth-coming and ~~the~~ (provided that) Government were prepared to bear the cost of two additional teachers at the ~~College of~~ Y.M.C.A. College of Physical Education, for the duration of the course.

2. The scales of pay for Physical Training Instructors in the Educational Department are as follows:-

I Grade -- Rs.30--3/2--45--2/2--55

II Grade -- Rs.23--2/2--45.

The Government consider that it is hardly worthwhi

Reference meeting in Chief Adviser's Room between SRLO Madras, Commr. PWR, and Dy. Secretary (Public). At the request of the Chief Adviser I am again addressing you on the subject of equivalents of Civil and Military Educational standards and certificates. This subject is one of great importance to ex-servicemen who, during a long war of approximately six years, have not had the opportunity of sitting down and passing Army Examinations, although if they had the time to do so they would without question produce a very large number of passes of Indian Army Special and Indian Army 1st and 2nd class certificates, particularly among the Madrassis serving in the Indian Services. Colonel Collingwood's letters (cited as references (viii) above) sums up one aspect of the situation. The Madras Govt have all along agreed that in the case of soldiers who are to be resettled, those who are suitable, but not fully qualified under the rules, would be allowed a chance to make good after appointment I consider that unless some G.O is published allowing unqualified ex-servicemen to be appointed on probation with a view to passing the examinations as required by the rules, there will be a grave miscarriage of justice to all the Services. The posts that will be vacant in future under the Dept of Public Instruction will be innumerable, if the expansion of that Dept takes place according to expectations. This is only one Dept ~~hit~~ at random, and I would request that the vacancies in all departments be carefully scrutinised in order to allow the ex-servicemen at least a chance to make good, and thus fulfil the spirit of the intention of the Madras Govt.

The letter 8497/45-7 of 8.8.45 from Public Dept to your address on the subject of employment of demob soldiers as P.T.Instructors in educational institutions was circulated to all Bns. in the Madras Regt. with the following result:-

There is not one P.T.trained VCO or NCO serving in the Madras Regt with the Indian Army Cpl certificates and if he had that qualification he would be seeking resettlement employment better than Rs.30/-to 55/- p.m. provided by the grade I., which is less than Jemadars' pay.

If it is the intention to employ ex-army P.T.Instructors in civilian life who have had the war experience of developing the recruit (which includes boys of Coy between ages 16 to $17\frac{1}{2}$) from civil life to enable him to bear the strain of his training, and the experience of devloping the trained soldier to be able to bear the strain of battle, then the exceptional educational standard demanded is not understood. As one Comdt. put it, "the educational standard ~~is not understood~~ of Rugby School was perhaps higher than that of the Madras High School, but even so, it received very ~~II~~ adequate instruction in P.T. from an ex-petty officer who was barely able to write his name!"

Besides these recruits and trained soldiers instructors course, there are several instructors who have qualified on the Indian Advanced courses which provides a very advanced knowledge of P.T. and allied subjects besides including rehabilitation of wounded, etc. and recreation trg (IAO/235/45 refers for full details).

To sum up, it is the considered opinion of this Regt that if ex-army PT Instructors are required, II Class Roman Urdu certificate is the highest educational qualification that will be available, but that P.T. 1st class instructorships on qualified advances course/instructorship should be the P.T. standard demanded.

...

As discussed with the Chief Adviser at a meeting this morning at which you were present, the subject of availability of appointments under the PWR Sdhemes of the Madras Government for ex-service WAC(I)s. is very important. I have during the last three days, addressed the whole of the WAC(I)s at present stationed in Madras, approx. 450 in number, and their queries fall under the following two headings:-

(a) Training for civil employment, and
(b) Types of civil employment available for them.

2. As regards (a), they were interested in domestic science and economy, dress-making, journalism, etc.

As regards (b), they wanted to know whether Govt would give preferences in reserved vacancies similar to those enjoyed by men of the Services.

3. The Chief Adviser took a note about this subject, and promised that he would look into it and furnish me with a reply. I therefore request that the whole subject be examined with sympathetic consideration in view of the fact that, out of the large number of women in India, these girls had come forward to aid the war effort. The G.Os. cited would be very helpful if preferenceswas given to the WAC(I)s. Similarly other posts might be made available, if some sort of a directive was given as to whether they could be fitted in without upsetting the existing fabric of Government.

Reference meeting in Chief Adviser's Room between SRLO Madras, Commr.PWR, and Dy. Secretary (Public). At the request of the Chief Adviser I am again addressing you on the subject of equivalents of Civil and Military Educational standards and certificates. This subject is one of great importance to ex-servicemen who, during a long war of approximately six years, have not had the opportunity of sitting down and passing Army Examinations, although if they had the time to do so, they would without question produce a very large number of passes of Indian Army Special and Indian Army 1st and 2nd class certificates, particularly among the Madrassis serving in the Indian Services. Colonel Collingwood's letters (cited as references (viii) above) sums up one aspect of the situation. The Madras Govt have all along agreed that in the case of soldiers who are to be resettled, those who are suitable, but not fully qualified under the rules, would be allowed a chance to make good after appointment I consider that unless some G.O is published allowing unqualified ex-servicemen to be appointed on probation with a view to passing the examinations as required by the rules, there will be a grave miscarriage of justice to all the Services. The posts that will be vacant in future under the Dept of Public Instruction will be innumerable, if the expansion of that Dept takes place according to expectations. This is only one Dept / [illegible] at random, and I would request that the vacancies in all departments be carefully scrutinised in order to allow the ex-servicemen at least a chance to make good, and thus fulfil the spirit of the intention of the Madras Govt

Post-War Reconstruction - Employment of demobilised personnel as Physical Training Instructors.

From the Board of Revenue, No.Y.444.44.19 dated 15-1-1946.

The Board of Revenue has made the following proposals in consultation with the D.P.I. for the employment of demobilised personnel as Physical Training Instructors in educational institutions:-

(i) that a special course of training of three months duration may be organised in the Y.M.C.A. College of Physical Education, Saidapet, for the training of demobilised personnel as Physical Training Instructors;

(ii) that those possessing an Indian Army Special Certificate of Education and those who have a pass in Form V of a secondary school plus an Indian Army First Class Certificate of English may be admitted to the courses, the former being granted the Govt. Teachers' Certificate in Physical Training of the Higher Grade and the latter the certificate of the Lower grade, after they successfully undergo the course;

(iii) that the trainees may be granted stipend

at the rate admissible ~~for~~ to candidates for secondary grade training and they may be exempted from the payment of tuition and special fees; and

(iv) that the Government may bear the full cost of employing two addl. teachers in the college for the course.

2. The D.P.I. is requested to ascertain and report (i) whether the college authorities are agreeable to organise a course of three months duration, on condition that the Govt. bear the cost of two addl. teachers, ~~and if so~~ (ii) whether they will have in addition to be paid any grant for the purpose and (iii) whether they will agree to ~~accede~~ exempt the trainees from the payment of special and tuition fees without claiming any compensation from Govt for the loss of fee income. He is also requested to ~~state what~~ ascertain & report the maximum number ~~for a~~ that can be taken on for training in one batch. ~~should~~ ~~batch will~~ be. An estimate of the cost of the scheme should also be furnished.

p 43 cf

3. With reference to para 3 of the Refce. cited above, the Bd. of Rev. is requested to state whether the reports from the Collectors have been received and if so, how many soldiers have registered their applications for training as Physical Training Instructors.

To The Secretary to the Government of Madras,

EDUCATION AND PUBLIC HEALTH Department.
FORT ST. GEORGE, MADRAS.

Sir,

I have the honour to submit below the information required by Government in their Memorandum referred to above.

1. The Y.M.C.A. College authorities are agreeable ~~to~~ to organise a course of three months duration, on condition that the Government bear the cost of two additional teachers. The Principal is however of opinion that the experience gained in Physical education in the army has little or nothi to do with the field of general physical education imparted schools and colleges. He, therefore, suggests that the training should be continued for a further three months the trainees do not show adequate progress in the first months. I agree with his suggestion.

2. They require that grant on the equipment etc. usual teaching and other grants basis may be paid.

P.T.O.

49

3. The College will not be in a position to exempt the trainees from the payment of special and tuition fees. But since the two teachers will be employed at Government cost, they are prepared to forego one half of the tuition fees. The other half and the other expenses should be met by Government.

(2) The Principal of the College is prepared to train 40 demobilised persons. But he states that no living accommodation is available in the college and that it will be necessary to construct temporary buildings for the purpose either at military or Government cost.

Cost?

(3) In my letter Roc.No.509-E/46 dated 5.4.1946 I have submitted the proposal for the abolition of the lower grade certificate course with effect from July 1946. Hence demobilised personnel possessing an Indian Army Special Certificate of Education only can be admitted to the course and trained for the higher grade certificate course:

Separate file

(4) An estimate of the cost of the scheme **per head** for the three months' course is furnished below:

Sub: Exemption of Ex-military Physical Training Instructors from undergoing training in Y.M.C.A. - Orders - Requested.

Whenever vacancies are notified to the Exchanges for Physical Training Instructors the qualification prescribed is that they should have passed out of the Physical Training School of the Y.M.C.A. Some of these ex-servicemen were Physical Training Instructors in the Army. As stress on Y.M.C.A.Training leads to unnecessary trouble to the ex-servicemen it is requested that orders may be passed exempting qualified Physical Instructors from the Army from undergoing any training before appointment as Physical Instructors in Civil employment.

Sir,

Ref: Your T.M. dated 14-5-1946.

I have the honour to furnish below the information required by you seriatim:-

(1) The employment of two additional teachers in the Y.M.C.A.College of Physical Education. - The Principal of the college expresses difficulty in securing the services of two teachers as by the time the training commences most of the available teachers will already have taken up jobs and as the period of employment is only a short one(Viz) 3 months. The Chief Inspector of Physical Education and the Principal have therefore suggested that the services of the 4 Regional Inspectors of Physical Education may be loaned in two batches for a period of 45 days each batch and have recommended that the Regional Inspectors may be paid Daily Allowance at the rates admissible for them for all the 45 days stay in the city on account of the extremely difficult and costly -- living conditions in the city. The amount required for this purpose is Rs 557/- A further sum of Rs 171/- is required for payment of travelling allowance to the 4 Regional Inspectors. I support the above proposal.

(2) The payment of grants to the College towards equipment etc. The Principal claims a sum of Rs 1000/- approximately under this head.

(3) The Construction of temporary buildings for accommodating the trainees - The Principal has estimated a sum of Rs 15,000/- for 10 Units and a further sum of Rs 5000/- for other conveniences pertaining to these hostels. The Chief Inspector states that the temporary buildings for these 40 men will not be of any use to the college later. He therefore suggests that the trainees may be admitted as day scholars leaving them to make their own arrangements for boarding and lodging. If the Military leave the cottages within the College compound in the meantime, all the 40 men can be accommodated in them later. I support the Chief Inspector's suggestion.

I furnish below the total cost of training 40 demobilised personnel with reference to the above revised proposals.-

Hr 48-49 ante

		Rs
1.	Cost of training 40 persons @ Rs 230/- per head (For details see para 4 of my letter R.C. 1995 W/44, dated 25-4-1946)	9200
2.	Payment of Daily Allowance to the 4 Regional Inspectors	557
3.	--do-- Travelling allowance	171
4.	Payment of grant towards equipment etc	1000

The Collectors have recommended only 9 candidates for being trained as Physical Training Instructors. A list of these candidates has already been communicated to the Director of Public Instruction in my letter No.2156/R10/46 dated 27-6-46 and also to the Principal, Y.M.C.A. College of Physical Education, Saidapet, in my letter dated 25-7-46. I request that the Government may be pleased to make necessary arrangements for the training of these candidates as already proposed by the Board of Revenue in its letter No.Y.444/44-19 dated 15-1-46. 43 ante

Though the response from the Ex-servicemen candidates is not encouraging, I feel that many candidates may come forward for the next course if a regular course of training with all facilities is given to these 9 candidates.

- - - - - - -

I invite your attention to the Government's letter cited above. I have reported 31 Ex-servicemen who are willing to undergo the Physical Training Instructors' Course.

2. In view of the Director of Public Instruction's letter to Government cited above, the stipends of Rs.18/- sanctioned in G.O. No. Mis.1600, Education, dated 19.8.46, will be inadequate to the Ex-servicemen, most of whom, unlike the civilian candidates, will be men with families. Further the candidates are required to reside and mess in the College quarters, and wear regulation costumes for physical activities. I therefore propose to address Government of India to bring this training under the purview of Vocational Training schemes as in the case of Sanitary Inspectors' Course. It is likely that there may be greater response from the Ex-servicemen when the stipends are increased under the Vocational Training Schemes. I therefore request that the shortened course may be sanctioned.

3. I request to be informed of the probable date of the opening of the shortened course and its duration. The Board's proposals to recognise the Indian Army Special Certificate of Education and a pass in the V Form with an Indian Army First Class Certificate of English as sufficient qualifications for Physical Training Instructors' Course, Higher Grade and Lower Grade respectively, and to exempt the Ex-servicemen from payment of tuition and special fees etc., may be approved.

I enclose a copy of Government Memo.First read above. It is proposed to give a shortened course of physical training for three months to demobilised Military Physical Training Instructors to adapt themselves to new conditions of civil life. The Provincial Govt. have informed me that the Y.M.C.A. College of Physicial Education, Saidapet, is prepared to conduct this course and train 40 demobilised personnel to start with and that the College authorities have suggested that the training should be continued for a further period of 3 months if the trainees do not show adequate progress in the first three months. The College authorities are prepared to forego one half of the tutition fees. The other half of the tution fees and other expenses connected with the course is noted in the Govt. Memo. first read above. The estimated amount for 3 months is Rs.9618/- and it will have to be increased suitably if the training is to be continued for a further period of 3 months in the case of trainees who do not show adequate progress in the first three months. The estimate for six months is reported to amount approximately Rs.19,200/- The Government of India were addressed to include this training under Vocational training scheme but they have expressed their inability to do so. I was therefore directed by the Government in their Memo. second cited above to make a claim on the P.W.S.R. Fund to meet the cost that will be incurred in giving training to the Military physical training instructors. Unless the Committee comes to the aid of this class of ex-soldiers, there is no other way of absorbing the men into Civil life and providing them with suitable employment. I therefore request that a sum of Rs.19,200/- may be sanctioned from the P.W.S.R. fund as early as possible. The required amount will be drawn as and when required.

GOVERNMENT OF MADRAS
EDUCATION AND PUBLIC HEALTH DEPARTMENT
MEMORANDUM NO.4079 C1/46-18 Edn. Dated. 4-6-1947.

Sub: Demobilised Soldiers--Training as Physical Training Instructors.

The attention of the Regional Director is invited to his letter No.Ref.D.3.2154/46-4 dated 21-4-47 on the subject cited b above and he is informed that it is proposed to organise a course of three months' duration for the training of demobilised military Physical Training Instructors for employment as Physical Training Instructors in Educational Institutions under the control of Government and local bodies. The Y.M.C.A. College of Physical Education, Saidapet, is prepared to conduct this course and train 40 demobilised personnel. The training will begin in July 1947. The Principal, of the Y.M.C.A. college of Physical Education has suggested that the training should be continued for a further period of three months if the trainees do not show adequate progress in the first three months. The College authorities are prepared to forege one half of the tuition fees. The other half of the tuition fees and other expenses connected with the course will be as follow:

COST ON ACCOUNT OF TRAINEES.

		Rs.
1.(a) Uniform at Rs.20 per trainee.		800.
(b) Books, Paper, equipment etc. at Rs.75 per trainee.		3000.
(c) Mess at Rs.28 per mensem.	,,	3360.
(d) Registration fee at Rs.5/-	,,	200
(e) Special fee at Rs.4/- per mensem.	,,	480.
(f) Tuition fees (half at Rs.6-4-0 p.m.	,,	750.
Total.		8590.
2 payment of daily allowance to the 4 Regional Inspectors (who are to conduct the course)		557.
3 Payment of T.A. to the Regional Inspectors.		171.
5 Miscellaneous grant for part-time doctor, office staff etc.		300.
Total.		9618.

The above estimate is only for 3 months. It will have to be increased suitably if the training is to be continued for a further period of three months in the case of trainees who do not show adequate progress in the first three months. The ultimate total expenditure, if all the trainees do not show adequate progress in the first three months, is expected to amount to Rs.19200/- a approximately.

2. The Director of Resettlement and Employment is requested to say whether the scheme can be brought within the scope of the vocational training scheme of the Government of India referred to in the letter from the Secretary to the Government of India, Department of Labour, (Director-General of Resettlement and Employment) No.R.V.2(8) dated 2-8-46 and if so he is requested to address the Government of India for necessary sanction for the opening of training centre at the Y.M.C.A. College of Physical Education at Saidapet. As the training has to commence in July he is requested to treat this reference as Specially urgent.

--:--

The claim made by the Director of Resettlement and Employment on the Post War Services Reconstruction Fund, for training Army Physical training instructors, was included in the list of subjects to be discussed by the Post War Services Reconstruction Committee at its meeting on 19/4/48. The Secretary, Post War Services Reconstruction Committee asked me whether 40 candidates would be available for the training, as the grant had to be made per capita. In consultation with the Director of Resettlement and Employment I informed the Secretary that 40 candidates would be available. I also consulted the present Principal of the Y.M.C.A. College of Physical Education regarding the cost of training. He informed me that the bill of cost for trainees contained in the Government×Memorandum dated 4/6/47, was based on conditions obtaining in 1946 and that at the present rates of the cost of living, the bill would have to be enhanced. He also stated that the original offer of the college to forego one half of the tution fees could not be kept up now. In these circumstances, I found that the particulars of the cost of training required alterations. After an informal consultation with the Principal, Y.M.C.A. College of Physical Education, I drew up a revised×statement of cost and forwarded it to the Secretary, to the Post War Services Reconstruction Committee. A copy of my×D.O.letter to the Secretary, Post War Services Reconstruction Committee is enclosed for information. The subject was not taken up at the meeting of the Comitee on 19/4/48. In the meantime I have asked the Principal, Y.M.C.A. College of Physical Education to confirm the cost of training as worked out in the statement. As the services of the Chief Physical Instructor and the Assistant Physical Instructor are also required for training the candidates, I have requested the Deputy Commissioner (Prohibition) to spare their services. This subject may perhaps come up at the committee's next meeting. I shall submit a further report after a decision is taken by the Committee.

Sri Rao Bahadur J.C.Ryan, M.A.,

Dear Mr. Govindan Nair,

Sub:- Post War Reconstruction - Resettlement of exservicemen - Training as Physical Training Instructors - Grant from the Post War Services Reconstruction Fund.

Ref:- Your letter dated 7-4-1948.

--:--

I have consulted the Director of Resettlement and Employment. He says that forty candidates will be available for the course.

2. I also got into touch with the Principal of the Y.M.C.A. College of Physical Education. The Principal is now Mr.Joseph. He tells me that he has no information regarding the course of training contemplated for exservicemen. He however concedes that his predecessor Mr. Moffat might have agreed to the course. Apparently Government's memorandum No.4079-C-1/46-18 dated - 4-6-1947 was issued on the consent given by Mr. Moffat. I have discussed the particulars given in that memorandum with Mr.Joseph He indicates the following difficulties:-

pages 90-91 ante

(i) The College does not have any accommodation to spare for putting up 40 students. It is impossible to conduct a training course without the students residing in the college premises.

(ii) Mr. Moffat was Adviser to the Government of Madras on Physical Education, and the four Regional Inspectors were working under him. The post of Adviser has since been abolished and the Regional Inspectors are now working under the Chief Physical Instructor to the Education Department. Even if they are made available for the training course, it might be difficult to place them under the disciplinary control of the Principal.

(iii) The bill of costs for trainees given in Government Memorandum already cited was based on conditions obtaining in 1946. At the present cost of living etc., the bill will have to be enhanced under several heads. He has suggested some items for revision.

pages 90-91 ante

(iv) The original offer of the Principal (Mr.Moffat) to forego half the tuition fees due to the College cannot now be kept up. The College would require full payment of fees.

3.(i) As regards the Principal's first point, the difficulty could be got over by erecting a temporary shed in the grounds of the college to house the students. The Principal is agreeable to this course provided the full cost thereof is met by us.

(ii) As regards the Principal's second point, I suggested that the Chief Physical Instructor and the Assistant Physical Instructor ~~and the Assistant Physical Instructor~~ attached to the Prohibition Department might perhaps be made available to the College in place of the four Regional Inspectors. These

These two men are old boys of the college who have been conducting three courses of instructions for R.R.O.s of the Prohibition Department working under the present Principal. Mr. Joseph agreed that this will meet the situation. But I will have to get the consent of the Commissioner of Prohibition.

(iii) & (iv). As regards the third and fourth points of the Principal, I enclose a revised statement of costs including also the probable cost of a shed for housing forty students.

4. It might be indicated that the enclosed revised bill of costs is only tentative and is subject to official confirmation by the Principal of the Y.M.C.A. College. If the Committee for Post War Reconstruction give an indication as to whether they are prepared to meet the full cost of the training, arrangements will be made with the Principal.

5. The services of a part-time Doctor are necessary, because the instruction given will be of a strenuous character entailing medical attendance for physical injuries etc. It will have therefore to be provided for.

Yours sincerely,

In connection with the employment of demobilised war service personnel the Board of Revenue has suggested the absorption of Army Physical Training Instructors in Educational Institutions under Govt. and Local bodies. The Board's proposals are that (1) Army Physical Training Instructors may be absorbed in the Educational Institutions both under Govt. and Local bodies ~~and~~ (2) if a further short training of a week or 10 days is considered necessary for the demobilised Physical Training Instructors before being appointed to Educational Institutions, a scheme for the purpose may be drawn up, but it however thinks that further training is unnecessary for men seeking employment in Middle and Elementary Schools and (3) that necessary exemption may be granted in respect of general educational qualifications for the Physical Training Instructors These proposals were referred to the Director of Public Instruction for his remarks.

'A' on p1 CF

para 2 on p1 CF

para 3 on pp1-2 CF

p3 CF

As regards Physical Training qualifications, the D.P.I. considers that an Army Physical Training Instructor should not be entertained in an Educational Institution unless he successfully undergoes a course of shortened training for 6 months in the Y.M.C.A. College of Physical Education, Saidapet. The details of the course would be prepared by him later on.

'M' on pp 5 6 CF

The general educational qualifications required of a Physical Training Instructor are (1) the possession of a Secondary Grade Trained Teachers' Certificate or an Intermediate Certificate from a recognised University and (2) a pass in the S.S.L.C. with eligibility for University course. The possession of an Army Special Certificate of Education will be considered as equivalent to (2) above. ~~The D.P.I. proposes~~ The DPI does not speak of Army Physical Training Instructors who do not possess the above general qualifications. He proposes to post Army Physical Training Instructors only to those institutions where ~~fully qualified~~ Physical Training Instructors fully qualified under the rules are serving to guide Army Physical Training Instructors to adapt themselves to new conditions of School work. The C.L.O. considers that Army Physical Training Instructors can adapt themselves to ~~any~~ a different syllabus of work, easily.

'Z' in para [illegible] p5 CF

'Q' on p5 CF

'P' on p6 CF

The L.A. & E & P.H. Deptts. agree with the D.P.I's views.

Orders of Govt. may be taken on --

(1) whether an Army Physical Training Instructor should be made to undergo further training as suggested by the D.P.I. and

(2) whether exemption from the possession of general educational qualifications should be granted to Army Physical Training Instructors as suggested by the Board or the concession of the minimum general educational qualification should be insisted upon.

Personally I should have thought much of what the D.P.I wants could be dispensed with. A qualified military P.T. instructor won't need much further training for if there is one thing in which the Army these days is thorough it is in P.T. Unless the fellow is required to teach subjects other than P.T I cannot see that minimum educational qualifns really matter. As regards the 6 months course proposed by the D.P.I it seems to be ~~much too theoretical and high flown~~ too much theory and too little "Hips firm and knees bend".

2 If any additional course is considered really necessary I think 3 months should be the limit because it must not be forgotten that it will raise the still "burning question of stipends during training". Z

6/6/45

C.S./A.4./A.1.

A1/A4 [illegible]

As regards educational qualifications Govt may agree with D.P.I. |K

As regards the training course it rather seems as if an Army Instructor might not know much about the games he would be supposed to supervise in schools, to judge from the two hand books but it does not follow that the Army Instructor has not himself been taught more in theory & practice than he puts recruits etc through.

The real question is how much of the syllabus of the Y.M.C.A. College is just "froth": it appears to me a lot of it is & will never be used again.

I imagine that a 3 months course of theory & games & general instruction re what they will have to do in schools would be quite enough to make Army Instructors competent as P.T. instructors in schools. Z

In connection with the employment of demobilised Army Physical training Instructors in Educational Institutions under Govt. and Local Boadies the Board ~~has~~ suggested that a short period of training for a week or 10 days would suffice. [~~I~~ssued d.o. no 8497 Pub(C.D.) dated 12-7-45] pp17-18 c/

I discussed this question with Dr. Dey and Mr. Lobo yesterday afternoon. The DPI's adherence to a course of six months duration was ~~based~~ due chiefly ~~on~~ to the fact that he was endeavouring to work out an arrangement whereby these Army Instructors could fit in with the existing Curriculum at the Saidapet College. After discussion it was agreed that a special course of three months duration could perfectly well be organized if a sufficient number of ex-Army candidates were forthcoming and provided that Govt were prepared to bear the cost of two additional teachers at the College for the duration of the course.

Z

B.M.C

7/72

2. In the course of the discussion it also came out that the pay for P.T. Instructors in schools and Colleges is only Rs.45/- p.m. for 1st grade men and Rs 35 or 40 for second grade. I am not at all sure that the Resettlement authorities will consider this an adequate "wage" for a returned soldier – it rather depends on what pay and allowances a P.T. Instructor gets in the Army. ~~I seem~~ At the same time it is obvious that the pay can hardly be made different for one small class of men and a general increase in P.T. Instructors pay would almost certainly involve a similar pro rata increase for other classes of teachers – a matter which would be of such magnitude as ~~to~~ probably not to be possible at the present time. It seems hardly worth while to pursue this question of arranging a special course until we know for certain that the men will be interested in the jobs available at the pay now offered. The S.R.L.O. may be consulted on this point before anything more is done.

Yes. 23/7/45

3. The answers to the two questions in para 2 on p.17 cf are:

(a) 9 vacancies in Govt Schools and 41 in Local Boards' schools.

(b) will not arise if Govt agree to pay for the running of a special course of 3 months' duration.

(iii) That a special course of training of three months duration may be organised for ex-army men; and presumably successful completion of this course ~~may~~ will be deemed equivalent to the "technical" qualifications mentioned at "A" and "B" on p.12 ante.

pp 43-44 CF

'P' on p 44 CF

The Board of Revenue asks for early decision on the above proposals. The D.P.I. has no objection to proposals (i) and (ii) above. Proposal (iii) also seems to have been accepted by the D.P.I.- vide p. 6 ante.

para 2, p. 11 CF

'Z' on p 6 ante

The special course is to be conducted in the Y.M.C.A. College of Physical Education, Saidapet. The original idea was to exempt the trainees from the payment of special and tuition fees and to pay compensation to the College for the consequent loss of fee income. After a discussion between the Dy. Secy., Public and the D.P.I. it was agreed that the special course could be organised if Government were prepared to bear the cost of two additional teachers at the Y.M.C.A. College of Physical Education for the duration of the course. Besides the cost of the additional teachers, stipends will have to be granted to the trainees during the training period. The D.P.I. has suggested Rs.12 ⊛ p.m. to each trainee. It is not also known whether the Y.M.C.A. authorities will have to be paid any grant for organising the course. Thus details of the whole scheme are not yet available. ~~Xx~~ It is not also known how many trainees would be forthcoming and also when.

'A' on p 43 CF.

Ibid

⊛ This may have to be increased if the rate for stipends for Secy. Grade teachers is also increased.

In para 3 of the letter on p.43 cf the Board of Revenue has stated that Collectors have been asked to register applications from demobilised personnel for the special course of training as Physical Training Instructors and to report the number of candidates who have applied by 1-2-1946. There is no point in making arrangements for the course of training unless a reasonable number of candidates are forthcoming — say at least 25 or 30. ~~at least~~. The Board of Revenue may first be asked whether reports of Collectors have been received and how many soldiers have registered applications. For orders. (Previous Finance note on p.14 above.)

The proposal in this file is to organise a course of three months' duration for the training of demobilised military physical training instructors for employment as ~~Rhyx~~ Physical Training Instructors in educational institutions under Govt. and local bodies. The Y.M.C.A. College of Physical Education, Saidapet, is prepared to conduct the course and train 40 demobilised persons. The Principal of the College has suggested that the training should be continued for a further period of three months if the trainees do not show adequate progress in the first three months. The College authorities are prepared to forego one half of the tuition fees. Towards the other half of the tuition fees and other expenses connected with the course, a grant is to be made from Provincial funds. The details of the expenditure are as shown below:—

2. E.P.H propose to accept generally the expenditure under he various items mentioned in para 1 above except in regard to one tem, namely, grant for equipment. They consider that the grant of Rs 1,000 roposed for equipment is excessive but propose to agree to it lso provisionally & to ask the D.P.I ~~at the same time~~ being ~~asked~~ to see hether any reduction can ~~not~~ be effected.

The proposals of E.P.H may be accepted in this Dept. he whole scheme depends upon the availability of a reasonable umber of persons willing to undergo the ~~course~~ training. E.P.H have sked the Regional Director of Resettlement and Employment ~~as to~~ how many soldiers have registered ~~their~~ applications for this training ~~the course~~ and his reply is awaited. It is not known whether, under the circumstances, it will be possible to open the course in the current ear. ~~Assuming that~~ In any case, the proposal will have to be reated as on a 'New Service', as the amount of grant exceeds Rs 10,000 (on the basis of 40 persons undergoing training for a period of months). E.P.H will also have to take steps in due course in the urrent year to get a supplementary grant voted by the Legislative ssembly.

The estimate on p.17 above is only for a three months' course. The ultimate total expre. may, therefore, be nearer to ~~about~~ Rs 20,000, and cannot be estimated precisely.

Y p 48 cf

The following remarks are called for on the details on p.17 above:-

Incidental charges at Rs 5 p.m. Rs 600.- The trainees are to be given free uniform, mess allowance etc. and it does not seem that they should be paid in addition, an incidental charge of Rs 5 each. This item may be disallowed.

training of 40 candidates. The Y.M.C.A. College is to be paid tuition fee, special fee and registration fee. There is therefore no necessity to give it in addition, a grant towards the purchase of equipment. The College authorities should themselves meet the extra expenditure on any additional equipment required for the use of the trainees, out of the amount of fees collected. This item may also be deleted. Any extra equipment bought by the College will certainly be useful to it afterwards.

B
DwD

Subject to the above remarks, this Dept. may agree to the proposal if a reasonable number of demobilised persons, willing to undergo the training are available.

As there is no immediate urgency for the scheme, it may be treated as a Part II scheme for 1947-8. If E. & P.H. press that the scheme should be introduced in the current year itself, 'New Service' procedure should be followed.

The scheme is very urgent if there ~~are~~ will be demobd. men ready to take the training this year. In that case Fin. need not object to introdn. in the current year, treating the scheme as a "new service"

The view was recorded that it will not be justifiable to run a separate course for ex-service personnel alone unless there were at least 25 persons willing to undergo the training. It is however seen that there are ~~about~~ 31 persons who are now willing to take up the course.

Please see the previous notes of this dept on pp 21-22 ante and Finance Depts' views on the suggestion made therein, on p 23 ante. There are already very heavy claims on the P.W.S.R Fund. ~~and~~ There does not ~~however~~ appear to be any objection, however, in applying to the committee of Admn of the Fund for the grant. It is presumed that it is not the intention of Finance that the scheme under consideration in this file should not be treated as a vocational Training Scheme ~~and brought~~ with the concurrence of the Govt of India. If the presumption is correct, it seems that the urgency of the matter may be brought to the notice of the DRE and he may be requested to obtain Central Govt's orders before July.

~~A.S.~~

Please see paragraphs 4 and 6 of the Government of India letter (on page 2 C F., and paragraph 7) on page 6 C.F. in linked file. The Labour Department (Government of India) Training Centres are run under the direct control and supervision of the Central Government. There seem to be 20 such centres in the whole of India, of which, three are in the Madras Presidency (Madura, Coimbatore and Madras). In the case of these centres, the Central Government bear the entire expenditure in the first instance and the expenditure is subsequently allocated between the Central and Provincial Governments in the manner indicated in paragraph 6 of the Government of India letter on page 2 C.F. in linked file. In the case of training Centres for ex-service men other than those run by the Labour Department of the Government of India, the scheme of grants that will be given by the Central Government is indicated at 'B' on page 6 C.F. in linked file. The training Centre proposed in this case will presumably come under "other Government training centres" mentioned in paragraph 7(a)(2) on page 6 C.F. in linked file. It is not known what part of the expenditure proposed

of linked

in this case will be covered by the Central grant on the basis indicated at 'B' on page 6 C.F. in the linked file.

Another point is not also clear, namely, whether the Central grant for this purpose is to come out of the block-grant for post-war development schemes, in which case, there will be no advantage, as the estimated expenditure on post-war schemes in 1947-48 is expected to exceed the block-grant.

In the circumstances, it would seem advantageous to get a grant from the Post-war Services Reconstruction Fund. Public (Resettlement), however, say that there are already very heavy claims on the Post-war Services Reconstruction Fund. The amount involved in this case is only Rs 19,200 while the Fund had about Rs 186 lakhs to start with. If Public (Resettlement), however, consider that there is not much chance of getting aid from the Fund for this scheme, the Government of India may be addressed as suggested. An application may perhaps be made simultaneously to the Fund also, if it is considered that application to the Fund after the Government of India's reply is received is likely to be belated.

'A' on P. 24 above

'P' on P. 21 above

This dept. may agree to this.

I don't think that an application shd be made simultaneously to the G. of I. & the Fund. Possibly no great harm will be done in waiting for the Govt. of India decision
